STIGA Aluminum Midsize Table Tennis Table Instruction Manual

Model: T8450W

1. PRODUCT OVERVIEW

The STIGA Aluminum Midsize Table Tennis Table is a compact and portable solution designed for table tennis enthusiasts in various settings. Measuring 6 ft x 3 ft, it is ideal for game rooms, small apartments, office break rooms, or outdoor patios where a full-size table may not fit. Its lightweight aluminum frame ensures a sturdy playing surface while maintaining ease of transport. The table features a quick-play setup, allowing it to be unfolded and ready for use in 60 seconds or less. It can be easily folded and carried using the built-in handles for convenient storage and portability. This complete set includes the table, two paddles, a game net, and two 1-STAR ping pong balls.

3. SETUP INSTRUCTIONS

The STIGA Aluminum Midsize Table Tennis Table is designed for quick and easy setup, requiring no

assembly of the main table structure.

- 1. Unfold the Table Halves:** Place the folded table on a flat, stable surface. Release the latches on the side of the table. Carefully unfold each half of the table, extending the legs until they lock securely into place. Ensure all four legs on each table half are fully extended and stable.
- 2. Position the Table:** Align the two table halves side-by-side, ensuring the playing surfaces are level and the gap between them is minimal.
- 3. Attach the Net:** Securely attach the game net to the center of the table, clipping it onto the designated points on each table half. Ensure the net is taut and at the correct height for play.

4. OPERATING INSTRUCTIONS

Once the table is set up, it is ready for play. The table is designed for two players. Use the included paddles and balls for optimal performance.

- **Playing Surface:** The aluminum top provides a consistent bounce for competitive play.
- **Paddles and Balls:** Use the provided paddles and balls. For best results, ensure paddles are clean and balls are free of debris.
- **Net:** Ensure the net is securely attached and taut before each game to maintain fair play.

5. MAINTENANCE AND STORAGE

Proper maintenance and storage will extend the life of your table tennis table.

Maintenance:

- **Cleaning the Surface:** Wipe the playing surface with a soft, damp cloth to remove dust and dirt. Avoid abrasive cleaners or solvents that could damage the finish.
- **Frame Care:** Periodically check the aluminum frame for any loose screws or connections and tighten as necessary.
- **Net Care:** Remove the net after use if storing for extended periods. Clean the net with a damp cloth if it becomes dirty.

Storage:

The table's design allows for convenient portability and compact storage.

1. **Remove Net:** Detach the game net from the table.
2. **Fold Table Halves:** Carefully unlatch and fold the legs of each table half inward. Secure the legs in their folded position.
3. **Secure Halves:** Bring the two folded table halves together, ensuring they align perfectly. Secure them using the built-in latches.
4. **Use Carry Handles:** Utilize the integrated carry handles for easy transport.
5. **Storage Location:** Store the table in a dry, protected area away from extreme temperatures and direct sunlight to prevent warping or damage.

6. TROUBLESHOOTING

If you encounter any issues with your STIGA Aluminum Midsize Table Tennis Table, please refer to the following common solutions:

- **Table is Wobbly:** Ensure all legs are fully extended and locked into place. Check that the table is placed on a flat, level surface.
- **Net is Loose:** Verify that the net clips are securely fastened to both table halves and that the net is pulled taut.
- **Difficulty Folding/Unfolding:** Ensure all latches are fully released or engaged. Do not force the mechanism; check for any obstructions.
- **Missing Components:** Refer to the 'Package Contents' section. If any items are missing upon unboxing, contact customer support immediately.
