## 2. SAFETY INFORMATION

---

**WARNING: Essential oils are highly concentrated and should be used with caution.**

- Avoid direct contact with skin unless properly diluted.
- Keep away from heat sources and open flames.
- Do not ingest. If ingested, seek immediate medical attention.
- Keep out of reach of children and pets.
- Consult a healthcare professional before use if pregnant, nursing, or under medical care.

## 3. PRODUCT QUALITY

---

VINEVIDA Cedarwood (Virginia) Essential Oil is produced using pure, natural, and raw ingredients. Our commitment ensures products are vegan, free of phthalates, parabens, and other harsh chemicals. The packaging is designed to keep essential oils fresh, preventing oxidation, evaporation, or leakage.

## 4. SETUP

---

Before initial use, ensure the bottle is intact and the seal is unbroken. Essential oils are concentrated and require proper handling.

### 4.1 Dilution Guidelines

Always dilute essential oils before topical application or internal use (though ingestion is not recommended for this product). Common carrier oils include jojoba, almond, coconut, or grapeseed oil.

- **Topical Application:** For adults, a general guideline is 2-3 drops of essential oil per teaspoon (5ml) of carrier oil. Perform a patch test on a small skin area before widespread use.
- **Diffusion:** Follow the instructions of your specific diffuser. Typically, 3-5 drops are added to water in an ultrasonic diffuser.

## 5. OPERATING INSTRUCTIONS (RECOMMENDED USES)

---

VINEVIDA Cedarwood (Virginia) Essential Oil can be used in various applications:

Image 3: This image illustrates the top 5 essential oil uses: Massage, Bath, Diffusion, Topical application, and Inhalation.

1. **Aromatherapy Diffusion:** Add 3-5 drops to your essential oil diffuser to create a calming and grounding atmosphere. Cedarwood (Virginia) is known for its woody, sweet aroma, which can promote relaxation and emotional well-being.
2. **Topical Application:** Dilute with a carrier oil (e.g., jojoba, almond) and apply to the skin. This can be beneficial for skin health, including acne treatment and itch relief. Always perform a patch test first.
3. **DIY Projects:** Incorporate into homemade products such as:
  - **Candle Scents:** Add to melted wax for a natural, woody fragrance.
  - **Soaps & Bath Bombs:** Use as a natural scent and for its skin benefits.
  - **Aromatic Creams:** Mix with an unscented body lotion for a personalized aromatic cream.
  - **Natural Insect Repellent:** Its natural properties can help deter insects.
4. **Bath:** Add a few diluted drops to bathwater for a relaxing and aromatic experience. Ensure proper dispersion by mixing with a dispersant like Epsom salts or a carrier oil before adding to water.
5. **Inhalation:** For a quick aromatic boost, place a drop on a tissue and inhale directly, or add to a personal

inhaler.

## 6. MAINTENANCE

---

Proper storage and handling are crucial to maintain the quality and efficacy of your essential oil.

- Store in the original dark glass bottle to protect from light degradation.
- Keep the cap tightly closed when not in use to prevent oxidation and evaporation.
- Store in a cool, dry place, away from direct sunlight and extreme temperatures.
- Avoid contaminating the oil by ensuring droppers or applicators are clean before use.

## 7. TROUBLESHOOTING

---

If you encounter any issues during the use of VINEVIDA Cedarwood (Virginia) Essential Oil, refer to the following:

- **Skin Irritation:** If redness, itching, or irritation occurs after topical application, discontinue use immediately. Wash the affected area thoroughly with soap and water. If irritation persists, consult a medical professional.
- **Accidental Ingestion:** Do not induce vomiting. Seek immediate medical attention or contact a poison control center.
- **Eye Contact:** Flush eyes immediately with plenty of water for at least 15 minutes. If irritation persists, seek medical attention.
- **Spillage:** Clean up spills immediately using an absorbent material. Ensure adequate ventilation in the area. Essential oils can damage surfaces, so wipe thoroughly.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand Name	VINEVIDA
