Sootingot P70

Sootingot Smart Watch for Kids P70 Instruction Manual

Model: P70

Introduction

Welcome to the Sootingot Smart Watch for Kids P70 instruction manual. This guide provides essential information for setting up, operating, and maintaining your new smartwatch. Designed for children aged 3-12, the P70 offers a range of features including fitness tracking, health monitoring, interactive games, and communication tools, all within a durable and waterproof design.

What's in the Box

- Smartwatch
- Charging Cable
- User Manual
- Watch Band

Setup

1. Charging the Smart Watch

Before first use, fully charge the smartwatch. Connect the provided charging cable to the magnetic charging points on the back of the watch and plug the USB end into a compatible power adapter (not included). A full charge typically takes less than 2 hours.

Image: The Sootingot Smart Watch connected to its magnetic charging cable, displaying a charging icon on its screen.

2. Power On/Off

- **To Power On:** Press and hold the side button until the screen lights up.
- **To Power Off:** Press and hold the side button, then select the 'Power Off' option on the screen.

3. App Connection (Optional)

The Sootingot Smart Watch can be used directly without a smartphone app. However, to unlock additional features such as parent control, 100+ sports modes, message reminders, and more customizable watch faces, you can connect it to the HanFit app. The watch is compatible with Android 9.0+ and iOS 13.0+ smartphones. Please note, the watch does not support a SIM card.

Operating Instructions

1. Navigation

The watch features a 1.85" HD touch screen for intuitive operation. Swipe left, right, up, or down to navigate through menus and select functions by tapping the icons.

2. Multi-functional Features

The Sootingot Smart Watch comes equipped with a wide array of features:

- **Health Monitoring:** Track Heart Rate, Blood Oxygen, and Stress levels with 24/7 detection mode.
- **Sleep Monitor:** Provides insights into sleep stages (deep sleep, light sleep, awake) and offers tips for improved sleep quality.
- **Sport Modes:** Choose from 22 built-in modes (100+ with app) to track various activities.
- **DIY Dial & Customization:** Personalize watch faces with favorite pictures via the HanFit app, or select from over 160 beautiful pre-designed dials.
- **Games:** Enjoy 5 fun puzzle games built directly into the watch.
- **Camera:** Capture photos and videos directly from the watch.
- **Alarm Clock:** Set multiple alarms (10+).
- **Tools:** Stopwatch, Calculator, Timer, Calendar, Torch.
- **Learning & Entertainment:** Audiobooks, Learning Cards, Music Player, Player.
- **Communication:** Bluetooth Phone (for calls via connected smartphone).
- **Languages:** Supports 20 languages including English, Español, Português, العربية, etc.

3. Class Mode & SOS Function

- **Class Mode:** Parents can set specific times via the connected app to disable certain watch functions, helping children stay focused during class or other activities.
- **SOS:** During Class Mode, pressing and holding the side button for 3 seconds will activate an alarm to attract attention in an emergency.

4. Reward System

Utilize the reward system through the app to encourage good habits. Parents can set tasks, and children earn virtual gold coins upon completion, which can be redeemed for rewards set by the parents.

Maintenance

- **Cleaning:** Wipe the watch screen and band regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- **Water Resistance:** The watch is IP68 extreme waterproof, suitable for daily water exposure like hand washing or rain. Avoid deep dives or prolonged submersion. Ensure the charging port cover is securely closed when exposed to water.
- **Battery Care:** To prolong battery life, avoid fully discharging the watch frequently. Charge it when the battery level is low.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.

Troubleshooting

Problem	Solution
Watch does not power on	Ensure the watch is fully charged. Press and hold the side button for at least 5 seconds.

Problem	Solution
Screen is unresponsive	Restart the watch. If the issue persists, ensure the screen is clean and dry.
Inaccurate health data	Ensure the watch is worn snugly on the wrist, not too tight or too loose. Clean the sensor on the back of the watch.
Cannot connect to app	Ensure Bluetooth is enabled on your smartphone and the watch. Make sure the HanFit app is updated to the latest version. Restart both devices.
Short battery life	Adjust screen brightness, reduce notification frequency, and close unused applications. Ensure regular charging.
