## PRODUCT FEATURES

### 80W Booming Sound

Enjoy powerful 80W sound, featuring dual 30W Neodymium Magnet Woofers and dual 10W Silk Dome Tweeters. The 2+2 channel setup, combined with advanced TI amplifier, delivers clear, distortion-free audio with deep bass, balanced mids, and crisp highs. Whether at home, outdoor gatherings, or movie nights, experience immersive sound for any occasion.

## 43Hz Ultra-Deep Bass

With TRIBIT's exclusive XBass technology, enjoy clear, deep low frequencies. Featuring 43Hz ultra-deep bass, this portable Bluetooth speaker delivers powerful, rich sound that brings every beat to life. Perfect for a variety of genres—from electronic and hip-hop to rock and jazz—it offers an immersive experience.

# 43Hz Ultra-Deep Bass

Figure 3: The speaker's 43Hz ultra-deep bass provides an immersive audio experience for outdoor gatherings.

## Detachable Shoulder Strap & Handle Strap

Designed with a comfortable shoulder strap and a convenient handle strap, this speaker is easy to take anywhere. Whether enjoying a picnic on the grass, admiring the view during a hike, or bringing energy to a backyard barbecue, it provides stable audio performance, letting music accompany you every step of the way.

## IP67 Waterproof and Dustproof

\*The rubber cover on the back of the speaker needs to be sealed.

Figure 4: The detachable shoulder and handle straps offer versatile carrying options for the speaker.

## IP67 Waterproof and Dustproof

Designed for outdoor adventures, TRIBIT StormBox Lava features IP67 protection to handle water and dust. From hiking and beach trips to poolside lounging, its rugged waterproof design is the perfect choice for all your outdoor activities.

## 24-Hour Continuous Playtime

\*The battery life data is sourced from TRIBIT laboratory under normal temperature conditions - at 50% volume, with XBass off. Actual battery life may vary depending on volume level, music content, and usage habits.

Figure 5: The IP67 rating ensures the speaker is protected against water and dust, ideal for outdoor use.

### 24-Hour Playtime

Keep the music going for up to 24 hours on a single charge, ensuring non-stop entertainment from day to night. The built-in charging port allows you charge your devices on the go. This speaker offers high-quality performance and practical convenience for travel, camping, or parties.

# Detachable Shoulder Strap & Handle Strap

Figure 6: Enjoy extended music playback with up to 24 hours of continuous playtime.

## TWS & Party Mode

Enjoy faster, more stable connections with Bluetooth 5.4 for effortless pairing with your devices. Use TWS to link two speakers for true stereo sound, or connect over 160 speakers in Party Mode to expand the fun to larger spaces. This speaker is ideal for parties, delivering an enhanced audio experience for your gatherings.

# TWS & Party Mode

Supports Party Mode with 160+ speakers connected.

Figure 7: TWS allows pairing two speakers for stereo sound, while Party Mode connects over 160 speakers.

## Customizable EQ for Personalized Sound

Use the TRIBIT App to adjust 10 frequency bands according to your preferences. Enjoy deep bass for a lively party or balanced tones for relaxation, as this portable Bluetooth speaker adapts to your needs. It's ideal for adjusting sound across various music genres or audio formats, delivering a perfect listening experience every time.

# Customizable EQ Modes

Figure 8: Customize your audio experience using the Tribit App's 10-band equalizer.
