2. SAFETY INFORMATION

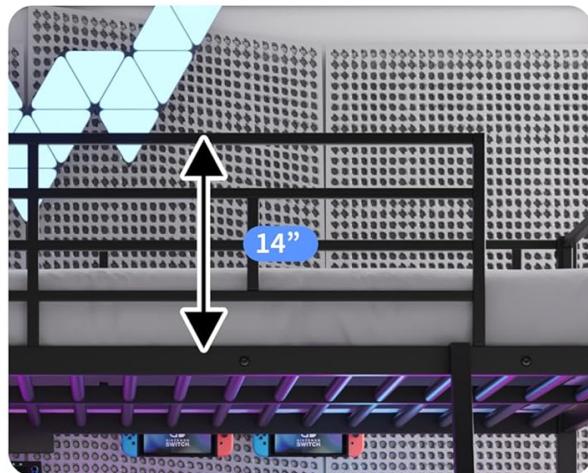

Your safety is paramount. Please adhere to the following safety guidelines:

- Always use the guardrails when on the upper bed to prevent accidental falls.
- Be cautious when using the ladder to prevent falls. Ensure the ladder is securely attached before climbing.
- Do not allow children under 6 years of age on the upper bunk.
- Ensure all connections are tight before use. Periodically check and re-tighten as necessary.
- Do not use substitute parts. Contact Polibi for replacement parts.

Safety Guaranteed

14" Safety Guardrail

Full-length guardrails on the upper bed prevent accidental falls.

4-step Ladder

The ladder tightly attaches to the bed for easy access and wobble-free footing.

4. SETUP AND ASSEMBLY

Assembly of your Polibi Loft Bed is designed to be straightforward. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure all parts are present before beginning.

4.1. Pre-Assembly Checklist

- Verify all hardware and components are accounted for against the parts list in your assembly manual.
- Clear a spacious area for assembly to prevent damage to parts or flooring.
- Have necessary tools ready (usually an Allen wrench is included, but a screwdriver might be needed).

4.2. Assembly Steps (General Guidance)

1. Begin by assembling the main bed frame components.
2. Attach the desk and storage shelves according to the diagrams.

3. Install the ladder and ensure it is securely fastened.
4. Connect the LED light strip and power supply.
5. Once assembled, double-check all bolts and screws are tightened.

5. OPERATING INSTRUCTIONS (LED LIGHTS)

The integrated LED light strip enhances the functionality and ambiance of your loft bed. Follow these steps to operate the LED lights:

5.1. Powering On/Off

- Ensure the LED light strip is properly connected to its power adapter and plugged into a wall outlet.
- Use the provided remote control to turn the lights On or Off.

5.2. Changing Colors and Modes

- The remote control allows you to cycle through 7 different colors. Press the corresponding color buttons on the remote.
- Explore various modes such as Music Mode (lights react to sound) and Timing Function (for setting a timer for the lights to turn off). Refer to the remote control's specific button functions.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your loft bed:

- **Cleaning:** Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as needed to maintain stability and safety.
- **LED Care:** Keep the LED strip and remote control dry. If the LED strip becomes dirty, gently wipe it with a dry,

soft cloth.

7. TROUBLESHOOTING

If you encounter any issues with your Polibi Loft Bed, refer to the following common problems and solutions:

- **Bed Wobbles:** Ensure all assembly bolts are securely tightened. Check that the bed is placed on a level surface.
- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into both the LED strip and the wall outlet.
 - Ensure the wall outlet is functional.
 - Verify the remote control has working batteries and is pointed directly at the LED receiver.
- **Missing Parts:** If any parts are missing upon delivery, contact Polibi customer support immediately with your purchase details.

For issues not covered here, please contact Polibi customer support.
