MAHANCRIS BAHR6001

MAHANCRIS Bar Stools Instruction Manual

Model: BAHR6001

Introduction

Thank you for choosing MAHANCRIS Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

Safety Information

To ensure safe use of your bar stools, please observe the following guidelines:

- **Maximum Weight Recommendation:** Do not exceed a total weight of 99.8 kg (220 lbs) per stool.
- Always follow the assembly instructions carefully to ensure the stool's stability and safety.
- Keep the stool on a flat, stable surface to prevent tipping.
- Periodically check all screws and connections to ensure they remain tight.

Package Contents

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 2 x Bar Stool components

- 1 x Accessory Kit (includes screws, washers, Allen wrench)
- 1 x Instructions Manual

Setup and Assembly Instructions

Assembly is designed to be straightforward. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Backrest to Seat:** Align the backrest frame with the pre-drilled holes on the underside of the seat. Secure it using the provided screws from the accessory kit. Do not fully tighten yet.
3. **Assemble Leg Frame:** Connect the four leg pieces using the crossbars and footrest bars. Ensure all connections are aligned.

4. **Attach Seat to Leg Frame:** Place the assembled seat onto the leg frame, aligning the mounting points. Secure with the remaining screws.
5. **Tighten All Screws:** Once all components are loosely assembled, gradually tighten all screws using the Allen wrench until secure. Do not overtighten.
6. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of each leg. Adjust them as needed to ensure the stool is stable and level.

Operating Instructions

Your MAHANCRIS Bar Stools are designed for comfortable and stable seating. Here are key features and how to use them:

- **Ergonomic Backrest:** The curved backrest provides lumbar support, enhancing comfort during extended sitting.
- **Footrest:** Utilize the integrated footrest to support your legs and reduce pressure, promoting relaxation.
- **Adjustable Feet:** Each leg is equipped with universal adjustable feet. Rotate these feet to compensate for uneven floors, ensuring the stool remains stable and level. This also helps protect your floors from scratches.

Maintenance

Proper maintenance will extend the lifespan and appearance of your bar stools:

- **Cleaning:** The smooth engineered wood seat and metal frame can be easily cleaned with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Screw Tightness:** Periodically (e.g., every 3-4 months) check and retighten all assembly screws to maintain structural integrity and prevent wobbling.
- **Floor Protection:** Ensure the adjustable feet are properly positioned and intact to protect your floors.

Troubleshooting

If you encounter any issues with your bar stools, refer to the following common solutions:

- **Wobbling Stool:**
  - Ensure all assembly screws are fully tightened.
  - Adjust the universal feet on each leg to level the stool on uneven surfaces.
- **Loose Connections:** If any parts feel loose, carefully retighten the corresponding screws. Avoid overtightening.
- **Missing Parts:** If you find any parts missing during assembly, please contact MAHANCRIS customer support immediately for assistance.

Specifications

Feature	Detail
Product Dimensions (L x W x H)	12.6" x 12.6" x 26" (32cm x 32cm x 66cm)
