Merax 55.9" Hall Tree with 2 Large Drawers - Instruction Manual

Model: B0DNFCPSMD

1. INTRODUCTION

Thank you for choosing the Merax 55.9" Hall Tree with 2 Large Drawers. This multifunctional furniture piece is designed to enhance your entryway, mudroom, or hallway with its integrated seating, storage, and hanging capabilities. This manual provides essential information for safe assembly, proper usage, and effective maintenance to ensure the longevity and optimal performance of your hall tree.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not overload the furniture beyond its specified weight capacity. The overall weight capacity is 396 lbs, the bench capacity is 220 lbs, each drawer capacity is 33 lbs, and each hook capacity is 11 lbs.
- **Assembly:** Always assemble according to the provided instructions to prevent tip-over risks. Ensure all fasteners are securely tightened.
- **Anti-Tipping Device:** This product is equipped with an anti-tipping device. It is crucial to securely anchor the hall tree to the wall using this device to prevent accidental tipping, especially in households with children or pets.
- **Heat Sources:** Keep the furniture away from direct heat sources, such as radiators or fireplaces, to prevent material damage or discoloration.
- **Children Safety:** Keep small children away from the hooks to prevent injury. Supervise children around the furniture.
- **Placement:** Place the hall tree on a flat, stable surface to ensure stability.

3. PRODUCT FEATURES

The Merax Hall Tree is designed with versatility and functionality in mind, offering a comprehensive solution for entryway organization.

- **Multifunctional 4-in-1 Design:** This unit integrates a seating bench, two large storage drawers, six hanging hooks, and four open storage compartments, providing diverse storage options.
- **Convenient Seating Bench:** A spacious wooden bench offers a comfortable spot for changing shoes or taking a brief rest.
- **Ample Storage:** Two large bottom drawers provide concealed storage for various items, while the upper open shelves are ideal for displaying decor or storing frequently used accessories.
- **Sturdy Hooks:** Six uniquely shaped black aluminum hooks are provided for hanging coats, hats, bags, and scarves.
- **Durable Construction:** Constructed from high-quality MDF and particleboard, ensuring stability and durability for daily use. The main structure features a black finish, complemented by a wood-finished bench.
- **Elegant Appearance:** Features an elegantly curved top design, adding a touch of farmhouse style to your home decor.

5. SETUP AND ASSEMBLY

Assembly of the Merax Hall Tree typically requires two adults. Please ensure you have all components and tools before beginning. Refer to the separate assembly guide included in your product packaging for detailed, step-by-step instructions.

Key Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify against the parts list in your assembly guide to ensure nothing is missing.
2. **Assemble Base Structure:** Follow the instructions to assemble the main frame, including the bench and side panels.
3. **Install Drawers:** Assemble the two large drawers and install them into their designated slots. Ensure drawer slides operate smoothly.
4. **Attach Top Section:** Secure the upper storage compartments and back panels to the main structure.
5. **Install Hooks:** Attach the six hanging hooks to the back panels as indicated in the guide.
6. **Install Anti-Tipping Device:** This is a critical safety step. Securely attach the anti-tipping device to the back of the hall tree and then to a wall stud using appropriate hardware. This prevents the unit from accidentally tipping over.

Note: Always use the provided hardware and tools as specified in the assembly guide. Do not overtighten screws to avoid damaging the material.

High-quality materials

Constructed of sturdy MDF and particleboard, this hall tree is designed to endure daily wear and tear.

Anti-Tipping Kit

Anti-tipping Device

This product is equipped with an anti-tipping device, allowing the entryway cabinet to be securely anchored to the wall.

6. OPERATING AND USAGE

The Merax Hall Tree is designed for convenient and organized storage in your entryway or similar spaces.

- **Seating Bench:** Use the sturdy bench for sitting while putting on or taking off shoes. Ensure the weight limit of 220 lbs is not exceeded.
- **Hanging Hooks:** Utilize the six hooks for hanging coats, jackets, hats, scarves, umbrellas, or bags. Distribute weight evenly and do not exceed 11 lbs per hook.
- **Storage Drawers:** The two large drawers are ideal for storing items you wish to keep out of sight, such as gloves, keys, pet leashes, or shoe care products. Do not exceed 33 lbs per drawer.
- **Open Shelves:** The four upper open compartments can be used for decorative items, small baskets, books, or other frequently accessed items.

- **Placement:** Position the hall tree in an area where it does not obstruct pathways and is securely anchored to the wall.

Example of the Merax Hall Tree in use within an entryway setting.

7. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your hall tree.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish. Dry immediately with a clean cloth.
- **Spills:** Clean up spills immediately to prevent staining or water damage, especially on the wood-finished bench.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.

8. TROUBLESHOOTING

If you encounter any issues with your Merax Hall Tree, consider the following common solutions:

- **Wobbly Unit:** Ensure the hall tree is placed on a level surface. Check all assembly screws and tighten any that are loose. Verify the anti-tipping device is securely installed.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer slides. Ensure the drawers are assembled correctly and the slides are properly aligned. Lubricate metal slides with a silicone-based lubricant if needed.
- **Damaged Parts:** If any part arrives damaged or breaks during normal use, do not attempt to repair it with incompatible parts. Contact customer support for assistance.
- **Missing Hardware:** If you find any hardware missing during assembly, refer to your assembly guide's parts list and contact customer support for replacements.

9. WARRANTY AND SUPPORT

Merax is committed to providing high-quality products. For any quality issues or concerns, please contact our customer service team. We stand by our products and strive to offer satisfying services.

- **Customer Service:** Refer to your purchase documentation or the Merax official website for contact information.
- **Proof of Purchase:** Please retain your proof of purchase for any warranty claims or support inquiries.
