

## Quictent YS1205

# Quictent 10x20 ft Pop-Up Canopy with Sidewalls Instruction Manual

*Model: YS1205*

## 1. INTRODUCTION

This manual provides detailed instructions for the safe and efficient setup, operation, and maintenance of your Quictent 10x20 ft Pop-Up Canopy with Sidewalls. Please read all instructions carefully before assembly and use to ensure proper functionality and longevity of the product.

## 2. SAFETY INFORMATION

### Important Safety Precautions:

- Always anchor the tent using the provided stakes and ropes to prevent it from tipping over in windy conditions.
- Avoid prolonged exposure to direct sunlight to minimize the risk of sunburn and heat-related issues.
- Do not use the canopy in severe weather conditions, including heavy winds, rain, or snow.
- Keep all flame and heat sources away from the canopy fabric.
- Ensure all locking mechanisms are fully engaged during setup to prevent collapse.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

# Package Item List

**Image Description:** An image displaying the complete package contents, including the canopy top, frame, roller bag, sandbags, ropes, and stakes.

- Canopy Top (420D Oxford fabric with PU-coating)
- Pop-Up Frame (Anti-corrosion-resistant powder-coated steel)
- Sidewalls (6 pieces, removable with church windows and double-sided zippers)
- Roller Bag for transport
- Sandbags
- Ropes
- Stakes

## 4. SETUP INSTRUCTIONS

Assembly typically requires two people and no tools. Follow these steps for proper setup:

### 1. **Step 1: Unfold the Frame**

Place the folded frame in the desired location. With a person on each side, gently pull the frame outwards to partially open it. Do not fully extend yet.

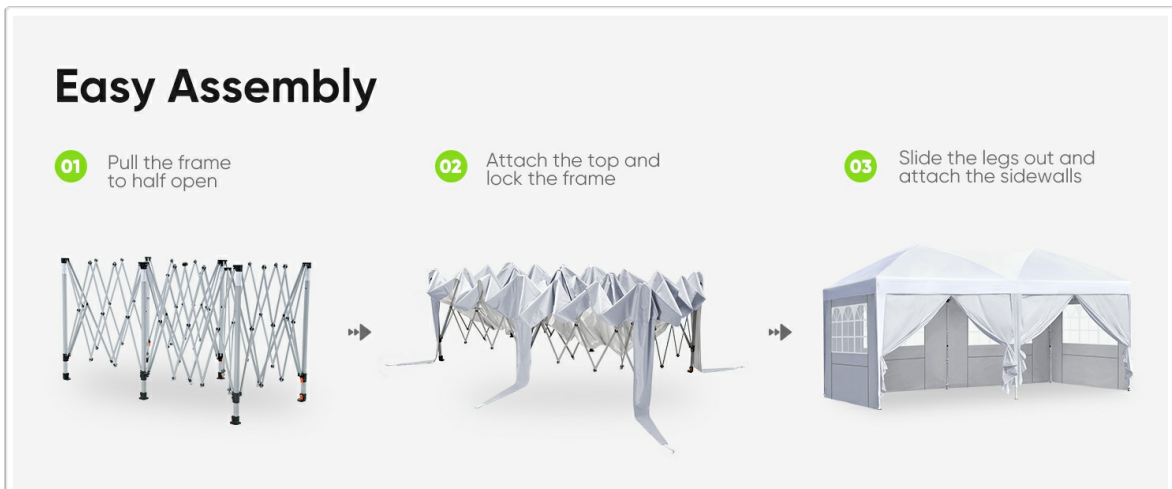

**Image Description:** An illustration showing the canopy frame being pulled open to a half-extended position.

2. **Step 2: Attach the Canopy Top**

Drape the canopy top over the partially opened frame. Secure the corners of the canopy to the frame's corner posts using the attached Velcro straps or clips. Ensure the canopy is centered and evenly distributed.

3. **Step 3: Fully Extend and Lock the Frame**

Continue pulling the frame outwards until it is fully extended. Engage all locking mechanisms on the legs and crossbars. This may require some force and coordination between two people. Ensure all pins click into place securely.

**Image Description:** An illustration depicting the canopy top being attached and the frame being locked into its fully extended position.

4. **Step 4: Adjust Height**

Press the release buttons on each leg and extend them to the desired height. Ensure all legs are set to the same height for stability.

## Height adjustable

**Image Description:** An illustration demonstrating the adjustable height feature of the canopy, showing both highest and lowest positions.

### 5. **Step 5: Attach Sidewalls (Optional)**

Attach the sidewalls to the canopy frame using the Velcro fasteners. The sidewalls feature double-sided zippers for easy entry and exit. The church windows provide visibility.

**Image Description:** A fully assembled QuicTent 10x20 ft Pop-Up Canopy with sidewalls, set up in an outdoor environment.

### 6. **Step 6: Secure the Canopy**

Use the provided ropes, stakes, and sandbags to anchor the canopy securely to the ground. This is crucial for stability, especially in light wind conditions.

## 5. OPERATING INSTRUCTIONS

### 5.1 Sidewall Management

The six sidewalls are removable and interchangeable. They attach to the canopy frame using Velcro. The double-sided zippers allow for convenient entry and exit. You can choose to install all, some, or none of the sidewalls depending on your event's needs and weather conditions.

### 5.2 Height Adjustment

The canopy features adjustable legs, allowing you to set the height between 99.6 inches (lowest position) and 107.4 inches (highest position). To adjust, press the release buttons on each leg and slide the inner leg to the desired height, ensuring the locking pin engages securely.

## 6. MAINTENANCE

- **Cleaning:** Clean the canopy fabric with mild soap and water. Do not use harsh chemicals or abrasive cleaners. Allow the fabric to air dry completely before storage to prevent mildew.
- **Frame Care:** Inspect the steel frame periodically for any signs of rust or damage. Clean any dirt or debris from the frame.
- **Storage:** When not in use, disassemble the canopy and store all components in the provided roller bag in a dry, cool place, away from direct sunlight.
- **Inspection:** Before each use, inspect all parts for wear and tear, especially the fabric, zippers, and frame connections. Replace any damaged parts immediately.

## 7. TROUBLESHOOTING

- **Difficulty in Setup:** Ensure two people are assisting with setup. The frame may require firm but gentle force to fully extend and lock. Check that no parts are snagged or misaligned.
- **Canopy Instability:** Verify that all legs are fully extended and locked at the same height. Ensure the canopy is properly anchored with all provided stakes, ropes, and sandbags. Do not use in high winds.
- **Water Leakage:** While the canopy is waterproof, ensure the fabric is taut and properly secured to the frame to prevent water pooling. Check for any tears or punctures in the fabric.
- **Zipper Issues:** If zippers are stiff, apply a small amount of silicone lubricant. Avoid forcing zippers if they are stuck.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Quictent
Model Number	YS1205
Material	Polyester (Canopy Top), Alloy Steel (Frame)
Color	Off White

Item Weight	66.4 Pounds
Product Dimensions	240"L x 120"W x 107.4"H (20 ft L x 10 ft W x 8.95 ft H)
Ultraviolet Light Protection	Yes (SPF 50+ UV sun protection)
Water Resistance Level	Waterproof
Floor Area	200 Square Feet
Assembly Required	Yes

## 9. WARRANTY AND SUPPORT

---

All parts of your Quicent canopy are covered by a warranty. If you encounter any issues or require assistance, please contact Quicent customer support as soon as possible. Our team is available to provide support and resolve any concerns you may have.
