

## DRFLASH ADY-22A889A

# DRFLASH 2-in-1 Portable Garment Steamer & Iron

MODEL: ADY-22A889A

### Important Safety Instructions

---

- **Voltage Compatibility:** This product is designed for use only in the United States and Canada (110V-120V). Using it with incompatible voltage may cause damage or safety hazards.
- **Hot Surface Warning:** The heating plate becomes very hot during operation. **Do not touch the heating plate** to avoid burns. Always allow the device to cool completely before handling or storing.
- **Water Level:** Ensure the water tank is filled to the appropriate level. The steam function will not operate if there is insufficient water. Do not overfill.
- **Unplug When Not in Use:** Always unplug the steamer from the power outlet when not in use, before filling or emptying the water tank, and before cleaning.
- **Keep Away from Children:** Store the appliance out of reach of children and pets.
- **Use on Appropriate Surfaces:** When using the dry ironing function, ensure the surface is heat-resistant and stable. Use the provided heat-insulated base when resting the hot appliance.

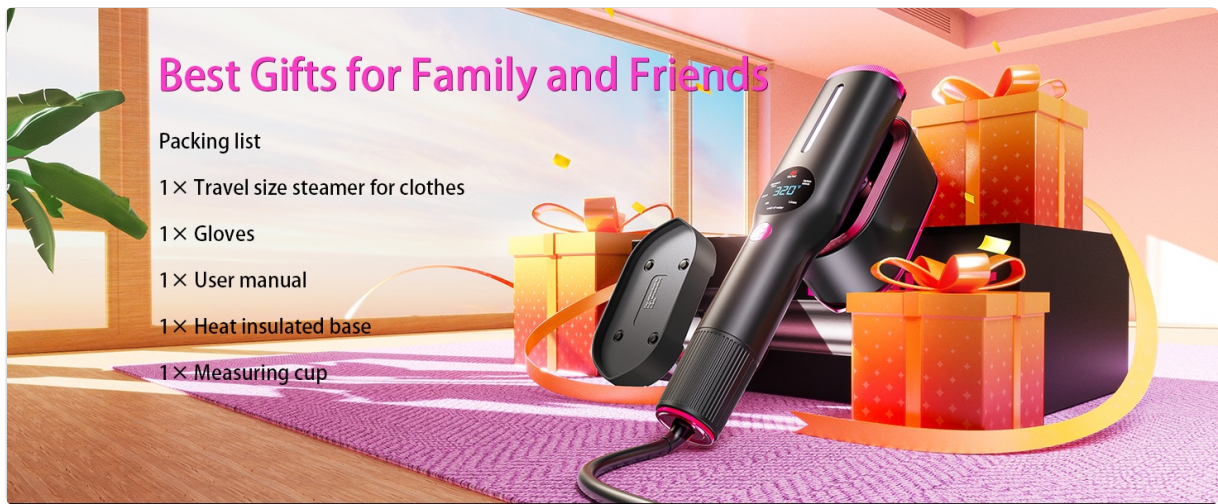

### Product Overview

---

The DRFLASH 2-in-1 Portable Garment Steamer & Iron combines the functionality of a traditional iron and a steam iron into a compact, handheld device. Its 90° rotatable design and multiple ironing modes make it versatile for various fabric types and situations.

### Included Components:

- 1x DRFLASH 2-in-1 Steamer & Iron
- 1x Heat Insulated Base
- 1x Measuring Cup
- 1x Protective Glove
- 1x User Manual

## Best Gifts for Family and Friends

### Packing list

- 1 × Travel size steamer for clothes
- 1 × Gloves
- 1 × User manual
- 1 × Heat insulated base
- 1 × Measuring cup

Image: DRFLASH 2-in-1 Steamer and Iron with included accessories: heat-insulated base, measuring cup, and protective glove.

## Setup

- 1. Fill the Water Tank:** Open the water tank cap located at the top of the steamer. Use the provided measuring cup to fill the tank with clean water up to the MAX line. Do not overfill. Close the cap securely.

- 2. Power Connection:** Plug the steamer into a standard 110V-120V electrical outlet. The device will power on and the LED display will illuminate.
- 3. Initial Heat-up:** The steamer will begin to heat up. It takes approximately 15 seconds to reach the desired temperature. The display will show the current temperature.

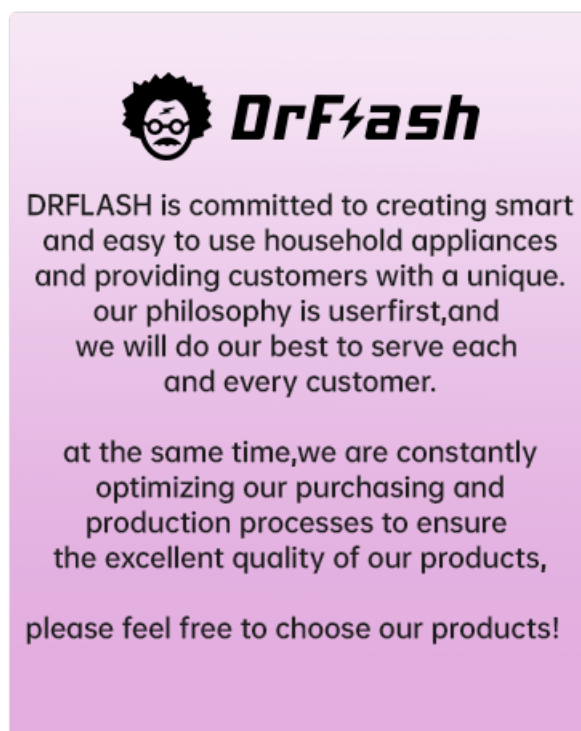

## Operating Instructions

### Selecting Ironing Modes:

The DRFLASH steamer features 7 ironing modes suitable for different fabric types. Use the mode selection

button to cycle through the options:

- **Dry Hot:** For general dry ironing.
- **Nylon/Stock:** For delicate synthetic fabrics.
- **Cotton:** For cotton garments.
- **Linen:** For linen fabrics.
- **Silk:** For silk and other delicate materials.
- **Blend:** For mixed fabric compositions.
- **Chemical Fiber:** For various chemical fiber textiles.

*Image: Close-up of the DRFLASH steamer's LED display showing various fabric modes and temperature settings.*

### **Using the Rotatable Head:**

The steamer head can rotate 90° to switch between vertical steaming and horizontal dry ironing. Adjust the head to the desired position for your task.

### **Steaming Technique:**

- Hold the garment taut with one hand (use the protective glove for safety).
- Hold the steamer vertically, with the steam plate facing the fabric.
- Press the steam button to release steam and move the steamer slowly over the fabric, from top to bottom.
- For stubborn wrinkles, apply gentle pressure while steaming.

### **Dry Ironing Technique:**

- Place the garment on a flat, heat-resistant surface (e.g., an ironing board or the provided heat-insulated base).
- Adjust the steamer head to the horizontal position.
- Gently press the hot ceramic plate onto the fabric and move it smoothly to remove wrinkles.

Video: Demonstrates the DRFLASH 2-in-1 Steamer & Iron in action, showcasing its steam output and ease of use for wrinkle removal on various garments.

## Maintenance

---

- **Empty Water Tank:** After each use, ensure the steamer is unplugged and cooled. Empty any remaining water from the tank to prevent mineral buildup.
- **Clean Ceramic Plate:** Wipe the ceramic heating plate with a soft, damp cloth after it has cooled down. Do not use abrasive cleaners or scouring pads.
- **Storage:** Store the steamer in a cool, dry place. Use the heat-insulated base to protect surfaces when the device is still warm. The folding design allows for compact storage.

## Troubleshooting

---

- **No Steam Output:**
  - Check if the water tank is empty. Refill if necessary.
  - Ensure the device is properly plugged in and powered on.
  - Allow sufficient time for the steamer to heat up (approx. 15 seconds).
- **Water Leakage:**
  - Avoid overfilling the water tank.
  - Ensure the water tank cap is securely closed.
  - Make sure the steamer has reached its operating temperature before pressing the steam button.
- **Device Not Heating:**
  - Verify the power cord is securely plugged into both the device and the electrical outlet.
  - Check if the outlet is functional by plugging in another appliance.

## Specifications

---

<b>Brand</b>	DRFLASH
<b>Model Number</b>	ADY-22A889A

<b>Color</b>	Rose Red
<b>Item Weight</b>	1.97 pounds
<b>Product Dimensions</b>	5.31 x 4.33 x 12.4 inches
<b>Style</b>	Compact, Modern
<b>Wattage</b>	1200 watts
<b>Voltage</b>	110 Volts
<b>Heat Time</b>	15 Seconds
<b>Product Benefits</b>	Fabric Refreshening, Wrinkle Removal
<b>Water Tank Capacity</b>	200 Milliliters
