ASSEMBLY INSTRUCTIONS

This wardrobe requires assembly. For safety and ease of installation, it is highly recommended that at least two people participate in the assembly process. The product will be delivered in two separate packages, which may arrive at different times.

Before You Begin:

- Unpack all components and verify against the parts list (not provided in this manual, refer to included documentation).
- Ensure you have the necessary tools (e.g., screwdriver, hammer).
- Clear a spacious area for assembly.

General Assembly Steps:

1. Assemble the main frame of the wardrobe, ensuring all panels are securely connected.
2. Install the internal shelves and partitions according to your desired configuration.
3. Attach the hanging rod to the designated area.
4. Assemble the drawers and install them into their respective slots, ensuring smooth operation of the sliding rails.
5. Attach the doors, ensuring hinges are properly aligned for smooth opening and closing.
6. Install the LED lighting system components as per the separate LED instruction guide (refer to included documentation).
7. Secure the anti-tip device to the top of the wardrobe and to a wall stud to prevent accidental tipping.

Reasonable partitions provide abundant storage space to meet different clothing storage needs

OPERATION

Storage Features:

The Hlivelood Armoire offers diverse storage options to meet your needs:

- **Hanging Rod:** Provides full-length space for wrinkle-prone clothing such as dresses, jackets, and shirts.
- **Storage Shelves:** Five multi-tier shelves are ideal for folded clothes, blankets, pillows, and bags.
- **Drawers:** Three smooth-gliding drawers are perfect for smaller items like socks, underwear, or accessories.
- **Top Cabinet:** A dedicated top cabinet offers additional space for quilts, off-season clothing, or less frequently used items.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your wardrobe:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **LED Lights:** Always unplug the LED lights from the power source before cleaning or performing any maintenance on the wardrobe.
- **Spills:** Immediately wipe up any spills to prevent water damage, as the cabinet is resistant but not impervious to prolonged moisture.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

SAFETY INFORMATION

Your safety is paramount. Please adhere to the following guidelines:

- **Anti-Tip Device:** Always install and properly secure the included anti-tip device to a wall stud. This is crucial to prevent the wardrobe from tipping over, especially in households with children or pets.
- **Assembly:** As mentioned, assembly requires at least two people to ensure stability and prevent injury during construction.
- **Weight Distribution:** Distribute weight evenly across shelves and the hanging rod. Do not overload any single compartment.
- **Placement:** Place the wardrobe on a level surface. Keep it away from direct heat sources or excessive moisture.
- **Children:** Do not allow children to climb on or play with the wardrobe. Keep small parts away from children during assembly.

TROUBLESHOOTING

If you encounter any issues with your Hlivelood Armoire, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on	Power connection loose; Remote battery dead; App not connected.	Check power cable connection; Replace remote battery; Re-pair app with LED controller.
Drawers sticking or not sliding smoothly	Rails misaligned; Obstruction in rail; Overloaded drawer.	Ensure rails are properly installed and aligned; Remove any obstructions; Reduce drawer contents.
Doors not closing properly	Hinges misaligned; Wardrobe not level.	Adjust door hinges; Ensure wardrobe is on a flat, level surface.
Wardrobe feels wobbly	Loose fasteners; Uneven floor; Anti-tip device not secured.	Tighten all screws; Place shims under legs if floor is uneven; Securely attach anti-tip device to wall.

If the problem persists after attempting these solutions, please contact customer support.
