INTRODUCTION

This manual provides essential information for the safe and effective use of your HAPPYGRILL Outdoor Bench with Raised Garden Bed. This versatile 2-in-1 product combines a comfortable seating area with a functional planter box, ideal for enhancing your outdoor living space. Please read these instructions thoroughly before assembly and use, and retain them for future reference.

SAFETY INFORMATION

WARNING: This bench has a maximum weight capacity of 220 lbs (100 kg). Exceeding this limit may result in injury or damage to the product.

- Always assemble and install the bench according to the provided instructions.
- For outdoor use, protect the bench from extreme weather conditions such as heavy rain, snow, or prolonged direct sunlight to ensure its longevity.
- Perform regular maintenance checks to ensure all components are secure and in good condition.
- Keep children and pets away from the assembly area.
- Ensure the bench is placed on a stable, level surface to prevent tipping.

USAGE GUIDELINES

The HAPPYGRILL Outdoor Bench with Raised Garden Bed offers dual functionality as both a comfortable seating solution and a versatile planter.

- **Seating:** Use the bench for relaxation in your garden, backyard, or porch. Ensure the weight limit of 220 lbs (100 kg) is not exceeded.
- **Planter:** The integrated planter box is suitable for growing a variety of plants, including herbs, flowers, fruits, and vegetables. The open-ended base promotes healthy root development and efficient drainage.
- **Placement:** Position the unit on a flat, stable surface in your desired outdoor area. The natural wood finish complements various outdoor decors.

CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your outdoor bench and planter.

- **Cleaning:** Wipe down the wood surfaces with a damp cloth to remove dirt and debris. Avoid harsh chemicals that may damage the teak oil finish.
- **Wood Protection:** The product is treated with teak oil for water resistance. To maintain this protection and the wood's appearance, reapply teak oil periodically as needed, especially after prolonged exposure to sun and rain.
- **Weather Protection:** During extreme weather conditions (e.g., heavy winter snow, prolonged rain, or intense summer sun), consider covering the unit or moving it to a sheltered area to prevent premature wear.
- **Drainage:** Ensure the planter's open base is not obstructed to allow for proper soil drainage.

TROUBLESHOOTING

If you encounter any issues with your HAPPYGRILL Outdoor Bench with Raised Garden Bed, please refer to the following common solutions:

- **Wobbling Bench:** Ensure all screws and fasteners are tightened securely. Verify that the bench is placed on a completely level surface.
- **Poor Plant Growth:** Check soil quality, watering schedule, and sunlight exposure. Ensure the planter's open base is not blocked, allowing for proper drainage and root access to the ground.
- **Wood Discoloration/Drying:** This may indicate a need for reapplication of teak oil. Clean the wood surface thoroughly before applying a new coat.
- **Difficulty Detaching/Attaching Bench:** Ensure the slots are clear of debris and align the components carefully. Do not force parts together.
