tectake Radiator Cover with Slat Design

Model: 405400

1. INTRODUCTION

Thank you for choosing the tectake Radiator Cover with Slat Design. This product is designed to enhance the aesthetics of your living space while providing a functional and safe covering for your radiator. Its elegant slat design ensures optimal air circulation, preventing overheating, and the sturdy top shelf offers a convenient surface for decorative items. This manual provides essential information for proper assembly, safe use, and maintenance of your radiator cover.

2. SAFETY INFORMATION

- This radiator cover is designed to prevent direct contact with hot radiators, reducing the risk of burns.
- Ensure the cover is securely assembled and placed to avoid tipping.
- Do not overload the top shelf. The maximum load capacity is 5 kg.
- Keep small children and pets away from the radiator cover during assembly to prevent accidents.
- Always follow the assembly instructions carefully.

3. PACKAGE CONTENTS

Please check that all parts are present before beginning assembly:

- Radiator Cover components
- Assembly material (screws, dowels, etc.)
- Assembly Instructions

If any parts are missing or damaged, please contact customer support.

4. SETUP AND ASSEMBLY

The tectake Radiator Cover is designed for quick and easy assembly. Please refer to the separate assembly instructions included in your package for detailed, step-by-step guidance. Ensure you have all necessary tools

before starting.

Key Assembly Features:

- The decorative slat design is elegant and blends perfectly with any interior space.
- The wide top surface is ideal for placing ornaments and decorating with style.
- Thanks to the rear slot, it can be placed flush against the wall despite the skirting board.
- Manufactured from solid MDF board, ensuring stability and featuring polished corners to prevent injuries.

El **diseño de lamas decorativas** es muy elegante y combina a la perfección con cualquier espacio interior.

La **amplia superficie superior** es ideal para poner adornos y decorar con estilo.

Gracias a la **hendidura de la parte trasera**, puede colocarse a ras de la pared a pesar del zócalo.

Fabricado en un **sólido tablero MDF** que garantiza estabilidad y con **esquinas pulidas** para evitar lesiones.

5. OPERATING AND USAGE

Once assembled, the radiator cover serves multiple functions:

- **Aesthetic Enhancement:** The elegant slat design transforms your radiator into a decorative furniture piece, blending seamlessly with your interior decor.
- **Optimal Air Circulation:** The large openings in the slat design allow for unobstructed air circulation, ensuring efficient heat distribution and preventing the radiator from overheating.
- **Protective Barrier:** It acts as a barrier against direct contact with the hot radiator surface, providing safety, especially in homes with children or pets.
- **Decorative Shelf:** The wide top shelf provides a practical surface for displaying plants, photo frames, books, or other decorative items, adding functionality to your space.

6. MAINTENANCE

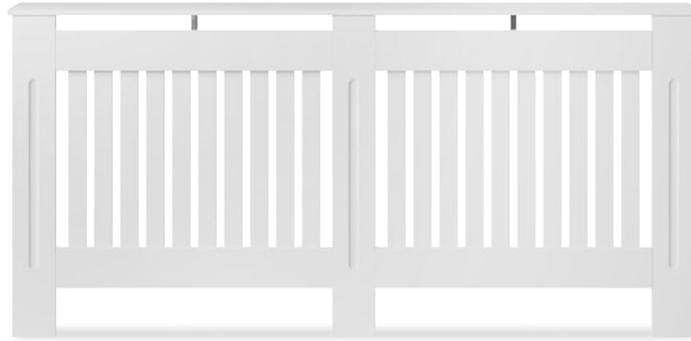

The tectake Radiator Cover is designed for easy maintenance:

- To clean the surfaces, simply use a damp cloth.
- Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- Regular dusting will help maintain its appearance.

DISEÑO Elegante.

El diseño de lamas crea un impacto visual y, también, permite una circulación de aire sin obstrucciones, evitando el sobrecalentamiento.

LIMPIEZA Sencilla.

Las superficies lisas de MDF lacado son muy fáciles de limpiar con un paño húmedo, eliminando el polvo y la suciedad sin esfuerzo.
