### Setup and Assembly

---

Assembly of the Best Choice Products Wooden Pretend Play Cottage Kitchen is required. Please follow the detailed instructions provided in the separate assembly manual included in the package. It is recommended to have two adults for assembly. Ensure you have a clear, spacious area for construction.

- Unpack all components and verify against the parts list.
- Use the provided hardware and tools as specified in the assembly guide.
- Do not overtighten screws to avoid damaging the wood.
- Once assembled, check all connections for stability and tightness.

### Operating Instructions

---

This play kitchen is designed for imaginative play. It features several interactive elements to enhance the experience.

- **Stovetop Knobs:** The gold knobs on the stovetop are designed to produce a realistic clicking sound when turned, simulating the operation of a real stove.
- **Oven Door:** The oven door opens and closes, allowing children to place play food inside.
- **Microwave:** The microwave door opens, and the buttons on the control panel are for pretend play.
- **Sink:** The sink area includes a faucet and basin for pretend washing.
- **Storage:** Utilize the open storage shelves in the pantry, oven, and under the sink to store play accessories.

## Maintenance

Proper care will ensure the longevity of your play kitchen.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust the kitchen to keep it clean.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Storage:** Store the kitchen in a dry environment, away from direct sunlight or extreme temperatures, to prevent warping or fading.

## Troubleshooting

If you encounter any issues with your play kitchen, please refer to the following common solutions:

- **Loose Parts:** If any parts feel loose, gently retighten the corresponding screws. Do not overtighten.
- **Stability Issues:** Ensure the kitchen is on a level surface. Check that all assembly hardware is fully tightened.
- **Missing Components:** If you discover missing parts during assembly, please contact Best Choice Products customer support immediately.
