AODK L-Shaped Desk Instruction Manual

Model: OKTB01060701003JP

1. INTRODUCTION

Thank you for purchasing the AODK L-Shaped Desk. This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. PRODUCT FEATURES

The AODK L-Shaped Desk is designed for versatility and durability, suitable for various uses including gaming, office work, and studying. Key features include:

- **L-Shaped Design:** Maximizes corner space, providing ample work surface.
- **Integrated Storage Rack:** Conveniently located shelves for books, documents, and other items.
- **Adjustable Shelves:** The height of the shelves can be adjusted to accommodate different items.
- **Sturdy Construction:** Features a high-strength steel frame and melamine laminated board for stability and durability, with a tabletop load capacity of 50kg.
- **Monitor Arm Compatibility:** Improved design with inward-positioned reinforcement pipes allows for easy attachment of monitor arm clamps.
- **Cable Management Hole:** Helps keep cables organized and out of sight.
- **Side Hooks:** Convenient hooks for hanging bags, headphones, or other accessories.
- **Adjustable Feet:** Equipped with adjusters to ensure stability on uneven floors and prevent wobbling.
- **Safety-Focused Design:** Tabletop features rounded (fillet) corners to prevent accidental bumps and injuries.

Image 2.3: Integrated cable management hole for a tidy workspace.

Image 2.4: Adjustable feet ensure desk stability on uneven surfaces.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed in the assembly guide (included in the package) are present and undamaged. If any parts are missing or damaged, please contact customer support.

Typically, the package includes:

- Tabletop sections (L-shaped)
- Steel frame components (legs, crossbars)
- Shelf boards
- Monitor stand
- Side hooks
- Adjustable feet
- All necessary screws, bolts, and assembly tools (e.g., Allen wrench)
- Assembly Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly requires careful attention to detail. It is recommended to have two people for easier and safer assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product.

Below are general guidelines and important notes:

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware. Keep the assembly guide handy.
2. **Initial Frame Assembly:** Begin by assembling the main steel frame components. Ensure all parts are oriented correctly before tightening screws.
3. **Attaching Tabletop:** Carefully place the tabletop sections onto the assembled frame. Secure them with the

provided screws.

4. **Installing Shelves:** Insert the shelf boards into the designated slots on the frame. Adjust the height as desired before fully securing.
5. **Adding Accessories:** Attach the monitor stand, side hooks, and adjustable feet.

Important Assembly Notes:

- **Do Not Overtighten Screws:** Tighten screws firmly but avoid excessive force, as this can damage the material. Stop tightening once you feel resistance.
- **Verify Part Orientation:** Pay close attention to the orientation of similar-looking parts, especially crossbars. Some users have reported that parts labeled 'H' and 'I' in the manual may be reversed in practice. Always cross-reference with the visual diagrams and ensure parts fit correctly before fully securing.
- **Adjustable Feet:** Once assembled, adjust the feet to level the desk and prevent any wobbling.

5. OPERATING INSTRUCTIONS

Your AODK L-Shaped Desk is designed for optimal functionality and comfort. Here are guidelines for its use:

- **Workspace Utilization:** The L-shaped design provides ample space for multiple monitors, a keyboard, mouse, and other peripherals. Arrange your setup to maximize comfort and efficiency.
- **Storage:** Use the integrated shelves to store books, documents, computer towers, or decorative items. Adjust shelf heights as needed to fit your items.
- **Monitor Stand:** Place your monitor on the elevated stand to improve your ergonomic posture and reduce strain on your neck and shoulders.
- **Cable Management:** Route power cords and data cables through the designated cable management hole to keep your desktop clear and organized.
- **Side Hooks:** Utilize the side hooks for convenient storage of headphones, bags, or other items you need to keep within reach but off the desk surface.
- **Monitor Arm Installation:** If using a monitor arm, attach the clamp to the edge of the desk. The improved design ensures sufficient space for secure attachment without interference from internal reinforcement pipes.

6. MAINTENANCE

Proper care will extend the life and appearance of your AODK L-Shaped Desk:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid abrasive cleaners or harsh chemicals, as they can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining, especially on the melamine laminated board.
- **Heat Protection:** While the tabletop is heat-resistant, it is advisable to use coasters or heat pads for hot items to prevent potential damage over time.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary, but remember not to overtighten.
- **Avoid Heavy Impact:** Do not place excessively heavy items on the desk or subject it to strong impacts, which could compromise its structural integrity.

7. TROUBLESHOOTING

If you encounter any issues with your AODK L-Shaped Desk, refer to the following common solutions:

- **Desk is Wobbly:**
 - Ensure all screws and bolts are securely tightened.
 - Adjust the leveling feet at the bottom of the desk legs to compensate for uneven floor surfaces.
 - Verify that all frame components are correctly assembled according to the manual.
- **Parts Don't Fit During Assembly:**
 - Double-check the part numbers and orientations against the assembly guide. Some similar-looking parts (e.g., crossbars H and I) might be easily confused or incorrectly labeled in the manual. Try swapping them if they don't fit initially.
 - Ensure no screws are overtightened prematurely, which could misalign holes. Loosen slightly, adjust, and then retighten.
- **Scratches or Damage During Assembly:**
 - Always assemble on a soft, clean surface (e.g., a rug or cardboard) to prevent scratching the desk components.
 - If minor cosmetic damage occurs, it may be repairable with touch-up paint or furniture markers.

If these steps do not resolve your issue, please contact AODK customer support for further assistance.

8. SPECIFICATIONS

Brand	AODK
Model Number	OKTB01060701003JP

Shape	L-Shaped
Desk Type	Computer Desk, Desk with Shelves
Product Dimensions (D x W x H)	75 cm x 90 cm x 74 cm (Approx. 29.5 x 35.4 x 29.1 inches)
