Leforele P90

Leforele Mini Wireless CarPlay & Android Auto Adapter

Model: P90 | Brand: Leforele

1. INTRODUCTION

The Leforele Mini Wireless CarPlay & Android Auto Adapter is a 2-in-1 device designed to convert your vehicle's existing wired CarPlay or Android Auto system into a wireless experience. This adapter facilitates seamless connectivity for both Apple iPhones (iOS 10+) and Android phones (Android 11+) in compatible vehicles manufactured from 2015 onwards. It integrates a 5.8 GHz WiFi and Bluetooth 5.3 module for fast and stable connections, allowing access to navigation, music, voice assistants, and calls without physical cables.

2. SAFETY INFORMATION

Avoid using the adapter near other wireless devices to prevent interference. Keep the USB connector dry and away from extreme temperatures.

3. PACKAGE CONTENTS

Please verify that all items are present in the package:

- 1 x Lemorele 2-in-1 Wireless Adapter

- 1 x USB-A to USB-C Adapter
- 1 x User Manual

Package Contents

5. COMPATIBILITY

The Leforele 2-in-1 Wireless Adapter is compatible with:

- **Vehicles:** Approximately 98% of 2015+ cars equipped with factory-wired CarPlay and Android Auto.
- **Mobile Phones:** Apple iPhones running iOS 10 or higher, and Android phones running Android 11.0 or higher.

To confirm compatibility with your specific vehicle model, please refer to the manufacturer's documentation or contact Leforele support.

6. SETUP GUIDE

Follow these steps for the initial setup of your Lemoirele wireless adapter:

1. **Connect the Adapter:** Plug the wireless adapter into your car's native USB-A or USB-C port. Use the provided USB-A to USB-C adapter if your car only has a USB-C port. Ensure the port supports wired CarPlay or Android Auto.
2. **Power On and Indicator:** Once plugged in, the adapter will power on. Observe the LED indicator for its status (e.g., Cyan for power on).
3. **Bluetooth Pairing:** On your mobile phone, enable Bluetooth and search for available devices. Find the Bluetooth name typically labeled as "wireless dongle-xxxx" (where xxxx is a unique identifier). Select it to pair.
4. **Confirm Connection:** After successful Bluetooth pairing, a prompt may appear on your phone or car display asking to "Use CarPlay" or "Use Android Auto." Confirm this selection.
5. **Initial Connection Complete:** The adapter will now establish a wireless connection to your car's infotainment system. The LED indicator will change (e.g., Green for CarPlay, Blue for Android Auto).

Note: After the initial connection, no further manual pairing is required for subsequent use. The adapter will automatically connect when you start your car.

Image 6.1: The adapter supports both USB-A and USB-C connections, with a USB-C adapter included for versatility.

Image 6.2: Step-by-step instructions for pairing the adapter with your mobile phone via Bluetooth.

7. OPERATING INSTRUCTIONS

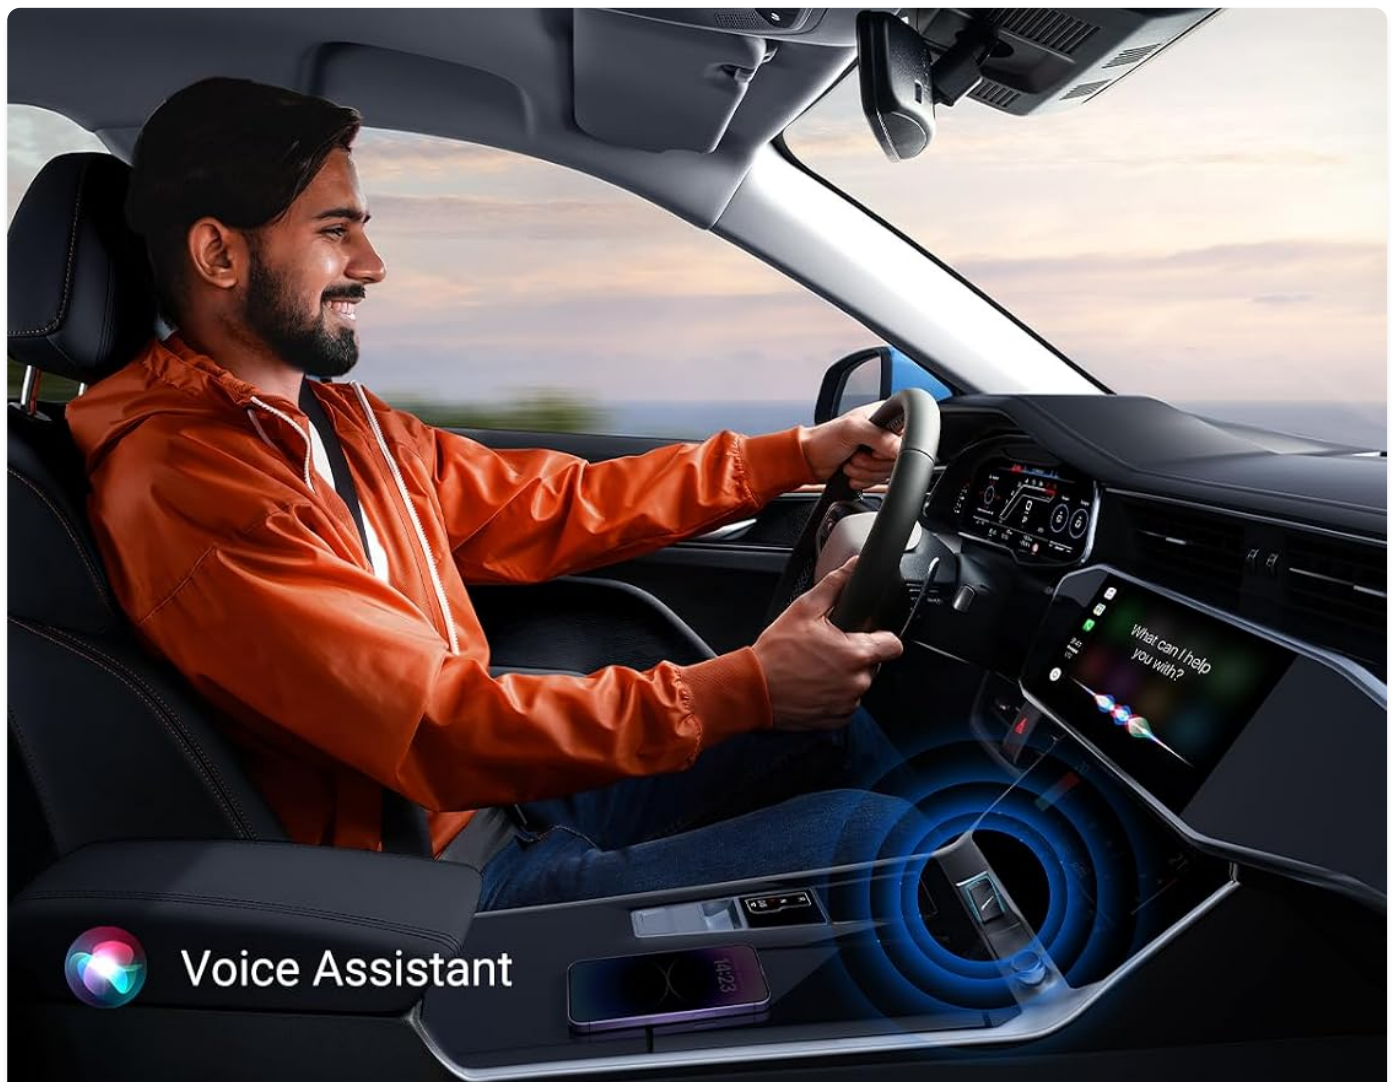

Once set up, the Lemoirele adapter provides a seamless wireless experience:

- **Automatic Connection:** The adapter is designed for smart connection. After the initial pairing, it will automatically connect to your mobile phone when you start your car's engine, eliminating the need for repeated manual connections.
- **Access Features:** Enjoy full functionality of CarPlay or Android Auto, including navigation, music playback, hands-free calling, and messaging, all displayed on your car's infotainment screen.
- **Control Methods:** The adapter supports various control methods, including your car's original touch screen, steering wheel controls, and OEM knob operations. Voice control via Siri or Google Assistant is also fully supported.

- **Stable Connectivity:** The built-in 5.8 GHz WiFi and Bluetooth 5.3 modules ensure a stable and reliable connection, even when your phone is not directly visible or in challenging environments.

8. MAINTENANCE

To ensure optimal performance and compatibility, it is recommended to keep your adapter's firmware updated.

Firmware Update Procedure:

1. Connect the wireless adapter to a power supply (e.g., your car's USB port or a USB power adapter).
2. Connect your mobile phone to the adapter's Wi-Fi network. The Wi-Fi network name will typically be related to the adapter (e.g., "Wireless Dongle-xxxx"). Use the password **12345678** to connect.
3. Open a web browser on your phone and enter the URL: **192.168.1.101**.
4. On the webpage, you will find options to view and download the latest software updates. Select the corresponding update package and proceed with the upgrade.
5. Wait for the update process to complete. Do not disconnect the power or the Wi-Fi connection during the update.

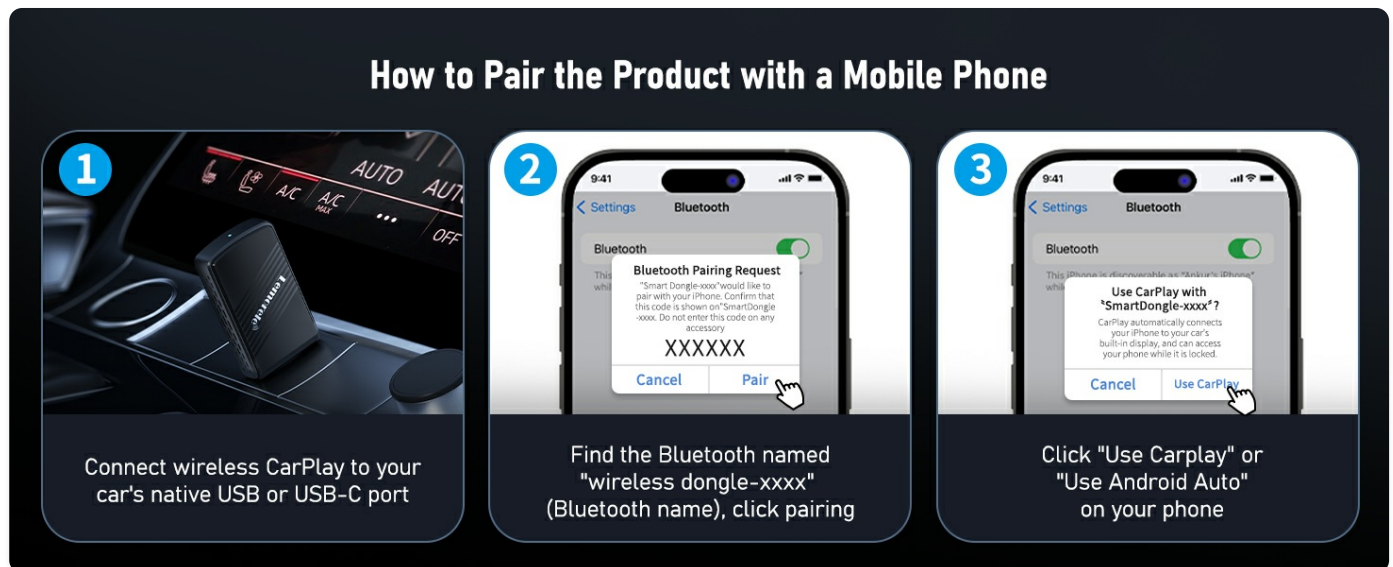

Image 8.1: Instructions for performing an online firmware upgrade to ensure your adapter has the latest features and compatibility.

9. TROUBLESHOOTING

If you encounter issues with your Lemoirele wireless adapter, please refer to the following common troubleshooting steps:

• No Connection/Intermittent Connection:

- Ensure your car's wired CarPlay/Android Auto system is functional with a cable first.
- Verify that your phone's Bluetooth and Wi-Fi are enabled.
- Try restarting your car's infotainment system and your phone.
- Unplug the adapter, wait 10 seconds, and plug it back in.
- Check for firmware updates (refer to Section 8).
- Ensure no other wireless devices are causing interference nearby.

• Slow Performance/Lag:

- Ensure your phone meets the minimum OS requirements (iOS 10+ or Android 11+).
- Close unnecessary applications on your phone.
- Check for firmware updates.

- **Audio Quality Issues:**

- Ensure your car's audio system is properly configured.
- Check for firmware updates.
- If possible, test with a different phone to rule out phone-specific issues.

- **Compatibility Issues:**

- Confirm your vehicle is a 2015+ model with factory-wired CarPlay/Android Auto.
- Verify your phone's operating system version.
- Contact Leforele customer support for specific compatibility checks or advanced troubleshooting.

10. WARRANTY AND SUPPORT

Leforele offers a one-year product warranty for this device. During this period, you may request unconditional return and exchange if the product experiences manufacturing defects or malfunctions not caused by misuse.

For any inquiries, technical assistance, or warranty claims, please contact Leforele's customer service. They provide 24-hour online human customer service to address your concerns.

Contact information can typically be found on the official Leforele website or through your purchase platform.
