INFUTURE S2

INFUTURE Clip-on Bluetooth Speaker User Manual

Model: S2 | Brand: INFUTURE

1. INTRODUCTION

Thank you for choosing the INFUTURE Clip-on Bluetooth Speaker. This compact and versatile speaker is designed for hands-free audio enjoyment, featuring RGB lighting, a flashlight, and a built-in noise-reduction microphone. Its durable, waterproof design makes it ideal for various activities, from work to outdoor adventures. Please read this manual carefully to ensure proper use and maximize your experience.

2. PRODUCT FEATURES

- **Wearable Smart Voice Assistant Ready:** Double-tap the MFB button to activate Siri/Google/Alexa and control apps like Spotify, Apple Music, or Audible. Stream music, audiobooks, or podcasts effortlessly with this voice-enabled clip-on speaker.
- **8X Stronger Clip & Ultra-Compact Design:** Weighing only 72g, this clip-on Bluetooth speaker features a reinforced anti-slip clamp for secure attachment to shirts, backpacks, belts, and more. Its lightweight, portable build lets you enjoy hands-free music during workouts, travel, or daily tasks.
- **Bluetooth 5.4 & Built-In Noise-Canceling Mic:** Enjoy stable, low-latency connectivity and crystal-clear calls via the advanced microphone. This Bluetooth speaker with a microphone keeps you connected outdoors without needing your phone.
- **IPX6 Waterproof & Dustproof Clip-On Speaker:** Designed for outdoor adventures, our wearable Bluetooth speaker meets IPX6 standards, ensuring reliable performance in rain, dust, or splashes. The mesh-enhanced design boosts durability, making it ideal for beaches, hiking, showers, or worksites.
- **15H Playtime & Multifunctional Controls:** Engineered for active lifestyles, the clip-on Bluetooth speaker delivers 15+ hours of playtime (18H at 80% volume) and 1.5H fast charging. Three buttons handle music, calls, volume, and a 2-mode RGB light —perfect for workouts, camping, or late-night use.

3. PACKAGE CONTENTS

Please check the package for the following items:

- INFUTURE Clip-on Bluetooth Speaker
- Power Cable (USB-C)

4. SETUP

4.1 Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB-C power cable to the charging port on the speaker and the other end to a USB power adapter (not included). The charging indicator light will show the charging status. A full charge takes approximately 1.5 hours and provides over 15 hours of playtime.

Figure 2: Charging the Speaker

4.2 Bluetooth Pairing

1. Ensure the speaker is charged and powered off.

2. Press and hold the Power/MFB button for a few seconds until you hear a voice prompt "Power On" and the LED indicator flashes blue, indicating it's in pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "INFUTURE S2" from the list of found devices.
5. Once connected, you will hear a voice prompt "Connected" and the LED indicator will turn solid blue.
6. The speaker will automatically reconnect to the last paired device when powered on, if the device is within range.

5. OPERATING INSTRUCTIONS

5.1 Basic Controls

Figure 3: Speaker Controls Overview

Button	Function
Power/MFB Button (Hexagon)	Press and hold for 3 seconds: Power On/Off Short press: Play/Pause music Short press during call: Answer/End call Double-tap: Activate Voice Assistant (Siri/Google/Alexa)

6. MAINTENANCE

6.1 Cleaning

Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the charging port cover is securely closed to maintain water resistance.

6.2 Storage

Store the speaker in a cool, dry place away from extreme temperatures and direct sunlight. If storing for an extended period, charge the battery every 3-6 months to prolong its lifespan.

6.3 Water Resistance (IPX6)

The speaker is IPX6 waterproof, meaning it can withstand powerful water jets. It is suitable for use in rain, dust, or splashes. However, it is not designed for submersion in water. Ensure the charging port cover is fully sealed before exposure to water.

7. TROUBLESHOOTING

Problem	Possible Solution
Speaker does not power on.	Ensure the battery is charged. Connect to a power source and try again.
Cannot pair with device.	Ensure the speaker is in pairing mode (flashing blue LED). Turn off and on Bluetooth on your device. Move speaker closer to your device. Clear previous Bluetooth connections on your device.
No sound or low volume.	Increase volume on both the speaker and your connected device. Ensure the speaker is properly connected via Bluetooth.
Sound distortion.	Reduce volume. Move speaker closer to your device to improve signal. Ensure no obstructions are blocking the speaker grille.
Flashlight or RGB lights not working.	Ensure the speaker is powered on. Short press the flashlight button to cycle modes. Long press for RGB modes. Check battery level.
