**Video Description:** Official Vabches assembly guide for the Vanity Desk with Mirror and Chair Installation. This video demonstrates the complete installation process, including attaching the mirror, drawers, and cabinets. Follow along for a smooth assembly experience.

### Step-by-Step Assembly Guide:

- 1. Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the hardware list in your physical manual to identify each piece. The pieces are labeled alphabetically, and hardware by numbers.
- 2. Assemble Base Sections:** Begin by assembling the main base sections of the vanity desk, securing panels with the designated screws and dowels.
- 3. Install Drawer Slides:** Attach the drawer slides to the internal panels of the desk using the specified screws. Ensure they are aligned correctly for smooth drawer operation.
- 4. Construct Drawers:** Assemble the drawer boxes. Attach the drawer fronts and handles once the boxes are complete.
- 5. Attach Side Cabinets:** Secure the side cabinet panels and shelves. Install the cabinet doors using the provided hinges and handles.
- 6. Mount Mirror Unit:** Carefully attach the LED mirror unit to the main desktop. Ensure all electrical connections are properly routed and secured.
- 7. Connect Power:** Plug the vanity's power cord into a suitable electrical outlet.
- 8. Final Adjustments:** Check all connections and tighten any loose screws. Adjust cabinet doors if necessary for proper alignment.

## 6. OPERATING INSTRUCTIONS

### 6.1. LED Mirror Controls

The LED mirror features touch controls for lighting and display functions:

- **Power Button:** Touch to turn the mirror light on/off.
- **Light Mode Adjustment:** Touch the light mode icon to cycle through 3 different light colors: cool, natural, and warm light.
- **Brightness Adjustment:** Press and hold the light mode icon to adjust the brightness level. Release when desired brightness is achieved.
- **Time and Temperature Display:** The mirror automatically displays time and temperature. Touch the display area to switch between time and temperature views.

## 6.2. Charging Stations

The vanity desk includes 3 standard AC outlets and 2 USB ports for charging electronic devices. Simply plug your devices into the appropriate ports. The integrated hook is designed to hold a hair dryer or curling iron.

## 7. CARE AND MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish or mirror.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror; apply it to a cloth first.
- **Electrical Components:** Ensure all electrical components (mirror, outlets, USB ports) are kept dry. Unplug the unit before cleaning or if not in use for extended periods.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure stability.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror light not working	Power cord not plugged in; power outage; faulty connection.	Ensure power cord is securely plugged into a working outlet. Check household circuit breaker. Contact customer support if problem persists.
Charging stations not working	Vanity not powered; device not properly connected; device fault.	Verify the vanity is powered on. Ensure devices are correctly plugged into the outlets/USB ports. Test with another device.
Drawers/cabinets not closing smoothly	Misaligned drawer slides/hinges; obstruction.	Check for obstructions. Adjust drawer slides or cabinet hinges as per assembly instructions.
