## Maintenance

To ensure the longevity and optimal performance of your Hy-Y3 Pro Language Translator, follow these maintenance

guidelines:

- **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Use only the provided Type-C cable for charging. Avoid overcharging or completely draining the battery frequently to prolong battery life.
- **Water Exposure:** The earbuds are not waterproof. Avoid exposure to water, sweat, or high humidity.

## Troubleshooting

---

If you encounter issues with your Hy-Y3 Pro Language Translator, refer to the following common solutions:

- **Earbuds not pairing:**
  - Ensure the earbuds are charged.
  - Turn off and on your device's Bluetooth.
  - Forget the device in your Bluetooth settings and try pairing again.
  - Ensure the earbuds are within the 10M transmission distance.
- **Translation accuracy issues:**
  - Check your internet connection, as the app requires it for translation.
  - Ensure you are speaking clearly and at a moderate pace.
  - Verify that the correct source and target languages are selected in the app.
- **No sound or poor sound quality:**
  - Check the volume levels on both your earbuds and connected device.
  - Ensure the earbuds are properly seated in your ears.
  - Clean any debris from the earbud speakers.
- **App not responding:**
  - Close and restart the app.
  - Check for app updates in your device's app store.
  - Restart your smartphone or tablet.
