SETUP AND ASSEMBLY

The CSZZD Farmhouse Vanity Desk requires assembly. All necessary hardware and comprehensive instructions are included in the packaging. Each part and accessory is thoughtfully labeled to facilitate the assembly process.

General Assembly Guidelines:

- Unpack Carefully:** Lay out all components and hardware on a clean, soft surface to prevent scratches. Verify all parts are present against the included parts list.
- Follow Instructions Step-by-Step:** Adhere strictly to the numbered steps and diagrams provided in the assembly manual. Do not skip steps.
- Use Correct Tools:** Only use the tools supplied or recommended in the manual. A screwdriver is typically required, and other tools may be provided.
- Do Not Overtighten:** Tighten screws and fasteners firmly, but avoid overtightening, which can damage the wood or hardware.
- Seek Assistance for Heavy Parts:** Some larger components may require two people to lift and position safely.
- Check Stability:** Once assembled, ensure the vanity desk is stable and all connections are secure before use.

If you encounter any difficulties during assembly, refer to the troubleshooting section or contact customer support.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors. Spray the cleaner onto a soft cloth, then wipe the mirror. Do not spray directly onto the mirror to prevent liquid from seeping into the edges.
- **Dusting:** Regularly dust the vanity with a dry, soft cloth to prevent dust buildup.
- **Spill Management:** Immediately wipe up any spills to prevent staining or damage to the wood finish.

- **Electrical Components:** Ensure all electrical connections and cords are free from damage. If any damage is observed, discontinue use and contact support.

TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Mirror lights not working	Power cord not plugged in; loose connection; light switch off; power outage.	Ensure the vanity is plugged into a working outlet. Check all connections. Press the mirror light switch. Verify power to the outlet.
RGB barn door lights not working/responding	Power issue; APP not connected; physical switch off.	Check power connection. Ensure the APP is correctly paired and the physical switch is on. Refer to the RGB system's specific instructions for APP troubleshooting.
Charging station (outlets/USB) not working	Vanity not plugged in; overloaded circuit; device issue.	Ensure the vanity's power cord is securely plugged in. Unplug some devices if overloaded. Test with a different device to rule out device malfunction.
Drawers/doors stick or are difficult to open	Misalignment during assembly; debris in tracks; overtightened screws.	Check assembly for proper alignment of drawer slides or door tracks. Clear any debris. Loosen screws slightly if overtightened, then re-tighten carefully.

For issues not listed here or if troubleshooting steps do not resolve the problem, please contact customer support.
