8. MAINTENANCE

To maintain the appearance and functionality of your WOLTU Smart Nightstand, follow these care instructions:

- Wipe the surfaces with a damp cloth and dry immediately to remove dust and spills.
- Avoid contact with sharp objects to prevent scratches.
- Keep the nightstand away from hot surfaces or direct heat sources.
- Regularly check the anti-tipping device and all fasteners to ensure they remain secure.

9. TROUBLESHOOTING

This section addresses common issues you might encounter with your WOLTU Smart Nightstand.

9.1. LED Strip Detachment

If the LED strip begins to detach, ensure the surface is clean and dry before re-applying. For better adhesion, you may use additional double-sided adhesive tape.

9.2. Power Outlets/USB Ports Not Working

- Ensure the nightstand's power cable is securely plugged into a functional wall outlet.
- Check if the devices you are trying to charge are properly connected and functional.
- Avoid overloading the power strip.

9.3. Assembly Difficulties

If you encounter difficulties during assembly, refer to the detailed instruction manual provided. Ensure all parts are correctly oriented and that you are using the correct fasteners for each step. Do not force components together, as this may cause damage.
