# Gitelsnour GCT004SW 43.3-inch Cat Tree Tower Instruction Manual

Model: GCT004SW | Brand: Gitelsnour

## INTRODUCTION

Thank you for choosing the Gitelsnour GCT004SW 43.3-inch Cat Tree Tower. This multi-level cat tree is designed to provide a comfortable and engaging environment for your indoor cats and kittens. It features sturdy construction with steel tubes, multiple platforms, a cozy cat condo, a soft hammock, a comfortable basket, and sisal scratching posts to satisfy your cat's natural instincts. Please read this manual carefully before assembly and use to ensure proper setup and safe operation.

## SAFETY INFORMATION

- This cat tree is primarily designed for kittens and small cats. For larger cats, please consider the product dimensions carefully.
- Always ensure all components are securely fastened during assembly and periodically check for loose parts.
- Utilize the included anti-tip strap to secure the cat tree to a wall, preventing accidental tipping, especially if you have active cats or multiple pets.
- Place the cat tree on a flat, stable surface.
- Keep children away from the cat tree during assembly.
- Do not allow children to climb on the cat tree.

## ASSEMBLY INSTRUCTIONS

---

Assembly of the Gitelsnour GCT004SW Cat Tree Tower is designed to be straightforward. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Follow Diagram:** Refer to the detailed assembly diagram provided in the included paper manual. Each part is typically labeled for easy identification.
3. **Secure Connections:** Attach the scratching posts and steel tubes to the base plate and subsequent platforms using the provided screws and Allen wrench. Ensure all connections are tightened securely.
4. **Install Platforms and Condo:** Mount the various platforms, the cat condo, hammock, and basket according to the diagram.
5. **Attach Accessories:** Secure the hanging pompom toy and sisal rope.
6. **Install Anti-Tip Strap:** For enhanced stability, attach the anti-tip strap to the top of the cat tree and secure it to a wall stud using appropriate hardware (not always included for wall attachment, depending on wall type).

## MAINTENANCE

- **Cleaning:** The plush fabric components can be hand washed or machine washed. For spot cleaning, use a mild detergent and damp cloth. Allow to air dry completely.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten any loose parts to maintain stability.
- **Sisal Post Care:** The sisal scratching posts are designed to withstand scratching. If they become heavily worn, consider replacing them or rotating the tree to expose less-used areas.
- **General Care:** Keep the cat tree in a dry environment. Avoid exposure to direct sunlight for prolonged periods to prevent fading.

## TROUBLESHOOTING

- **Tree feels unstable:** Ensure all screws are tightened. Verify the anti-tip strap is securely fastened to a wall stud. Place the tree on a level surface.
- **Cats are not using the tree:** Try placing catnip on the scratching posts or platforms. Position the

tree near a window or in a favorite resting spot. Encourage interaction with the hanging toys.

- **Damaged or missing parts:** If you encounter any damaged or missing components upon arrival or during assembly, please contact Gitelsnour customer support for assistance.
