## SETUP AND ASSEMBLY

---

Follow these steps to assemble your Relaxdays 2-Tier Round Bamboo Side Table:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to avoid damage.

3. **Install Lower Shelf:** Position the lower shelf between the legs at the designated height. The shelf should have pre-drilled holes or slots that align with attachment points on the legs. Secure the lower shelf using the appropriate hardware.
4. **Tighten All Connections:** Once all parts are in place, carefully tighten all screws and fasteners. Ensure the table is stable and does not wobble.
5. **Final Check:** Gently lift and move the table to its desired location. Ensure it stands firmly on all three legs.
