## 2. SAFETY GUIDELINES

---

Your child's safety is paramount. Please read and adhere to all safety instructions before assembly and use.

- **Adult Supervision:** Always ensure children are supervised by an adult while using the playset or standing tower.
- **Proper Assembly:** Assemble the product strictly according to the instructions provided. Ensure all fasteners are tightened securely before use.
- **Placement:** Place the playset and standing tower on a flat, stable surface. Avoid placing near windows, stairs, or heat sources.
- **Weight Limits:** Do not exceed the maximum weight capacity: 440 lbs for the playset and 150 lbs for the standing tower.
- **Age Range:** The standing tower is suitable for toddlers aged 18 months to 6 years. The playset is designed for toddlers and young children.
- **Regular Inspection:** Periodically check all components for wear, damage, or loose parts. Discontinue use if any damage is found.
- **No Modifications:** Do not modify the product in any way, as this may compromise its safety and void the warranty.

### Certifications:

This product has been awarded CPC (Children's Product Certificate) and FSC (Forest Stewardship Council) certifications, ensuring compliance with federal safety standards and responsible sourcing of materials.

## 4.2. Foldable Toddler Standing Tower Usage

The standing tower allows toddlers to safely reach counter heights and participate in activities.

- **Sitting and Standing:** The tower provides a secure platform for children to sit or stand at an elevated height, ideal for kitchen activities or crafts.
- **2-Level Adjustable Platform:** To adjust the platform height, locate the adjustment mechanism (refer to your specific assembly manual for details) and carefully move the platform to the desired level. Ensure it clicks securely into place before use.
- **Folding for Storage:** The tower is designed to fold compactly for convenient storage. Follow the folding instructions in your assembly manual to safely collapse the unit.

## 5. CARE AND MAINTENANCE

---

Proper care will extend the life of your COSYLAND product and ensure continued safety.

- **Cleaning:** Wipe down the wooden surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners. A quick wipe is all that is needed to keep it fresh.
- **Inspection:** Regularly inspect all screws, bolts, and connections to ensure they are tight. Tighten any loose fasteners immediately.
- **Storage:** When not in use, especially for extended periods, store the product in a dry, cool place away from direct sunlight and extreme temperature changes. The standing tower can be folded for compact storage.
- **Damage:** If any part of the product becomes damaged, cracked, or broken, discontinue use immediately and contact customer support for replacement parts or advice.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Product feels wobbly or unstable.	Loose fasteners; uneven surface.	Check and tighten all screws and bolts. Ensure the product is placed on a flat, level surface.
Difficulty folding the standing tower.	Mechanism not aligned; obstruction.	Ensure all parts are clear of the folding mechanism. Refer to the assembly manual for specific folding steps. Do not force.
Squeaking noises during use.	Friction between wooden parts; loose joints.	Check and tighten all connections. A small amount of food-grade lubricant can be applied to moving wooden joints if necessary, but ensure it is safe for children.

If you encounter issues not listed here, please contact COSYLAND customer support.
