# Divoom Itour-S Mini Wearable Bluetooth Speaker

## INSTRUCTION MANUAL

### Introduction

The Divoom Itour-S Mini Wearable Bluetooth Speaker is a compact and powerful audio device designed for portability and durability. Featuring dual passive bass radiators and a 4.2W driver, it delivers clear sound and punchy bass. Its IP67 dustproof and waterproof rating makes it ideal for various environments, from job sites to outdoor adventures. The speaker also boasts a stable clip design for secure attachment and offers up to 10 hours of playtime. Enjoy hands-free communication with its built-in microphone and active noise-cancellation, and experience enhanced audio with TWS stereo pairing.

## What's in the Box

Upon unboxing your Divoom Itour-S Mini Wearable Bluetooth Speaker, you will find the following items:

- 1 x Divoom Itour-S Mini Wearable Bluetooth Speaker
- 1 x Dual-End USB Cable (for charging)
- 1 x User Manual
- 1 x Presentation Box (can be reused for storage)

## Product Overview

Familiarize yourself with the key features and components of your Itour-S speaker.

### Buttons and Ports

The speaker features intuitive controls for easy operation:

- **Power Button (Center):** Long press to power on/off. Short press to play/pause music or answer/hang up calls. Double click for TWS pairing or to disconnect/reject calls.
- **Volume Down (-) Button:** Short press to decrease volume. Long press to go to the previous song.
- **Volume Up (+) Button:** Short press to increase volume. Long press to go to the next song.
- **Indicator Light:** Shows status and battery level.
- **Type-C Charging Port:** Located at the bottom for convenient charging.

### Durable Clip Design

## TWS Stereo Sound

TWS technology pairs two speakers instantly for high-quality sound anytime.

Image: The robust metal clip on the back of the speaker, designed for secure attachment.

The Itour-S is equipped with a strong metal clip featuring six anti-slip pins and a bottom rubber rail. This design ensures the speaker stays firmly attached to clothing, bags, or other items, whether vertically or horizontally, making it perfect for active use.

### Advanced Sound Technology

# Small Size & 4.2W Loud Sound

Uses a super strong N48 high-magnet speaker with clean sound and deep bass—turn it up loud, no distortion.

Image: An exploded view illustrating the speaker's internal acoustic design for powerful sound. Despite its mini size, the Itour-S incorporates a high-quality 4.2W driver, dual passive bass radiators, and a built-in Hi-Fi DSP chip to deliver loud volume, deep bass, and clear audio without distortion.

## Setup

### Bluetooth Pairing

Follow these steps to connect your Divoom Itour-S speaker to your mobile device via Bluetooth:

1. Long press the power button on the speaker to turn it on. The indicator light will show blue.
2. On your mobile device, go to Bluetooth settings.
3. Search for "Divoom Itour-S" in the list of available devices and select it to connect.
4. Once connected, the indicator light will remain solid blue.

Video: A step-by-step guide on how to power on the Divoom Itour-S and pair it with a mobile device via Bluetooth.

### TWS (True Wireless Stereo) Pairing

To achieve powerful stereo sound, you can pair two Divoom Itour-S speakers together:

1. Connect one Itour-S speaker to your mobile phone first (as described in Bluetooth Pairing).

2. Double-click the power button on the first connected speaker to activate TWS mode. The indicator light will flash.
3. Turn on the second Itour-S speaker and double-click its power button to initiate pairing.
4. When both indicators stay solid blue, the speakers are successfully paired and will function as a stereo pair.
5. To disconnect TWS, double-click the power button on either speaker.

## Operating Instructions

### Music Playback

- **Play/Pause:** Short press the power button.
- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.
- **Next Song:** Long press the '+' button.
- **Previous Song:** Long press the '-' button.

### Call Handling

The built-in microphone allows for hands-free calls:

- **Answer Incoming Call:** Short press the power button.
- **Hang Up Call:** Short press the power button during a call.
- **Reject Incoming Call:** Double-click the power button.

### Maintenance

#### Charging the Speaker

To charge your Itour-S speaker, use the provided Dual-End USB Cable:

1. Connect the USB-C end of the cable to the charging port on the speaker.
2. Connect the other end of the cable to a compatible USB power adapter (e.g., 5V-1A charger).
3. The indicator light will stay on during charging and turn off when fully charged. A full recharge takes approximately 2.5 hours.

#### Waterproof and Dustproof (IP67 Rated)

# IP67 Waterproof & Dustproof

Rugged and ready for hard work—perfect for hiking, camping, and biking

Image: The speaker in an outdoor, wet environment, highlighting its resilience against water and dust.

The Itour-S speaker is IP67 rated, meaning it is fully sealed against dust and can withstand immersion in 1 meter of water for up to 30 minutes. While designed for durability in various conditions, avoid prolonged submersion or exposure to harsh chemicals to maintain its integrity.

## Troubleshooting

If you encounter any issues with your Divoom Itour-S speaker, refer to the following common solutions:

- Speaker Not Turning On:** Ensure the speaker is fully charged. Connect it to the charging cable and allow it to charge for at least 30 minutes before attempting to power on again.
- No Sound or Low Volume:** Check the volume level on both the speaker and your connected device. Ensure the speaker is properly paired via Bluetooth.
- Bluetooth Pairing Issues:** Turn off Bluetooth on your device and the speaker, then restart both and attempt to pair again. Ensure no other devices are actively connected to the speaker. Move the speaker closer to your device to rule out range issues.
- Poor Sound Quality:** Ensure the speaker is within Bluetooth range (up to 33 feet). Avoid obstacles between the speaker and your device that might cause interference.
- TWS Pairing Failure:** Ensure both speakers are Itour-S models. Follow the TWS pairing steps precisely, double-clicking the power button on both speakers in sequence.

## Specifications

Feature	Detail
