## FUMLTP SY82

# FUMLTP 52-inch Ceiling Fan with Lights User Manual

Model: SY82

## INTRODUCTION

This manual provides comprehensive instructions for the safe installation, operation, and maintenance of your FUMLTP 52-inch Ceiling Fan with Lights. Please read this manual thoroughly before installation and retain it for future reference.

## SAFETY INFORMATION

- Always disconnect power at the circuit breaker before installation or servicing.
- Ensure all electrical connections comply with local codes and ordinances.
- Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Mount the fan to a ceiling joist or support structure capable of supporting the fan's weight (approximately 11.2 lbs).
- Keep hands and objects clear of the fan blades during operation.

## PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Motor Housing
- Fan Blades (5)
- Blade Brackets (5)
- LED Light Kit
- Remote Control
- Remote Control Holder

- Mounting Bracket
- Hardware Pack (screws, wire nuts, etc.)
- User Manual

## MODERN STYLE

This 52 inch ceiling fan will provide airflow for large spaces(up to 350sq.ft)

Reversible Blades

3 colors LED Light

Quiet DC motor

### Ceiling Fan with Lights

Reduces electricity costs by **80%** compared to conventional AC motors.

## SETUP AND INSTALLATION

Follow these steps for proper installation. It is recommended to have two people for certain steps.

1. **Prepare the Mounting Location:** Ensure the electrical box is securely mounted to a ceiling joist and can support the fan's weight.
2. **Attach Mounting Bracket:** Secure the mounting bracket to the electrical box using the provided screws.
3. **Assemble Fan Blades:** Attach each fan blade to its respective blade bracket using the provided screws.
4. **Install Blades to Motor:** Secure the assembled blade and bracket units to the motor housing.
5. **Wiring Connections:** Connect the fan's electrical wires to the household wiring according to the wiring diagram in the full manual. Ensure all connections are secure.
6. **Install LED Light Kit:** Connect the LED light kit wires and secure the light kit to the bottom of the fan motor

housing.

7. **Secure Canopy:** Lift the fan assembly and secure the canopy to the mounting bracket.

## OPERATING INSTRUCTIONS

Your FUMLTP ceiling fan can be controlled via the included remote control or a smartphone application.

### Remote Control Operation

The remote allows control over fan speed, light settings, and timer functions.

- **Power On/Off:** Press the power button to turn the fan and light on or off.
- **Fan Speed:** Adjust between 6 speeds using the fan speed buttons.

- **Light On/Off:** Independently control the light.
- **Color Temperature:** Cycle through 3 color temperatures (3000K/4000K/6500K).
- **Dimming:** Adjust light brightness from 5% to 100%.
- **Reverse Mode:** Activate the reversible DC motor for summer (downward airflow) or winter (upward airflow).
- **Timer:** Set a 2-hour sleep timer.

## MAINTENANCE

- **Cleaning:** Wipe the fan blades and motor housing with a soft, damp cloth. Do not use abrasive cleaners.
- **Blade Balance:** If the fan wobbles, check that all blade screws are tightened. A balancing kit may be used if necessary.
- **Light Source:** The integrated LED light source is designed for long-term use and is not user-replaceable.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not start	No power; loose wiring; remote not paired.	Check circuit breaker; verify wiring connections; re-pair remote/app.

Problem	Possible Cause	Solution
Light does not work	Loose wiring; light function off.	Check light kit wiring; ensure light is turned on via remote/app.
Excessive wobbling	Loose blade screws; unbalanced blades; improper mounting.	Tighten all blade screws; use a blade balancing kit; ensure mounting bracket is secure.
Remote not responding	Dead batteries; remote not paired.	Replace remote batteries; re-pair remote with fan.

## SPECIFICATIONS

- **Brand:** FUMLTP
- **Model Name:** 52 inch Ceiling Fans with Lights
- **Model Number:** SY82
- **Color:** Nickel
- **Product Dimensions:** 52"D x 52"W x 11.8"H
- **Item Weight:** 11.2 Pounds
- **Number of Blades:** 5
- **Motor Type:** DC Motor
- **Number of Power Levels:** 6 (Fan Speeds)
- **Light Type:** Dimmable LED (5%-100% stepless dimming)
- **Color Temperatures:** 3000K/4000K/6500K
- **Control Method:** App, Remote
- **Special Features:** App Operable, LED Light, Quiet Operation, Remote Controlled, Timer, Reversible Motor
- **Indoor/Outdoor Usage:** Indoor, Outdoor
- **Voltage:** 110 Volts
- **Wattage:** 30 watts (Light)
- **Noise Level:** 35 Decibels

## WARRANTY AND SUPPORT

Your FUMLTP ceiling fan comes with a **24-month warranty**. This warranty can be extended via product registration. For any setup or usage inquiries, customer support is available **24/7**. Please contact the seller directly for assistance or warranty claims.
