

Redmi M2429E1

Redmi Buds 6 User Manual

Model: M2429E1

Brand: Redmi

INTRODUCTION

Welcome to the user manual for your new Redmi Buds 6 TWS earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Hybrid Active Noise Cancellation, Premium Dual-Driver sound, and Spatial Audio. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your device to ensure optimal performance and longevity.

WHAT'S IN THE BOX

- Redmi Buds 6 Earbuds
- Charging Case
- User Manual
- Eartips (various sizes)

Image: Redmi Buds 6 earbuds and charging case.

KEY FEATURES

- **49dB Hybrid Active Noise Cancellation:** Experience a focused audio environment by blocking out ambient noise, ideal for studying, commuting, or working in busy places. The three adjustable levels allow users to customize their noise cancellation based on their surroundings, making it versatile for various environments like cafes or offices.
- **Premium Dual-Driver Sound:** The combination of a 12.4mm dynamic titanium driver and a 5.5mm micro piezoelectric driver delivers rich, high-quality sound with powerful bass and crisp highs. This makes the earbuds perfect for audiophiles who enjoy genres like rock or electronic music, where sound detail and depth are crucial.
- **Quad-Mic with AI ENC for Clear Calls:** The intelligent noise reduction technology ensures crystal-clear communication during calls, even in windy conditions up to 9m/s. This feature is particularly beneficial for professionals who need to take calls outdoors or in noisy environments.
- **Custom + 4 EQ Sound Profiles:** Users can choose from standard, treble, bass, and voice profiles or create a custom EQ for a personalized audio experience. This adaptability is great for listeners who switch between different types of content, such as podcasts and music.

- **42 Hours Total Playtime:** Enjoy extended listening sessions with up to 10 hours of playback on a single charge and an additional 32 hours provided by the charging case.
- **Independent Spatial Audio:** Immerse yourself in a 360-degree surround sound experience.
- **Dual Device Connection:** Seamlessly switch between two connected Bluetooth devices.

Your browser does not support the video tag.

Video: An overview of the Redmi Buds 6, highlighting its 49dB Hybrid Active Noise Cancellation and Premium Dual-Driver sound.

SETUP GUIDE

Initial Pairing

1. Ensure your Redmi Buds 6 are fully charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
4. Select "Redmi Buds 6" from the list of available devices.

5. Once connected, you will hear an audio prompt.

Your browser does not support the video tag.

Video: A detailed guide on how to pair your Redmi Buds 6 with a device.

Ear Tip Fit Test

For optimal sound quality and noise cancellation, ensure a proper fit. Use the Xiaomi Earbuds app to perform an ear tip fit test and select the best size from the included eartips.

OPERATING INSTRUCTIONS

Noise Control Modes (ANC & Transparency)

The Redmi Buds 6 offer versatile noise control options accessible via the Xiaomi Earbuds app:

- **Off:** Disables all noise cancellation and transparency features.
- **Noise Cancellation:** Blocks out ambient noise.
 - *Deep:* Ideal for highly noisy environments like crowded metros or airplanes.
 - *Balanced:* Suitable for moderately noisy environments such as busy streets or gyms.
 - *Light:* Best for quiet environments like libraries or offices.
- **Transparency:** Allows you to hear your surroundings while listening to audio.
 - *Enhance Voice:* Prioritizes human voices, useful for conversations.
 - *Enhance Ambient Sound:* Amplifies all surrounding sounds for increased awareness.

Flow LED Animation

All-new battery indicator design

Image: Redmi Buds 6 49dB Super ANC feature.

Custom Sound Profiles (EQ)

Personalize your audio experience through the Xiaomi Earbuds app:

- **Standard:** Default balanced sound profile.
- **Enhance Treble:** Boosts high frequencies for clearer vocals and instruments.
- **Enhance Bass:** Increases low frequencies for a more powerful bass response.
- **Enhance Voice:** Optimizes audio for spoken content like podcasts or audiobooks.
- **Custom:** Allows you to manually adjust equalizer settings to your preference.

Quad-Mic with AI ENC

Up to 9m/s* call wind noise cancellation

Image: Redmi Buds 6 with 5 Custom Sound Profiles.

Touch Gestures

The earbuds support customizable touch gestures for various functions:

- **Single Tap:** Customizable (e.g., None).
- **Double Tap:** Play/Pause audio.
- **Triple Tap:** Next song.
- **Press and Hold:** Activate Voice Assistant.

These gestures can be customized further within the Xiaomi Earbuds app.

Dual Device Connection

The Redmi Buds 6 can be connected to two Bluetooth devices simultaneously, allowing for seamless switching between them (e.g., a laptop and a smartphone).

Segment First Dual-driver Tech

Unmatched sound quality

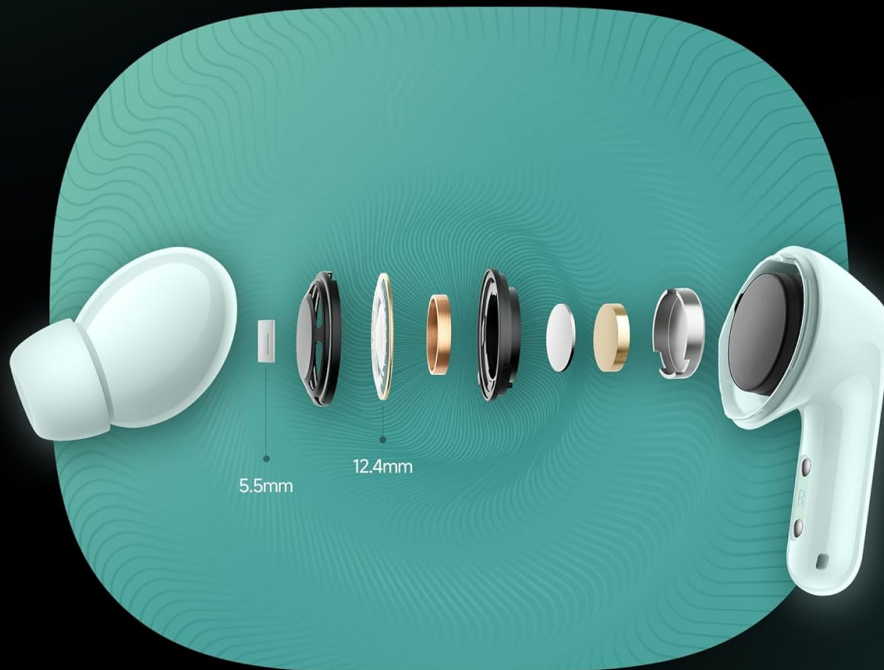

Image: Redmi Buds 6 Dual-device Connection.

In-Ear Detection

The earbuds feature in-ear detection, which automatically pauses audio when an earbud is removed and resumes playback when it's put back in.

Automatic Call Answering

Incoming calls can be set to be answered automatically when you put the earbuds in your ears. Calls received while already wearing the earbuds must be answered manually.

Find My Earphones

If you misplace your earbuds, use the "Find My Earphones" feature in the Xiaomi Earbuds app to play an alarm sound on the earbuds, helping you locate them. Ensure the earbuds are nearby and connected to your device.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh

chemicals or abrasive materials.

- **Charging:** Charge the earbuds and case using the provided USB-C cable. Do not use chargers with voltage higher than recommended.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and conserve battery life.
- **Water Resistance:** The earbuds are water-resistant (IPX4 rated), but not waterproof. Avoid submerging them in water or exposing them to heavy rain.

TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged, open the case to enter pairing mode, and check Bluetooth on your device. Try resetting the earbuds (refer to app or manufacturer website for specific steps).
No sound from one earbud	Check battery level of both earbuds. Re-pair the earbuds with your device. Clean the charging contacts.
Poor sound quality	Ensure proper ear tip fit. Clean earbud mesh. Adjust EQ settings in the app. Check for interference from other devices.
Battery draining quickly	Ensure earbuds are placed correctly in the charging case when not in use. Disable ANC/Transparency if not needed. Reduce volume.
Calls not clear	Ensure Quad-Mic AI ENC is active. Avoid extremely windy environments.

SPECIFICATIONS

Feature	Detail
Model Name	Redmi Buds 6 (M2429E1)
Noise Control	Hybrid Noise Cancellation (49dB)
Connectivity Technology	Wireless (Bluetooth 5.4)
Audio Driver Type	Dual Driver (12.4mm Dynamic Titanium + 5.5mm Micro Piezoelectric)
Battery Life	42 Hours (Total with case)

Feature	Detail
Charging Time	60 Minutes
Microphone	Quad-Mic with AI ENC
