VECELO KHD-PC06-WHT

VECELO 3-Tier Shoe Storage Cabinet Instruction Manual

Model: KHD-PC06-WHT

INTRODUCTION

Thank you for purchasing the VECELO 3-Tier Shoe Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

WARNING:

- Always secure the cabinet to the wall using the provided anti-tip component to prevent tipping. This is crucial for safety, especially in households with children or pets.
- Keep the cabinet away from heat sources and open flames to prevent material damage and the emission of harmful fumes.
- Do not overload shelves beyond their intended capacity.
- Ensure all screws and fasteners are tightened securely during assembly. Periodically check and re-tighten if necessary.

PRODUCT OVERVIEW

The VECELO 3-Tier Shoe Storage Cabinet is designed to offer a stylish and practical storage solution for your entryway or hallway. It features a classic white finish with gold accents, providing ample space for various shoe styles and other items.

Key Features:

- **Stylish Design:** White and gold color scheme with minimalist aesthetics, closed doors to protect contents from dust and moisture.
- **Ample Storage:** Main shoe storage area, three additional spaces for bags, a top platform for decor, and a bottom area suitable for slippers or a floor sweeper.

- **Adjustable Shelves:** Two inner panels can be adjusted to 3 different heights or removed to accommodate various shoe sizes, including sneakers, heels, boots, and flats. Can store up to 20 pairs of shoes.
- **Side Hooks:** Two golden hooks are mounted on the side, ideal for hanging umbrellas or keys.
- **Durable Construction:** Features sturdy heavy-duty metal legs and an anti-tip component for stability and safety.

Product Dimensions:

Dimension	Measurement
Width (W)	47.24 inches (120 cm)
Depth (D)	15.75 inches (40 cm)
Height (H)	42.13 inches (107 cm)
Net Weight	90.0 lbs (40.8 kg)

SETUP AND ASSEMBLY

Assembly of the VECELO shoe cabinet is designed to be straightforward with pre-labeled parts and clear instructions. It is recommended to assemble the cabinet in the room where it will be used.

Before You Begin:

- Unpack all components and verify against the parts list (included in the packaging).
- Ensure you have all necessary tools (e.g., screwdriver, hammer). A power drill can expedite the process.
- Clear a spacious area for assembly to prevent damage to the product or your flooring.

Assembly Steps:

1. Follow the step-by-step instructions provided in the included assembly manual. Each part is labeled for easy identification.
2. Attach the heavy-duty metal legs securely to the base of the cabinet.
3. Install the inner panels. These are adjustable; refer to the "Operating Instructions" section for details on adjusting shelf heights.
4. Mount the side hooks as indicated in the manual.
5. Once assembled, position the cabinet in its desired location.
6. **Crucial Step:** Secure the cabinet to the wall using the anti-tip component. This prevents accidental tipping and ensures safety.

OPERATING INSTRUCTIONS

Adjusting Shelves:

The VECELO shoe cabinet features two adjustable inner panels, allowing you to customize the storage space to fit various shoe types and sizes. Each panel has 3 adjustable height options.

1. Open the cabinet doors to access the interior shelves.
2. To adjust a shelf, carefully lift it from its current position.
3. Relocate the shelf to one of the available peg holes at your desired height. Ensure it is level and securely seated on all four pegs.
4. For taller items like boots, you may remove a shelf entirely.

For Shoes of Various Sizes

The shoe cabinet has 2 adjustable shelves

Utilizing Side Hooks and Top Surface:

- The two golden hooks on the side are perfect for hanging items such as umbrellas, keys, or small bags.
- The top platform provides additional space for decorative items, small plants, or frequently used essentials.

MAINTENANCE

Proper care will ensure the longevity and appearance of your VECELO shoe cabinet.

- **Cleaning:** Regularly wipe the cabinet with a dry, soft cloth to remove dust and dirt. Avoid using strong corrosive cleaners, as these can damage the finish.
- **Environment:** Choose a dry, well-ventilated location for the cabinet. Avoid humid environments to prevent moisture damage to both the cabinet and its contents.
- **Moving:** When moving the cabinet, lift it carefully rather than dragging it to avoid scratching the surface or damaging the legs.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if any looseness is detected.

TROUBLESHOOTING

If you encounter any issues with your VECELO shoe cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all assembly screws are fully tightened. Verify the cabinet is placed on a flat, even surface. If necessary, use shims under the legs to stabilize.
- **Doors Not Closing Properly:** Check that the hinges are correctly installed and tightened. Ensure no items inside the cabinet are obstructing the doors.
- **Difficulty Adjusting Shelves:** Make sure the shelf pegs are fully inserted into the desired holes and are aligned on both sides.
- **Missing Parts or Damage:** If you find any parts missing or damaged upon arrival, please contact customer support immediately.

For any problems not addressed here, or if you require further assistance, please do not hesitate to contact VECELO customer support.
