SAFETY INFORMATION

Please read and understand all safety warnings before assembling or operating this product. Failure to follow these instructions may result in property damage, personal injury, or death.

- Keep children and pets away from the fire pit table when in use.
- Always follow assembly instructions carefully to prevent injury.
- Keep small parts out of reach of young children.
- Ensure the fire pit is placed on a level, non-combustible surface.
- Do not store propane cylinders indoors.
- Never leave the fire pit unattended when lit.

PACKAGE CONTENTS

Your ALAULM patio furniture set is delivered in multiple boxes (typically 5 boxes) which may arrive at different times. Please verify all components are present before beginning assembly. The package includes:

- 1 x 3-Seat Sofa
- 1 x Fire Pit Table
- 2 x Swivel Chairs
- 2 x Ottomans
- Seat and Back Cushions for all seating units
- Assembly Hardware and Tools
- Fire Pit Windshield and Blue Glass Stones
- Fire Pit Lid

ASSEMBLY INSTRUCTIONS

Assembly is required for this furniture set. It is recommended that two people assemble the larger pieces. Follow the detailed instructions provided in the separate assembly guide included in your package. A general tip for assembly is to **not fully tighten any screws until all components are loosely fitted together**. This allows for easier alignment and prevents stripping of screws.

Sofa and Chairs Assembly

1. Unpack all sofa and chair components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the backrests to the seat frames using the provided hardware.
3. Secure the armrests to the assembled back and seat frames.
4. For swivel chairs, ensure the swivel mechanism is correctly oriented and securely attached to the chair base.
5. Once all parts are loosely assembled, gradually tighten all screws until secure.
6. Place cushions on the assembled frames. The cushions feature a zipper design for easy removal and cleaning.

Fire Pit Table Assembly

1. Assemble the fire pit table base and attach the tabletop.
2. Install the burner unit into the designated opening in the tabletop.
3. Connect the gas hose to the burner and route it to the propane tank storage area.
4. Carefully place the blue glass stones around the burner.
5. Install the tempered glass windshield around the burner for safety and aesthetics.

OPERATING INSTRUCTIONS (FIRE PIT TABLE)

The fire pit table is CSA certified, ensuring it meets safety standards. It features a 55,000 BTU heat output and an automatic ignition system for ease of use.

Connecting the Propane Tank

- Ensure the fire pit control knob is in the "OFF" position.
- Connect the gas hose from the fire pit to a standard 20 lb propane tank (not included). Hand-tighten the connection

firmly.

- Place the propane tank securely within the designated compartment in the fire pit table.
- Slowly open the valve on the propane tank.

Igniting the Fire Pit

- Press and hold the ignition button while slowly turning the control knob to the "LOW" position.
- Continue to hold the ignition button for 10-15 seconds to allow gas to flow and ignite.
- Once ignited, release the ignition button.
- Adjust the flame height by rotating the control knob between "LOW" and "HIGH" as desired.

Turning Off the Fire Pit

- Turn the control knob to the "OFF" position.
- Close the valve on the propane tank.
- Allow the fire pit to cool completely before covering or storing.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your patio furniture set.

Aluminum Frame

- The aluminum frame is rust-proof and durable. Clean with a soft cloth, mild soap, and water. Rinse thoroughly and dry completely.
- Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.

Image: Detail of the aluminum frame.

Cushions

- The 5.1-inch thick sponge cushions are designed for resilience.
- Cushion covers can be removed via zippers for cleaning. Hand wash with mild soap and cold water, or spot clean. Air dry only.
- Store cushions indoors during inclement weather or prolonged periods of non-use to prevent fading and wear.

Swivel & Rocking Sofas

TROUBLESHOOTING

If you encounter issues with your patio furniture set, refer to the following common solutions:

Problem	Possible Cause	Solution
Fire pit does not ignite.	Propane tank valve closed, low propane, igniter not sparking, gas line obstruction.	Ensure propane tank valve is fully open. Check propane level. Verify igniter is clicking and sparking. Check for kinks in the gas line.
Unstable furniture.	Loose bolts, uneven surface.	Check and tighten all assembly bolts. Move furniture to a level surface.
Cushions appear flat or misshapen.	New cushions settling, prolonged compression.	Allow time for cushions to fully expand after unpacking. Gently massage or fluff cushions to help them regain shape.

If problems persist, please contact customer support for further assistance.
