### Main Components:

- Upholstered Headboard (with LED light and charging station)
- Metal Bed Frame Sections
- Wooden Slats (10 pieces)
- 2 Storage Drawers (with wheels)
- Footboard
- Side Rails

### Hardware & Tools:

- Assorted Screws, Bolts, and Washers (labeled)
- Allen Key (included for assembly)
- Remote Control for LED Lights

## SETUP AND ASSEMBLY

The bed frame is carefully packaged in one box. All parts and tools are marked with letters or numbers, and a detailed installation instruction manual is included to facilitate assembly. It is recommended to

assemble the bed frame with at least two people.

### General Assembly Tips:

- Lay out all components on a soft, clean surface to prevent scratches.
- Identify each part by its label (letters/numbers).
- Do not fully tighten screws until all components are loosely assembled, then tighten securely.
- Refer to the included paper manual for step-by-step diagrams.

### Assembly Overview:

1. **Assemble Headboard:** Attach the side supports to the main headboard section. Ensure the charging station and LED strip are correctly positioned.
2. **Construct Bed Frame Base:** Connect the side rails and footboard to the headboard. The metal frame uses a hook-and-loop closure system for easy assembly.
3. **Install Slats:** Place the 10 metal slats across the frame. These slats are designed with EVA silent sponge to minimize noise.
4. **Assemble Storage Drawers:** Construct the two sliding drawers and attach their wheels. The wheels are designed to be easily pushed in and pulled out.
