3.2 Powering On/Off

- **To Power On:** Press and hold the Power button until the screen lights up.
- **To Power Off:** Press and hold the Power button until the power options appear, then select "Power off".
- **To Restart:** Press and hold the Power button until the power options appear, then select "Restart".

3.3 Initial Configuration

Upon first power-on, the tablet will guide you through the initial setup process:

1. Select your language.
2. Connect to a Wi-Fi network.
3. Sign in with your Google account or create a new one.
4. Set up screen lock (PIN, pattern, password, or Face Unlock).
5. Review and accept terms and conditions.

Android 14

The tablet comes with the latest Android 14 operating system with smoother and faster modes, offering more privacy and data control.

4.4 Using the Cameras

The tablet is equipped with a 5MP front camera and an 8MP rear camera.

- Open the **Camera** app.
- Tap the shutter button to take a photo.
- Switch between front and rear cameras using the camera toggle icon.
- Select video mode to record videos.

5MP

The 5 MP front camera takes excellent shots and sound and color effects to provide a better video call experience.

8MP

The 8 MP camera can capture more details and clarity, making it suitable for taking daily photos and videos, recording life clips, landscapes, and portraits

4.5 Split Screen Functionality

The tablet supports split-screen mode for multitasking:

1. Open the first app you want to use.
2. Tap the **Recent Apps** button (square icon) to view open applications.
3. Tap the app icon at the top of the first app's card, then select **Split screen**.
4. Choose the second app from the recent apps list or the app drawer.

5. MAINTENANCE

5.1 Battery Care

- Avoid exposing the tablet to extreme temperatures.
- Do not leave the tablet fully discharged for extended periods.
- Use only the provided charger or a certified compatible charger.

5.2 Cleaning the Tablet

- Use a soft, lint-free cloth to clean the screen and body.
- For stubborn smudges, lightly dampen the cloth with water or a screen cleaner.
- Avoid using harsh chemicals or abrasive materials.

6. TROUBLESHOOTING

6.1 Tablet Not Turning On

- Ensure the tablet is sufficiently charged. Connect it to the charger for at least 30 minutes.
- Press and hold the Power button for 10-15 seconds to force a restart.

6.2 Slow Performance

- Close unnecessary background applications.
- Clear cache for frequently used apps (**Settings > Apps > [App Name] > Storage & cache > Clear cache**).
- Ensure sufficient storage space is available. Delete unused files or apps.
- Restart the tablet.

6.3 Wi-Fi/Bluetooth Connectivity Issues

- Toggle Wi-Fi/Bluetooth off and on in Quick Settings.
- Restart your router (for Wi-Fi issues).
- Forget the network/device and reconnect.
- Ensure the tablet is within range of the Wi-Fi router or Bluetooth device.

6.4 Screen Not Responding

- Force restart the tablet by holding the Power button for 10-15 seconds.
- Ensure the screen is clean and free of debris.
