# 1Mii AI Y8+ Noise Cancelling Headphones

## USER MANUAL

Model: Y8+ | Brand: 1Mii

### Introduction

The 1Mii AI Y8+ Noise Cancelling Headphones are designed to provide an immersive audio experience with advanced features. These over-ear wireless headphones incorporate LDAC Hi-Res Audio technology, hybrid Active Noise Cancellation (ANC), and AI-powered functionalities including voice chat and real-time translation. With an extended battery life and comfortable design, they are suitable for various environments, from travel to home use.

## Setup

### 1. Charging the Headphones

Before first use, fully charge the headphones. Connect the supplied USB-C charging cable to the headphone's USB-C port and a power source (e.g., USB wall adapter, computer USB port). The LED indicator will show charging status and turn off or change color when fully charged.

### 2. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the **Power Button** for approximately 5 seconds until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "1Mii Y8+" from the list of found devices.
5. Once connected, the LED indicator will turn solid blue or flash blue slowly.

### 3. Wired Connection

For a wired connection, plug one end of the 3.5mm audio cable into the headphone's 3.5mm audio jack and the other end into your audio source. The headphones can be used in wired mode even if the battery is depleted, though some features like ANC may require battery power.

# DUAL-USE RELIABILITY

Seamlessly switch between Bluetooth and a 3.5mm aux jack, compatible with phones, tablets, and laptops.

Wireless

## Operating Instructions

### 1. Power On/Off

- **Power On:** Press and hold the **Power Button** for 3 seconds. The LED indicator will light up.
- **Power Off:** Press and hold the **Power Button** for 3 seconds. The LED indicator will turn off.

### 2. Active Noise Cancellation (ANC) and Transparency Mode

- Press the **ANC Button** once to cycle through modes: *Noise Cancelling* → *Normal* → *Transparency*.
- Hold the **ANC Button** for 2 seconds to directly toggle between *Noise Cancelling* and *Transparency* modes.

# UP TO 90% NOISE REDUCTION

Hybrid active noise canceling helps reduce 90% ambient noise, letting you indulge in pure music.

*Image: A visual representation of the headphones reducing ambient noise by up to 90%.*

## 3. Music Playback Controls

- **Play/Pause:** Press the **Multi-function Button** once.
- **Volume Up:** Press the **+** **Button** once.
- **Volume Down:** Press the **-** **Button** once.
- **Next Track:** Press and hold the **+** **Button** for 1 second.
- **Previous Track:** Press and hold the **-** **Button** for 1 second.

## 4. Call Management

- **Answer/End Call:** Press the **Multi-function Button** once.
- **Reject Call:** Press and hold the **Multi-function Button** for 2 seconds.
- **Activate Voice Assistant:** Press the **Multi-function Button** twice.

## 5. AI Features

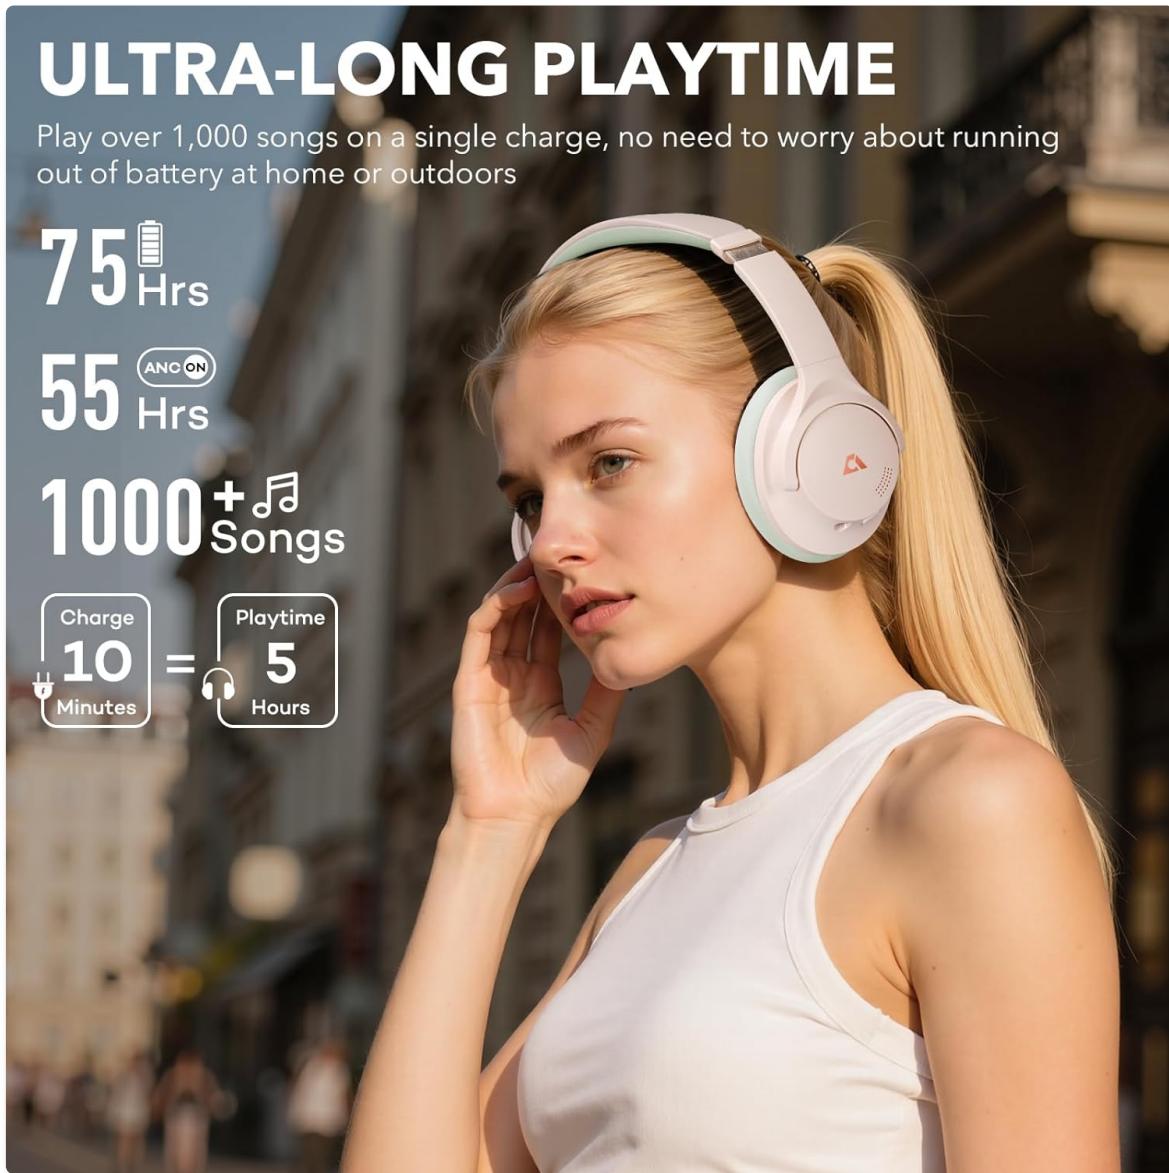

The 1Mii Y8+ headphones integrate AI for enhanced communication and learning:

- **AI Voice Chat:** Engage in hands-free voice conversations.
- **English Practice:** Utilize for contextual learning and improving English speaking skills.
- **Real-time Translation:** Supports translation across 103 languages.

## Battery Information

The 1Mii Y8+ headphones offer extended battery performance:

- **Continuous Playback:** Up to 100 hours (with ANC off at 50% volume; varies with usage).
- **Quick Charge:** A 10-minute charge provides approximately 5 additional hours of playback.
- **Charging Time:** Approximately 3.5 hours for a full charge.

*Image: Visualizing the long battery life and quick charge capability of the headphones.*

## Comfort and Portability

The headphones are designed for comfort during extended wear and ease of transport:

- **Comfort Fit:** Plush memory foam cushions and an adjustable headband ensure a personalized,

pressure-free fit.

- **Portability:** The sleek, foldable design allows for easy storage in the protective case and convenient carrying for daily commutes or travel.

## DESIGNED FOR COMFORT & PORTABILITY

Lightweight and foldable, perfect for bag carrying and travel.

*Image: Headphones being folded for compact storage, highlighting their portable design.*

## Maintenance

To ensure the longevity and optimal performance of your 1Mii AI Y8+ headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. Do not use liquid cleaners or solvents.
- **Storage:** When not in use, store the headphones in their protective case to prevent dust accumulation and damage. Avoid storing in extreme temperatures or high humidity.
- **Cable Care:** Handle the charging and audio cables gently. Avoid sharp bends or excessive pulling.

## Troubleshooting

If you encounter issues with your headphones, refer to the following common solutions:

Problem	Possible Solution
Headphones do not power on	Ensure the headphones are charged. Connect to a power source using the USB-C cable.
Cannot pair via Bluetooth	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Forget previous pairings and try again.
No sound in wireless mode	Check if headphones are connected to your device. Adjust volume on both headphones and device. Ensure media is playing.
ANC not working effectively	Ensure ANC mode is activated. Check for proper fit of earcups over your ears to create a seal.
Sound quality issues (LDAC)	Ensure your connected device supports LDAC technology for optimal Hi-Res Audio. Check app EQ settings.

## Specifications

**Model Name:**

Y8+

**Noise Control:**

Active Noise Cancellation

**Frequency Response:**

40 KHz

**Sensitivity:**

105 dB

**Headphones Jack:**

3.5 mm Jack

**Connectivity Technology:**

Wireless (Bluetooth 6.0)

**Wireless Communication Technology:**

Bluetooth

**Material:**

Faux Leather, Memory Foam, Metal, Plastic

**Charging Time:**

3.5 Hours

**Battery Life:**

75 Hours (up to 100 hours with ANC off at 50% volume)

**Audio Driver Type:**

Dynamic Driver

**Audio Driver Size:**

40 Millimeters

**Bluetooth Range:**

32.8 Feet (10 meters)

**Bluetooth Version:**

6.0

**Audio Latency:**

200 Milliseconds

**Item Weight:**

268 Grams (9.5 ounces)

**Product Dimensions:**

7.87 x 6.42 x 3.31 inches

**Water Resistance Level:**

Not Water Resistant

**Special Features:**

Android Phone Control, Foldable, Noise Cancellation, Volume Control, iOS Phone Control, AI Translation, Voice Chat, Custom EQ via App

## Warranty and Support

1Mii products come with a standard manufacturer's warranty. For detailed warranty information, product support, or technical assistance, please refer to the warranty card included in your product packaging or visit the official 1Mii website. You may also contact 1Mii customer service directly through their website or the contact information provided in the packaging.
