MULEJYBO Large Record Player Stand with Sliding Door and LED Light - Instruction Manual

Brand: MULEJYBO | Model: 97bca736-5ea8-409e-823d-980e864dfe87

1. Product Overview

The MULEJYBO Large Record Player Stand is a versatile storage solution designed for vinyl records and audio equipment. It features a durable wood structure, integrated power outlets with USB ports, and multi-color LED ambient lighting. The stand includes various storage compartments, including a sliding door for concealed storage, and open shelves for displaying records and other items.

2. Safety Information

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Assembly instructions should be followed carefully to avoid injury.
- Ensure all connections for the power outlet and LED lights are secure before use.
- Do not overload the shelves beyond their intended capacity.
- Keep liquids away from electrical components.

3. Components and Parts List

The package includes all necessary parts and hardware for assembly. Refer to the included step-by-step instructions for a detailed list and identification of each component.

- Wood panels (various sizes for top, sides, shelves, and base)
- Wood legs
- Sliding door mechanism
- Power outlet unit with USB ports
- LED light strips and controller
- Assembly hardware (screws, dowels, etc.)
- Instruction manual

4. Setup and Assembly

Assembly is required for this product. A detailed step-by-step instruction manual with marked tool parts is included in the package. It is recommended to follow these instructions carefully for proper and convenient installation.

- Unpack all components and verify against the parts list in the manual.
- Assemble the main frame of the stand according to the diagrams.
- Attach the wood legs securely to the base.
- Install the shelves and the sliding door mechanism.
- Integrate the power outlet unit and LED light strips as directed.
- Ensure all screws are tightened and the structure is stable before placing items on the stand.

5. Operating Instructions

5.1 Power Outlet and USB Ports

The stand is equipped with 2 standard plug outlets (1440W) and 2 USB ports (10W) to power your record player and other devices. A 4.9 ft power cord is provided. Simply plug the stand's power cord into a wall outlet, then connect your devices to the integrated outlets and USB ports on the top surface.

5.3 Sliding Door Storage

The record player cabinet includes a sliding door with smooth rails. This door allows for increased privacy for stored items or can be opened to display records or books. Simply slide the door along its track to open or close the compartment.

Figure 5: Illustration of the stand's storage capacity, including space for up to 350 vinyl albums.

5.4 Record Storage

The stand offers multiple compartments for storing vinyl records, magazines, and other media. The open shelves are designed to hold a large number of vinyl albums, while the top surface accommodates a record player.

6. Maintenance

- **Cleaning:** Wipe the wood surfaces with a soft, dry cloth. For stubborn marks, use a slightly damp cloth with a mild wood cleaner, then dry immediately.
- **Electrical Components:** Ensure the power outlet and LED lights are unplugged before cleaning. Do not use liquid cleaners directly on electrical parts.
- **Stability:** Periodically check all screws and connections to ensure the stand remains stable. Tighten if necessary.
- **Record Care:** Store vinyl records upright to prevent warping.

7. Troubleshooting

- **LED Lights Not Working:** Check if the power cord is securely plugged in. Ensure the LED light strip is properly connected to its power source and controller. Verify the controller is functioning.
- **Power Outlets/USB Ports Not Functioning:** Confirm the stand's main power cord is plugged into a live wall outlet. Test the wall outlet with another device.
- **Sliding Door Sticking:** Check the rails for any obstructions or debris. Ensure the door is properly aligned within its tracks.
- **Stand Instability:** Re-check all assembly screws and tighten any loose connections. Ensure the stand is on a flat, level surface.

8. Specifications

Feature	Detail
Brand	MULEJYBO
Model Name	6QB896A2
Item Model Number	97bca736-5ea8-409e-823d-980e864dfe87
Color	Black
Product Dimensions	14.2"D x 33.2"W x 29.7"H
Material	Engineered Wood
Special Feature	With Sliding Door, Power Outlet, USB Ports, LED Light
Mounting Type	Floor Mount
Number of Doors	1
Number of Shelves	3
Number of Compartments	4
Item Weight	47 pounds

9. Warranty and Support

For any issues encountered upon receiving the package or during assembly and use, please contact the seller directly for assistance. The product is designed with anti-rust treated screw parts for durability.
