## SETUP

### Battery Installation

1. Locate the battery compartment on the underside of the DJ Furblets unit.
2. Using a small screwdriver (not included), open the battery compartment cover.
3. Insert three (3) LR44 button cell batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.
5. Dispose of used batteries immediately and safely.

**WARNING: This product uses button cell batteries. If swallowed, button cell batteries can cause internal chemical burns in as little as two hours and can lead to death. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.**

## OPERATING INSTRUCTIONS

## Basic Interactions

- **Stretching the Body:** Gently pull the Furblets' body to extend it. This action triggers music and sounds, with the tempo comically speeding up.
- **Retracting the Body:** Press behind the Furblets' ears to make its extended body retract to its original size, similar to a measuring tape.
- **Heart Button:** Press the heart button on the Furblets to play songs and hear various Furby language phrases and fun munching sounds.
- **Petting:** Gently pet the Furblets to elicit happy sounds and reactions.
- **Shaking:** Shake the Furblets to activate different sounds and movements.
- **Upside Down:** Turning the Furblets upside down may cause it to react with playful grumbling or other unique responses.

## MAINTENANCE

---

### Cleaning Instructions

To clean your Furby DJ Furblets, gently wipe the surface with a soft, dry cloth. Do not immerse the toy in water or use harsh cleaning agents, as this may damage the electronic components.

### TROUBLESHOOTING

---

- **No Sound/Movement:** Check if the batteries are correctly installed and not depleted. Replace with fresh LR44 batteries if necessary.
- **Unexpected Behavior:** If the Furblets exhibits unusual behavior, try removing and reinserting the batteries to reset the device.
- **Not Responding:** Ensure you are interacting with the designated touchpoints (body stretch, ears, heart button).
