Storage:

- Store the figure in a cool, dry place away from direct sunlight and extreme temperatures.

- Keep figures away from small children to prevent choking hazards due to small parts.

If you encounter any issues with your BLOKEES figure, refer to the following common solutions:

Loose Joints:

- If a joint feels loose, gently press the connecting parts together to ensure they are fully seated.
- Avoid over-manipulating loose joints, as this can worsen the issue.
