CIRCLE JOY Electric Salt and Pepper Grinder Set (Model KYMQ-32A-HO52-BS) Instruction Manual

Brand: CIRCLE JOY | Model: KYMQ-32A-HO52-BS

PRODUCT OVERVIEW

This CIRCLE JOY Electric Salt and Pepper Grinder Set offers a convenient and hygienic way to season your dishes. Featuring a rechargeable design, durable stainless steel construction, and an innovative external coarseness adjustment, this set is designed for ease of use and a tidy kitchen.

Key Features:

- **Upgraded External Coarseness Adjustment:** Easily customize grind levels without touching the grinding head.
- **USB Charging:** Convenient Type-C charging eliminates the need for frequent battery replacements.
- **Durable Stainless Steel:** High-quality construction for durability and corrosion resistance. Includes a transparent storage base.
- **One-Handed Operation:** Effortless seasoning with a simple button press. Transparent container for easy monitoring of seasoning levels.

SETUP AND INITIAL USE

1. Unpacking and Components:

Carefully remove all components from the packaging. Ensure you have the two grinder units, the transparent storage base, and the USB-C charging cable.

2. Charging the Grinders:

Before first use, fully charge both grinder units. Connect the provided USB-C cable to the charging port located on the top of each grinder. A full charge takes less than an hour. The indicator light above the button will show charging status.

CIRCLE JOY x  

CIRCLE JOY is a lifestyle brand committed to enhancing everyday life through smart, elegant small kitchen appliances.

CIRCLE JOY leverages core technologies in electric motors to create reliable tools across three key categories: spice, coffee, and wine. From electric pepper grinders to coffee utensils and wine accessories, We strive to bring more comfort and joy to daily routines with innovation, simplicity, and a passion for better living.

3. Filling the Grinders:

To fill, twist the clear acrylic container counter-clockwise to detach it from the stainless steel body. Fill the container with your desired whole peppercorns or coarse salt. Do not overfill. Reattach the container by twisting clockwise until secure.

ONE HANDED OPERATION

Image: A hand using a small wooden spoon to fill the transparent container of the grinder with peppercorns.

OPERATING INSTRUCTIONS

1. Adjusting Coarseness:

The grinder features an external coarseness adjustment. Locate the adjustment ring at the bottom of the grinder.

Rotate the ring to select your desired grind size, from fine to coarse. There are multiple levels of adjustment for precise control.

Image: A hand demonstrating the external coarseness adjustment by twisting the bottom part of the grinder, with arrows indicating fine and coarse settings.

2. Grinding Spices:

Hold the grinder over your food. Press and hold the button on the front of the grinder to activate the grinding mechanism. An LED light at the bottom will illuminate, providing visibility while seasoning. Release the button to stop grinding.

UPGRADED LARGE CAPACITY

MAINTENANCE AND CLEANING

1. Cleaning the Grinder:

To clean, detach the clear container from the stainless steel body. The clear container is washable with water. Use a

small brush (if provided) to clean any residual spice from the grinding mechanism. **Do not immerse the stainless steel body (motor part) in water.** Wipe the stainless steel body with a damp cloth.

Image: A hand washing the transparent container of the grinder under running water in a sink.

2. Storage:

Store the grinders in their transparent storage base to keep them organized and your countertop tidy. Ensure they are dry before storing.

WASHABLE CONTAINER AND BASE
