LUXOAK Murphy Bed Queen Size Cabinet Bed Instruction Manual

Model: BPB008

1. INTRODUCTION

Thank you for choosing the LUXOAK Murphy Bed Queen Size Cabinet Bed. This innovative 2-in-1 furniture piece is designed to transform your space efficiently, offering a comfortable sleeping solution that neatly folds into a stylish cabinet. It features a built-in charging station and ample storage, making it ideal for home offices, guest rooms, or small living areas. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and optimal use of your new cabinet bed.

2. SAFETY GUIDELINES

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these guidelines may result in injury or damage to the product.

- **Adult Assembly Required:** This product requires assembly by at least two adults. Attempting to assemble alone may lead to injury or damage.
- **Stable Surface:** Always assemble the unit on a flat, stable, and clean surface to prevent wobbling and ensure proper alignment of parts.
- **Sharp Edges:** Be careful around sharp edges during assembly and handling to avoid cuts.
- **Proper Assembly:** Ensure all parts are correctly aligned and all fasteners are securely tightened before use. Improper assembly can lead to instability and collapse.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 600 lbs for the bed.
- **Mattress Compatibility:** This unit does NOT include a mattress. Use a compatible folding mattress as specified in the product details.
- **Charging Station Safety:** Do not overload the charging station. Ensure devices are compatible with the provided AC outlets (125V/12A) and USB/Type-C ports (5V/2A).
- **Children and Pets:** Keep children and pets away from the unit during assembly and operation to prevent accidents.

3. PACKAGE CONTENTS

Your LUXOAK Murphy Bed is shipped in two separate packages. Please verify that all components are present and undamaged

before beginning assembly. If any parts are missing or damaged, contact customer support immediately.

- MDF Boards: 30 pieces
- Hardware: 383 pieces (various screws, bolts, connectors, drawer slides, wheels)
- Bed Frame Components
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the LUXOAK Murphy Bed is a detailed process that requires patience and adherence to the instructions. It is strongly recommended that two adults perform the assembly. The estimated assembly time for two people is 3-4 hours.

Image: Overview of the installation level, indicating it is a complex assembly with 34 steps, requiring approximately 2 hours for two people. The package comes in 2 boxes, includes 30 MDF boards, and 383 hardware pieces.

General Assembly Tips:

- **Organize Parts:** Lay out all numbered parts and hardware according to the provided list. This will significantly speed up the process.
- **Clear Workspace:** Ensure you have a large, clear area free of distractions for assembly.
- **Tools:** While a small wrench may be provided, using a drill with appropriate bits can expedite the process, but be careful not to overtighten screws.
- **Follow Steps Sequentially:** Do not skip steps. Each step builds upon the previous one.
- **Slide Rail Installation:** When installing the slide rails, follow the instructions to separate the two sections into two parts. Pay close attention to the direction of the rail holes. Ensure installation on a flat surface.
- **Drawer Assembly:** When assembling the drawers, ensure they are installed on a flat surface for proper alignment and smooth operation.

Refer to the detailed step-by-step diagrams and instructions included in your physical assembly manual for precise guidance on each component and fastener.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your LUXOAK Murphy Bed, follow these care and maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the wood finish.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Spills:** Clean spills immediately to prevent staining.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

- **Drawer Slides & Wheels:** Keep drawer slides and directional wheels free of debris. Lubricate with a silicone-based spray if movement becomes stiff.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.

7. TROUBLESHOOTING

If you encounter issues with your LUXOAK Murphy Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed feels unstable or wobbly.	Loose fasteners; uneven assembly surface.	Ensure all screws and bolts are securely tightened. Verify the unit is on a flat, level surface.
Drawers do not slide smoothly.	Drawer slides are misaligned or obstructed; debris in tracks.	Check that drawer slides are correctly installed and aligned. Clear any debris from the tracks. Apply a silicone lubricant if needed.
Missing parts or hardware.	Packaging error; parts overlooked during unboxing.	Carefully re-check all packaging materials. If parts are genuinely missing, contact LUXOAK customer support with your purchase details and the specific part numbers required.
Difficulty transforming the bed.	Obstruction; mechanism not fully engaged.	Ensure no items are blocking the bed's movement. Verify that all safety latches or locking mechanisms are properly disengaged/engaged as per the operation steps.
Charging station not working.	Not plugged in; overloaded; faulty device.	Ensure the bed's power cord is securely plugged into a functional wall outlet. Check if the charging station is overloaded. Test with a different device.

If the problem persists after attempting these solutions, please contact LUXOAK customer support for further assistance.
