

## King Lucky B900

# King Lucky B900 Hybrid Active Noise Cancelling Headphones User Manual

Model: B900

## INTRODUCTION

Thank you for choosing the King Lucky B900 Hybrid Active Noise Cancelling Headphones. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new headphones. Please read it thoroughly to ensure optimal performance and longevity of your device.

## SETUP

### 1. Unboxing

Carefully remove all components from the packaging. Ensure all items listed below are present:

- King Lucky B900 Over-Ear Headphones
- High-fidelity audio cable (3.5mm)
- Type-C Charging Cable
- User Manual

### Immersive bass

powerful stereo sound,  
own the beat and rule the floor!

Video: A demonstration of the King Lucky B900 headphones, highlighting their long battery life and charging capabilities.

## 3. Bluetooth Pairing

To pair your headphones with a device:

1. Ensure the headphones are charged and powered off.
2. Press and hold the power button for a few seconds until the indicator light flashes, indicating pairing mode.

3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for "B900".
4. Select "B900" from the list of available devices to connect. The indicator light will turn solid when successfully paired.

#### 4. Wearing the Headphones

Adjust the headband for a comfortable and secure fit. The ear cushions are designed to create an acoustic seal for optimal sound and noise cancellation.

## OPERATING INSTRUCTIONS

### 1. Controls Overview

The headphones feature intuitive buttons for easy control of audio playback, calls, and noise cancellation modes.

# Ultra – comfy fit!

Enjoy music on subway rides or anytime.

Soft sponge head padding

Adjustable headband with scale markings

Multi-directional foldable

Memory foam ear cushions

Ultra-lightweight

260 g

## 2. Active Noise Cancellation (ANC) & Transparency Mode

The B900 headphones utilize hybrid ANC technology to reduce ambient noise. Press the dedicated ANC button to cycle through modes:

- **ANC On:** Blocks out up to 90% of external noise, ideal for travel or noisy environments.
- **Transparency Mode:** Allows ambient sounds to pass through, enabling awareness of your surroundings without removing headphones.
- **ANC Off:** Standard audio mode.

# No more re - pairing hassles!

Instantly switch to phone calls while your PC

## MAINTENANCE

### 1. Cleaning

Regularly clean the ear cushions and headband with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the finish. For deeper cleaning, a slightly damp cloth can be used, ensuring no moisture enters the speaker grilles or charging ports.

### 2. Storage

When not in use, store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. The foldable design allows for compact storage, protecting them from damage.

# Transparency Mode

Stay in tune with your music and the world, free and safe.

## TROUBLESHOOTING

- **No Power:** Ensure the headphones are fully charged. Connect to a power source and check the charging indicator.
- **Cannot Pair:** Make sure the headphones are in pairing mode (flashing indicator light). Ensure Bluetooth is enabled on your device and it is within range (typically 10 meters). Try restarting both the headphones and your device.
- **No Sound:** Check the volume levels on both the headphones and your connected device. Ensure the headphones are correctly paired. If using the audio cable, ensure it is securely connected to both the headphones and the audio source.
- **ANC Not Working Effectively:** Ensure the ear cushions form a good seal around your ears. Check that ANC mode is activated.
