## Bosjct K12

# Bosjct K12 Mini Karaoke Machine User Manual

Portable Bluetooth Karaoke Speaker with 2 Microphones

## 1. INTRODUCTION

---

Thank you for purchasing the Bosjct K12 Mini Karaoke Machine. This portable Bluetooth karaoke speaker system is designed to provide an enjoyable audio experience with its integrated speaker and two wireless microphones. It features a professional audio processor, tuning system, and various voice changing effects, along with dynamic LED lights, making it ideal for family entertainment, parties, and travel.

## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Do not expose the device to water or excessive moisture.
- Keep the device away from heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Use only the charging cable provided or recommended by the manufacturer.
- Do not attempt to disassemble, repair, or modify the device yourself. Refer all servicing to qualified service personnel.
- Avoid dropping or subjecting the device to strong impacts.
- Keep out of reach of small children due to small parts.

## 3. PACKAGE CONTENTS

---

Verify that all items listed below are included in your package:

- 1 x Bosjct K12 Mini Karaoke Machine (Speaker Unit)
- 2 x Wireless Microphones

- 1 x USB Charging Cable (Type-C)
- 1 x User Manual (This document)

## 5. SETUP

---

### 5.1. Charging the Device

Before first use, ensure both the speaker unit and microphones are fully charged.

1. Connect the provided USB charging cable to the charging port on the speaker unit and a compatible USB power adapter (not included).
2. Connect the same USB charging cable to the charging port on each microphone.
3. The charging indicator light will illuminate during charging and turn off or change color when fully charged.

### 5.2. Powering On

1. Press and hold the Power button on the speaker unit for 3 seconds to turn it on. A voice prompt will indicate it's ready for pairing.

2. Press and hold the Power button on each wireless microphone for 3 seconds to turn them on. They will automatically connect to the speaker unit.

## 6. OPERATING INSTRUCTIONS

---

### 6.1. Bluetooth Pairing

To play music from your smartphone or tablet, connect via Bluetooth:

1. Ensure the speaker unit is powered on and in Bluetooth pairing mode (indicated by a flashing light or voice prompt).
2. On your device, go to Bluetooth settings and search for "K12" or "Bosjct K12".
3. Select "K12" to pair. Once connected, a voice prompt will confirm the successful pairing.
4. You can now play music from your device through the karaoke machine.

## 6.2. Using the Microphones

Once the microphones are powered on and connected to the speaker, you can begin singing.

- **Adjusting Microphone Volume:** Use the volume buttons on the microphone to increase or decrease your vocal output.
- **Voice Changer:** Press the Voice Changer button on the microphone to cycle through the 5 available voice effects: Original Voice, Male Voice, Female Voice, Baby Voice, and Monster Voice.
- **Echo Effect:** Use the dedicated button or control on the microphone to adjust the echo level for a more professional sound.

## 7. MAINTENANCE

---

Proper care and maintenance will ensure the longevity of your karaoke machine.

- **Cleaning:** Use a soft, dry cloth to wipe down the speaker and microphones. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Battery Care:** To preserve battery life, charge the device regularly, even if not in frequent use. Avoid fully discharging the battery for extended periods.

## 8. TROUBLESHOOTING

---

If you encounter issues with your Bosjct K12 Mini Karaoke Machine, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not power on.	Low battery.	Charge the speaker unit and microphones fully.
No sound from speaker.	Volume too low; Not connected via Bluetooth; Speaker in wrong mode.	Increase speaker volume; Ensure Bluetooth is paired; Press Mode button to select correct input.
Microphones not working.	Microphone battery low; Microphone not powered on; Not paired with speaker.	Charge microphones; Power on microphones; Ensure microphones automatically connect to speaker.
Bluetooth connection unstable.	Device too far from speaker; Interference.	Move device closer to speaker (within 10 meters); Avoid obstacles or other wireless devices.
