Umadiya 3115

Umadiya 3-in-1 Architect Building Blocks Instruction Manual

Model: 3115

1. Introduction

Thank you for choosing the Umadiya 3-in-1 Architect Building Blocks, Model 3115. This set provides over 237 pieces, allowing you to construct three distinct models: a Space Astronaut Robot, a sleek Car, and a high-flying Aircraft. Designed to foster logical thinking, hand-eye coordination, and creative development, this set offers hours of engaging construction and imaginative play.

Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. What's in the Box

Your Umadiya 3-in-1 Architect Building Blocks set (Model 3115) includes the following components:

- Over 237 assorted building block pieces.
- One comprehensive instruction manual with step-by-step guides for the primary models.

Image: Contents of the box, including the instruction manual and individually packed block pieces.

3. Assembly Instructions

This building block set allows for the construction of three main models: a Robot, an Aircraft, and a Car. Detailed, step-by-step instructions for each of these primary models are provided in the included printed manual. Please refer to that manual for specific building sequences.

3.1. Building the Space Astronaut Robot

Follow the instructions in the included manual to assemble the robot model. Ensure all pieces are securely connected for stability.

3.4. Creative Builds and Possibilities

Beyond the three main models, the building blocks encourage imaginative play and the creation of unique designs. The set's versatility allows for numerous other constructions, such as various characters and mecha animals. Please note that detailed instructions for these additional creative builds are not included in the primary manual and may require independent exploration or external resources.

4. Operating and Play

Once assembled, the models are ready for play. The building blocks are designed for interactive and imaginative scenarios. Encourage children to create their own stories and adventures with the robot, car, and aircraft.

- **Interactive Play:** Engage with the assembled models in various play scenarios.
- **Creative Storytelling:** Use the models as props for imaginative narratives.
- **Rebuilding:** Disassemble and rebuild the models to explore different configurations or create new designs.

5. Care and Maintenance

To ensure the longevity of your building blocks, follow these care and maintenance guidelines:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store blocks in a cool, dry place away from direct sunlight and extreme temperatures. Keep them in their original packaging or a dedicated storage container to prevent loss of pieces.
- **Handling:** Avoid excessive force when connecting or disconnecting pieces to prevent damage.

6. Safety Information

This product is designed for children aged 6 years and older. Please observe the following safety precautions:

- **Choking Hazard:** The set contains small parts which may pose a choking hazard for children under 3 years. Adult supervision is recommended for younger children.
- **Material Safety:** The blocks are made from durable and safe plastic, meeting quality standards for children's toys.
- **Supervision:** Always supervise children during play, especially during initial assembly.

7. Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Carefully check all packaging and the play area. If pieces are genuinely missing, please contact customer support.
- **Difficulty Assembling:** Double-check the step-by-step instructions in the manual. Ensure you are using the correct pieces and orientation for each step.
- **Loose Connections:** Ensure pieces are firmly pressed together until they click into place.

8. Specifications

Feature	Detail
Model Number	2025-26 (Internal) / 3115 (Product Theme)
