AODK L-Shaped Gaming Desk with RGB Lighting and Power Outlets, 100cm Width - User Manual

Model: OKTB01081101001JP

1. INTRODUCTION

Thank you for purchasing the AODK L-Shaped Gaming Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read it thoroughly before assembly and keep it for future reference.

Image 1.1: Overview of the AODK L-Shaped Gaming Desk in a typical setup, showcasing its RGB lighting and spacious design.

This versatile L-shaped desk is designed to optimize your workspace for both productivity and gaming. It features integrated RGB lighting, convenient power outlets, a monitor stand, and adjustable shelving for efficient organization.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Proper assembly and stabilization techniques are crucial for the safe use of this desk.

- Exercise electrical precautions when using the integrated RGB lights and power outlets. Ensure all connections are secure and avoid overloading the outlets.
- Improper assembly or use carries a risk of injury or malfunction.
- During assembly, proceed carefully and use the necessary tools as instructed.
- Keep children and pets away from the assembly area and the desk during use to prevent accidents.
- Do not exceed the maximum weight capacity of the desk or shelves. Refer to the Specifications section for details.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk panels (main tabletop, L-extension, monitor stand, shelves)
- Steel frame components
- Fabric drawers (2 units)
- RGB LED light strip with controller
- Integrated power outlet unit (2 AC outlets, 2 USB ports)
- Assembly hardware (screws, bolts, nuts, Allen wrench)
- Instruction manual

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Clear a spacious area for assembly. Follow the numbered steps in the included assembly guide for detailed instructions. The L-shaped configuration can be set up with the shelf unit on either the right or left side to suit your space.

4.1. Shelf Height Adjustment

The shelves on the side unit are height-adjustable to accommodate various items, including a PC tower. Adjust the shelf height before securing it to the frame.

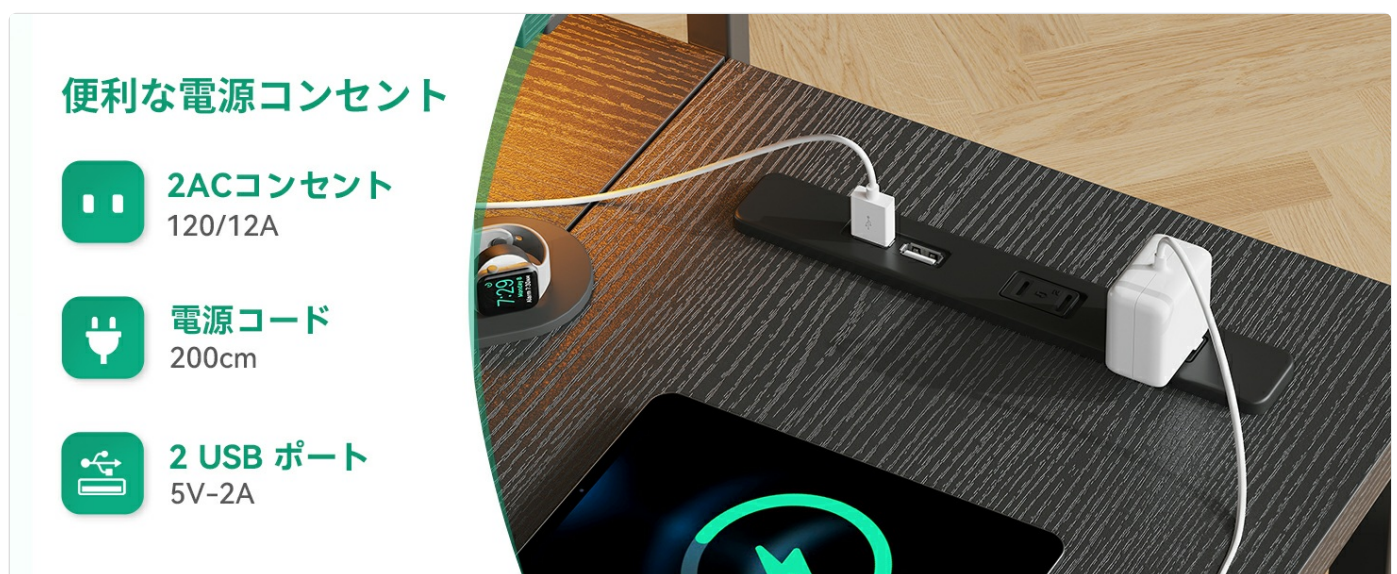

Image 4.1: Illustration of the two adjustable shelf height options, allowing space for a computer tower or other items.

4.2. Monitor Stand Adjustment

The monitor stand offers three height options (10cm, 13cm, 16cm) to help maintain an ergonomic posture and protect your neck and back. Choose the height that best suits your viewing needs during assembly.

Image 4.2: Detailed diagram illustrating the adjustable monitor stand heights (10cm, 13cm, 16cm) and overall product dimensions.

5. OPERATING INSTRUCTIONS

5.1. RGB LED Lighting

The desk features a high-quality RGB LED light strip with rich color variations and diverse lighting modes. The lighting can be adjusted from soft illumination to vibrant effects, enhancing your gaming or work immersion.

- **Power Button:** Turn the RGB lights on or off.
- **Color Button (C):** Cycle through 10 different static colors.
- **Mode Button (M):** Select from various dynamic lighting modes.
- **Speed/Brightness Control:** Adjust the speed of dynamic modes or the brightness of static colors (6 levels).

Image 5.1: Close-up of the RGB LED light strip and its control unit, detailing the color, mode, speed, and brightness adjustment options.

5.2. Integrated Power Outlets

The desk includes two AC power outlets and two USB ports for convenient charging of your devices, such as smartphones and tablets. This feature helps keep your desktop tidy by reducing cable clutter.

- **AC Outlets:** 120V/12A (ensure total connected load does not exceed this rating).
- **USB Ports:** 5V-2A (for charging compatible devices).
- **Power Cord:** 200cm length.

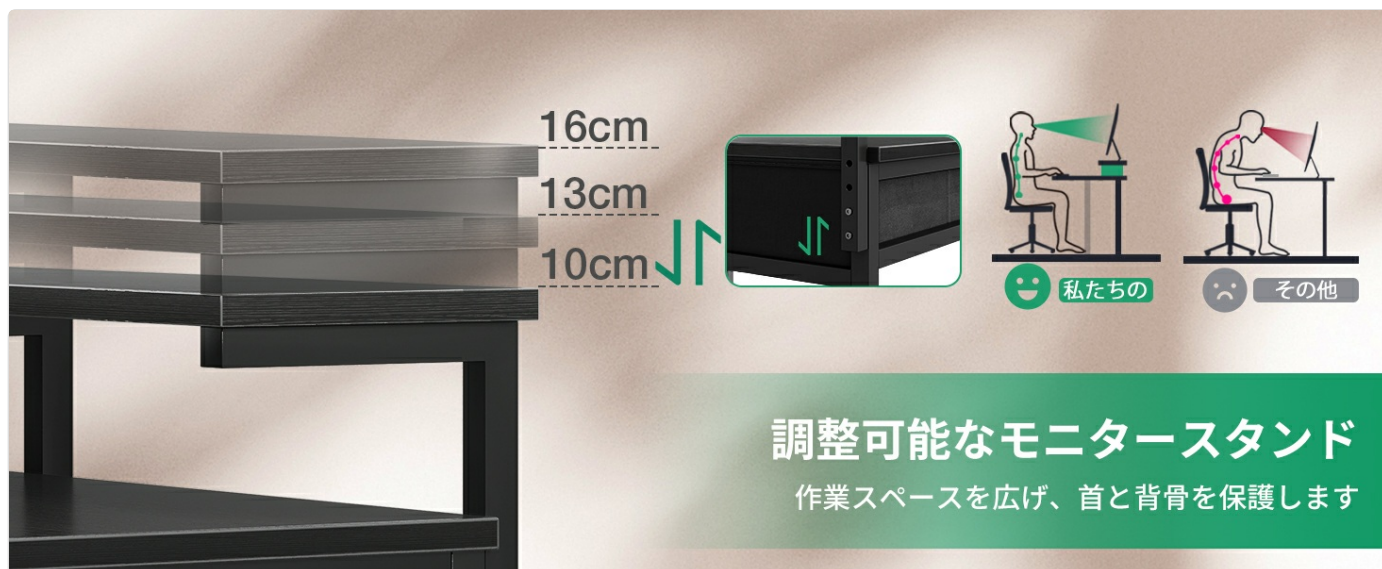

Image 5.2: Detail of the integrated power strip, showing two AC outlets and two USB charging ports for electronic devices.

6. MAINTENANCE

To ensure the longevity and appearance of your AODK L-Shaped Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** The desk surface is waterproof and stain-resistant. Wipe clean with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water damage or staining, especially around electrical components.
- **Stability Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves to prevent stress on the frame.
- **Electrical Components:** Keep the power outlets and RGB light strip free from dust and debris. Do not attempt to disassemble or repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common troubleshooting steps:

- **Desk Wobbles:**
 - Ensure all assembly screws and bolts are securely tightened.
 - Verify the desk is on a level surface. Adjust the leveling feet if present.
- **RGB Lights Not Working:**
 - Check if the power cable for the RGB strip is properly connected to a working outlet.
 - Ensure the light strip controller is correctly connected to the strip.
 - Press the power button on the controller.
- **Power Outlets Not Functioning:**
 - Confirm the desk's main power cord is plugged into a functional wall outlet.
 - Check if the circuit breaker for the wall outlet has tripped.

- Ensure devices are properly plugged into the desk's outlets.
- Avoid overloading the outlets beyond their specified capacity (120V/12A).
- **Drawers Not Sliding Smoothly:**
 - Ensure the drawer rails are correctly installed and aligned.
 - Check for any obstructions in the drawer slides.

If the problem persists after attempting these steps, please contact customer support.
