Hasuit VDND01

Hasuit White Vanity Desk User Manual

Model: VDND01

INTRODUCTION

Thank you for choosing the Hasuit White Vanity Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your product. Please read this manual thoroughly before assembly and use.

The Hasuit White Vanity Desk is designed to provide a comprehensive and stylish solution for your beauty and storage needs. It features a large LED-lighted mirror, ample storage with multiple drawers and a glass cabinet, and a convenient charging station.

IMPORTANT SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure proper assembly following the provided instructions.
- Keep electrical components away from water or damp environments.
- Do not exceed the weight limits for drawers and shelves.
- Place the vanity on a stable, level surface to prevent tipping.
- Keep small parts and packaging materials away from children to prevent choking hazards.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list for detailed identification.

SETUP AND ASSEMBLY

Assembly is required for this vanity desk. It is recommended to have two people for assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product. All parts are individually packed and marked for easy identification.

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware according to their labels.
2. **Frame Assembly:** Begin by assembling the main frame of the vanity desk, ensuring all connections are secure.
3. **Drawer Installation:** Install the 7 storage drawers using the provided high-quality 3-section metal slides. Ensure smooth operation.
4. **Cabinet and Shelving:** Attach the RGB glass cabinet and open storage shelves. The glass cabinet features adjustable shelves and metal hooks for jewelry.
5. **Mirror and Lighting:** Securely mount the LED-lighted mirror. Connect the power for the mirror and RGB cabinet lights.

6. **Charging Station:** Ensure the charging station with 2 standard plug sockets and 2 USB ports is properly integrated and accessible.

OPERATING INSTRUCTIONS

LED Lighted Mirror Operation

Vanity with Large LED Mirror

3 Lighting Modes

Cool Daylight

Neutral Light

Warm Light

Touch Control to Adjust the Modes and Brightness

Touch Control

Image: Close-up of the vanity mirror demonstrating the three lighting modes and touch control.

The high-definition LED mirror features adjustable lighting for various needs:

- **Power On/Off:** Tap the touch sensor on the mirror to turn the lights on or off.
- **Color Mode Adjustment:** Short press the touch sensor to cycle through 3 color modes: Warm Yellow, Warm White, and Cool White.
- **Brightness Adjustment:** Long press the touch sensor to adjust the brightness level for the selected color mode.

RGB Glass Cabinet Lighting

RGB Glass Door Cabinet

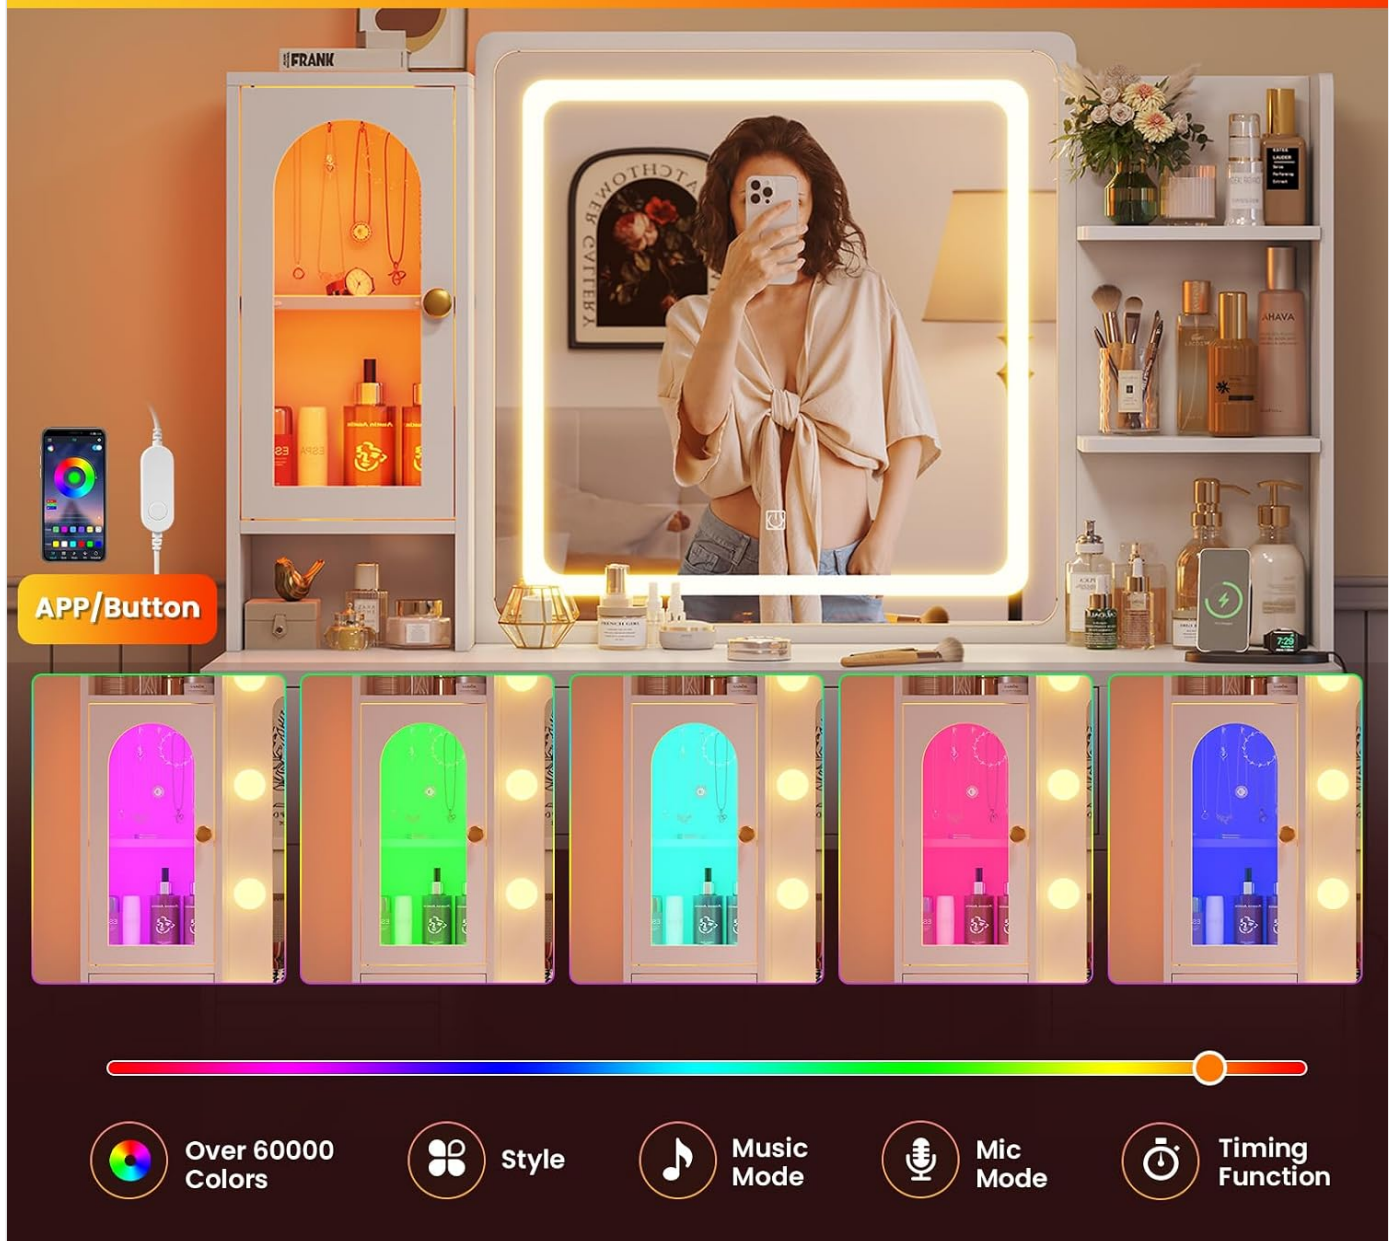

Image: The RGB glass cabinet displaying different color lighting options, controlled via app or button.

The glass cabinet is equipped with an RGB lighting system, offering over 60,000 colors and various lighting modes, including music synchronization. Control can be done via a dedicated APP or a physical switch.

- **APP Control:** Download the specified mobile application (refer to the separate RGB lighting manual for details) to access full control over colors, styles, music mode, mic mode, and timing functions.
- **Switch Control:** Use the physical switch on the cabinet to cycle through basic color options and turn the lights on/off.

Charging Station Usage

Vanity Side with Charging Station >>>

Convenient for charging and free up your desktop

125V/12A
2AC Outlets

5V/2A
2 USB Ports

ON/OFF
Switch Button

Image: Close-up of the integrated charging station, showing 2 AC outlets and 2 USB ports.

The integrated charging station provides convenient power access:

- **AC Outlets:** Two 125V/12A standard plug sockets are available for hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are provided for charging mobile phones, tablets, or other electronic devices.
- **Safety Switch:** An ON/OFF safety switch controls power to the charging station. Ensure it is in the "ON" position for use.

Storage Features

Friendly Details

Full Extension Metal Slides

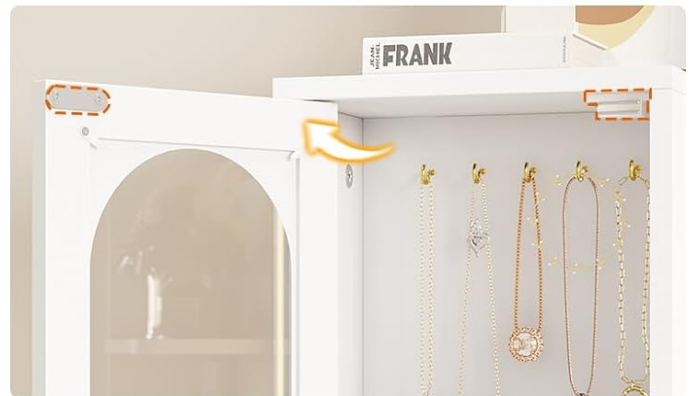

Convenient for you to take and store items

<<<

Magnetic Cabinet Door

Smooth operation, eliminating annoying door slamming sound

>>>

Luxurious Gold Handles

Exquisite style is more suitable for your cosmetics

>>>

The vanity desk offers extensive storage solutions:

- **7 Storage Drawers:** Utilize the various sized drawers for organizing cosmetics, accessories, and personal items. The drawers feature full extension metal slides for smooth operation and complete access.
- **Movable Drawer Storage Dividers:** The main drawer includes movable dividers to customize storage compartments for smaller items like jewelry or makeup.
- **RGB Glass Cabinet:** Store skincare products, perfumes, and delicate jewelry using the adjustable shelves and 5 metal hooks. The magnetic cabinet door ensures secure closure.
- **Open Storage Shelves:** Conveniently place frequently used items on the open shelves for easy access.
- **Extended Desktop Use Area:** The extended desktop provides additional space for makeup application or temporary placement of items.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Hasuit Vanity Desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the electrical components.
- **Drawer Slides:** Periodically check and, if necessary, lightly lubricate the metal drawer slides to ensure smooth operation.
- **Electrical Components:** Ensure all electrical connections are secure. If any damage is observed, discontinue use and contact customer support.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration of the finish.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Power cable disconnected; Touch sensor malfunction; Power outage.	Check power connection; Ensure safety switch is ON; Contact customer support if issue persists.
Drawers Stick or Don't Close Smoothly	Improper installation of slides; Obstruction in drawer; Overloaded drawer.	Re-check slide alignment during assembly; Remove obstructions; Reduce drawer contents.
RGB Cabinet Lights Malfunctioning	Loose connection; APP connectivity issue; Faulty LED strip.	Check power connection; Restart APP/device; Contact customer support.
Charging Station Not Providing Power	Safety switch OFF; Power cable disconnected; Overload protection triggered.	Turn safety switch ON; Check power connection; Unplug devices and reset switch.

If you encounter problems not listed here or if solutions do not resolve the issue, please contact Hasuit customer support for assistance.
