Airynee 60-inch Oversized Chaise Lounge Chair

Model: 60-inch Oversized Chaise Lounge Chair

Brand: Airynee

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Ensure all components are securely fastened before use.
- Do not stand or jump on the chaise lounge.
- Keep small children and pets away from moving parts during assembly.
- Maximum weight capacity: 900 pounds. Do not exceed this limit.
- Avoid exposing the product to direct sunlight or extreme temperatures to prevent material degradation.

2. SETUP INSTRUCTIONS

2.1 Unpacking and Foam Expansion

Your chaise lounge is compressed for shipping. Upon unpacking, the foam will begin to expand. Full expansion and shape recovery may take approximately 72 hours. To expedite this process, gently pat the cushions or lightly jump on them. If wrinkles appear on the fabric, a steam iron can be carefully used to smooth them out.

2.2 Assembly

The Airynee Chaise Lounge is designed for easy assembly. Follow these general steps:

1. Carefully remove all packaging materials.
2. Attach the eight solid wood legs to the base of the chaise lounge. Ensure they are securely tightened.
3. Position the main seating unit and the ottoman.
4. Place the two plush back pillows and two lumbar support cushions as desired for optimal comfort.

3. OPERATING INSTRUCTIONS

3.1 Multifunctional Use

The Airynee Chaise Lounge is designed for versatility. It can be configured as a sofa chair, an indoor lounge chair, or a sleeper couch. Adjust the ottoman and cushions to suit your preferred seating or lounging position.

4. MAINTENANCE

4.1 Cleaning the Fabric

The chaise lounge is crafted from soft striped plush fabric. For general cleaning, gently vacuum the surface to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For deeper cleaning, consult a professional upholstery cleaner or use a mild fabric cleaner suitable for plush materials, testing on an inconspicuous area first.

4.2 General Care

- Regularly rotate and fluff cushions to maintain their shape and even wear.
- Avoid placing the chaise lounge in direct sunlight for prolonged periods to prevent fading.
- Keep sharp objects away from the fabric to prevent tears or snags.
- Periodically check and tighten all leg connections to ensure stability.

5. TROUBLESHOOTING

5.1 Foam Not Fully Expanded

If the foam cushions have not fully expanded after 72 hours, ensure all packaging has been completely removed. Gently massage and pat the cushions to help distribute the foam. Applying gentle heat with a hair dryer on a low setting or a garment steamer from a safe distance can also assist in foam recovery and wrinkle removal.
