HATCHIMALS WOW! Llalacorn Interactive Toy Instruction Manual

Model: 6046989

INTRODUCTION

Welcome to the world of Hatchimals WOW! Your new Llalacorn is an interactive creature that hatches from a re-hatchable egg and expresses emotions through movement, including a neck that can grow up to 32 inches tall. This manual provides detailed instructions for setup, operation, care, and troubleshooting to ensure you have the best experience with your Hatchimals WOW! Llalacorn.

SETUP

1. Unboxing and Initial Preparation

1. Carefully remove the Hatchimals WOW! egg from its packaging.
2. Remove any protective wrapping or plastic bands from around the egg.
3. Ensure the egg is placed on a flat, stable surface for hatching.

Image: A child holding the Hatchimals WOW! egg, demonstrating the initial unboxing step.

2. Battery Information

Your Hatchimals WOW! Llalacorn comes with batteries included. If replacement is needed, refer to the 'Care and Maintenance' section for instructions.

OPERATING YOUR HATCHIMALS WOW! LLALACORN

1. The Hatching Process

Hatching your Llalacorn is an interactive experience that takes approximately five minutes. Follow these steps:

1. **Tilt the Egg:** Gently tilt the egg back and forth. Your Llalacorn will respond from inside.
2. **Watch for Rainbow Eyes:** When you see rainbow-colored eyes glowing through the shell, your Llalacorn is ready to hatch.
3. **Emergence:** The Llalacorn will begin to grow taller, pushing the top of the egg off while singing "Hatchy Birthday."

Image: Two children observing the Hatchimals WOW! egg during the hatching phase, with the Llalacorn's eyes glowing inside.

Image: A Llalacorn emerging from its egg, demonstrating its ability to grow tall as the top of the egg is removed.

2. Interacting with Your Llalacorn

Your Llalacorn has over 250 sounds and reactions and expresses 10 different moods. Discover its unique personality through various interactions:

- **Cuddling:** Snuggle your Llalacorn, and it will coo and shrink down to a small size.
- **Music:** Play music, and your Llalacorn will grow taller, belting out high notes.
- **Tickling:** Tickle your Llalacorn to make it giggle and bob up and down.
- **Confetti Fruit Accessory:** Hold the confetti fruit accessory near its head to make its neck extend, or near its belly to make it shrink.
- **Voice Recording:** Touch both of your Llalacorn's feet simultaneously. When its eyes turn turquoise, you can record your voice. Release its feet to hear the recorded message played back.

Image: A child engaging with a pink Llalacorn, which has extended its neck, showcasing its interactive height feature.

Image: A visual representation of the Llalacorn's neck extension capabilities, from its shortest to its tallest form.

3. Re-Hatching

One of the unique features of Hatchimals WOW! is its re-hatchable egg. To re-hatch your Llalacorn, simply place it back into its egg. It will be ready for another hatching experience whenever you are.

CARE AND MAINTENANCE

Cleaning

To clean your Hatchimals WOW! Llalacorn, gently wipe the surface with a damp cloth. Do not submerge the toy in water. Avoid using harsh chemicals or abrasive cleaners.

Battery Replacement

If your Llalacorn's responses become sluggish or it stops functioning, it may be time to replace the batteries. Locate the battery compartment (usually on the underside of the toy). Use a small screwdriver to open the compartment, replace the old batteries with new ones (refer to specifications for battery type), and securely close the compartment.

Storage

When not in use, store your Hatchimals WOW! Llalacorn and its egg in a cool, dry place away from direct sunlight. You can place the Llalacorn back into its egg for compact storage.

TROUBLESHOOTING

- Llalacorn Not Hatching or Responding:**
Ensure the egg is tilted back and forth sufficiently. Check if the batteries are low or incorrectly installed. Replace batteries if necessary.
- Neck Not Extending/Retracting Fully:**
This can sometimes be due to low batteries. Replace batteries. Ensure there are no obstructions around the neck mechanism. If using the accessory, ensure it is held correctly near the head or belly.
- No Sound or Garbled Sound:**
Check battery levels. If the issue persists after battery replacement, contact customer support.
- Difficulty Re-Hatching:**
Ensure the Llalacorn is correctly positioned within the bottom half of the egg before placing the top half on.

SPECIFICATIONS

Model Number	6046989
Product Dimensions	20.32 x 20.32 x 30.81 cm
Item Weight	1.48 kg
Material Type	Plastic, Plush Fabric
Batteries Required	Yes
Batteries Included	Yes

Recommended Age	5 - 10 years
