

HMD TA-1606

HMD Pulse Pro Smartphone User Manual

Model: TA-1606 | Brand: HMD

INTRODUCTION

The HMD Pulse Pro is an advanced unlocked smartphone designed for global use, featuring a powerful 50 MP dual rear camera and an equally impressive 50 MP front camera. It runs on Android 14, offers extended battery life, and boasts a repair-at-home design for user convenience. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your device.

The HMD Pulse Pro smartphone in Glacier Green, showcasing its sleek design and dual camera system on the rear, alongside its vibrant display.

Key Features:

- Striking design with refined lines and a cutting-edge aesthetic.
- Equipped with 50 MP rear and 50 MP front cameras for balanced and high-quality photography.
- Innovative selfie gesture function for easier and more dynamic self-portraits.
- Extended battery life providing up to 59 hours of usage on a single charge.

- International version, unlocked for compatibility with various carriers worldwide.

WHAT'S IN THE BOX

Upon unboxing your HMD Pulse Pro, please ensure all the following items are present:

- HMD Pulse Pro Smartphone
- USB Cable
- SIM Tray Ejector Tool
- Quick Start Guide (may be separate or integrated)

SETUP

1. Initial Charging

Before first use, it is recommended to fully charge your HMD Pulse Pro. Connect the provided USB cable to the phone's charging port and the other end to a compatible USB power adapter (not always included) or a computer USB port. The device supports fast charging.

2. Inserting SIM Cards and microSD Card

The HMD Pulse Pro supports dual SIM cards and expandable memory via a microSD card.

1. Locate the SIM tray on the side of your phone.
2. Insert the SIM tray ejector tool into the small hole next to the tray and gently push until the tray pops out.
3. Place your Nano-SIM cards into the designated slots. Ensure the gold contacts are facing down.
4. If using a microSD card for additional storage, place it into its dedicated slot on the tray.
5. Carefully push the tray back into the phone until it clicks into place.

3. Powering On and Initial Configuration

Press and hold the Power button until the HMD logo appears. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, Google account setup, and security settings.

OPERATING INSTRUCTIONS

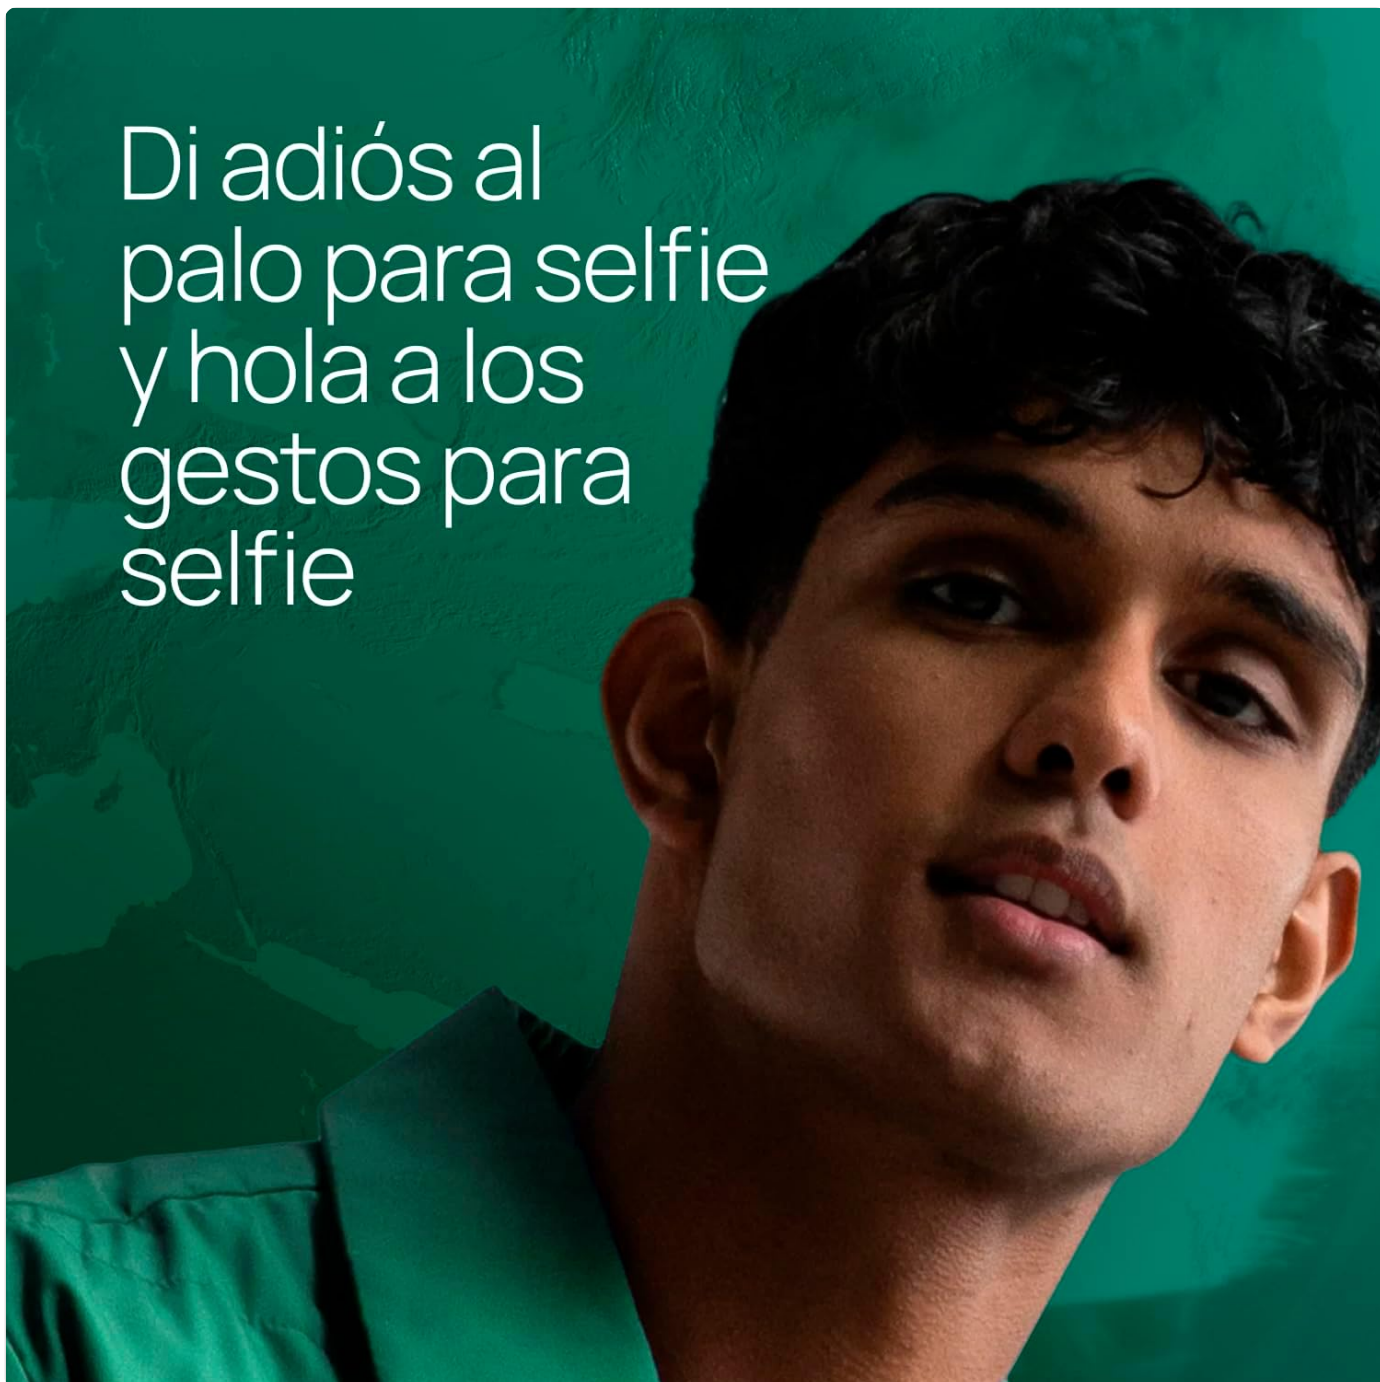

Basic Navigation

- **Touchscreen:** Navigate by tapping, swiping, pinching, and spreading on the 6.65-inch display.
- **Power Button:** Press to wake/sleep the screen. Press and hold to power off or restart.
- **Volume Buttons:** Adjust media volume, call volume, and notification volume.

Camera Usage

The HMD Pulse Pro features a 50 MP dual rear camera and a 50 MP front camera, enhanced with AI capabilities.

Di adiós al
palo para selfie
y hola a los
gestos para
selfie

A user demonstrating the innovative selfie gesture feature of the HMD Pulse Pro, allowing for hands-free photo capture.

Cámara selfie de 50 MP

Potenciada por IA

A close-up view of the HMD Pulse Pro's 50 MP front-facing camera, highlighting its AI-powered capabilities for enhanced selfies.

- **Launching Camera:** Tap the Camera app icon or use a quick gesture (if enabled in settings).
- **Taking Photos:** Tap the shutter button. Use pinch-to-zoom for optical or digital zoom.
- **Selfie Gestures:** Utilize pre-defined hand gestures to trigger the front camera shutter without touching the screen. Refer to the in-app camera settings for available gestures.
- **Modes:** Switch between various modes like Portrait, Night, Panorama, and Video.

Battery Management

The HMD Pulse Pro is equipped with a 5000 mAh battery, offering up to 59 hours of usage.

Two HMD Pulse Pro smartphones standing upright, with text emphasizing the impressive battery life of up to 59 hours.

- **Charging:** Use the provided USB cable. A full charge takes approximately 2.5 hours.
- **Battery Saver:** Enable Battery Saver mode in Settings > Battery to extend usage time.
- **Optimizing Usage:** Reduce screen brightness, disable unused connectivity (Bluetooth, Wi-Fi, GPS), and close background apps to conserve battery.

MAINTENANCE

Cleaning Your Device

To keep your HMD Pulse Pro in optimal condition:

- Use a soft, lint-free cloth to wipe the screen and body.
- Avoid using harsh chemicals, abrasive cleaners, or aerosol sprays.
- The device is water resistant; however, avoid submerging it in water.

Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Go to Settings > System > System update.

Storage Management

With 256 GB of internal storage, you have ample space. However, regularly manage your files and apps to maintain performance. You can also expand storage using a microSD card.

TROUBLESHOOTING

This section addresses common issues you might encounter with your HMD Pulse Pro.

Problem	Possible Solution
Device won't turn on	Ensure the battery is charged. Connect to a charger for at least 30 minutes. Try holding the Power button for 10-15 seconds.
Apps are crashing or freezing	Clear the app's cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the phone. Update the app or the phone's software.
Poor battery life	Check background app usage (Settings > Battery). Reduce screen brightness. Disable unused connectivity features (Wi-Fi, Bluetooth, GPS, NFC). Enable Battery Saver mode.
Cannot connect to Wi-Fi/Bluetooth	Toggle Wi-Fi/Bluetooth off and on. Restart your phone and the router/device. Forget the network/device and reconnect.
SIM card not detected	Ensure the SIM card is correctly inserted in the tray. Restart the phone. Check with your carrier for network issues.

Factory Reset

If persistent issues occur, a factory reset may be necessary.**Warning: This will erase all data on your phone. Back up important data before proceeding.**

1. Go to Settings > System > Reset options.
2. Select "Erase all data (factory reset)".
3. Confirm your decision and enter your PIN/pattern/password if prompted.
4. The phone will restart and begin the reset process.

SPECIFICATIONS

Detailed technical specifications for the HMD Pulse Pro smartphone:

Construcción

Diseño estilizado

WARRANTY AND SUPPORT

Manufacturer Warranty

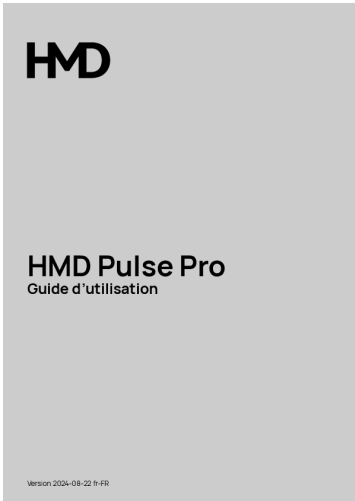

Your HMD Pulse Pro smartphone is covered by a manufacturer's warranty against defects in materials and workmanship. The specific terms and duration of the warranty may vary by region. Please refer to the warranty card included with your product or visit the official HMD website for detailed warranty information.

Customer Support

For technical assistance, troubleshooting beyond this manual, or warranty claims, please contact HMD customer support. You can typically find contact information (phone numbers, email, support portals) on the official HMD website or through the support section of your device's settings.

Online Resources: For the latest FAQs, software downloads, and support articles, visit the official HMD support page. (Specific URL not provided in input, so a generic statement is used).
