This video provides a brief overview of the RadioShack Over-the-Head Earphones, showcasing their design and use.

SETUP

Charging the Headphones

1. Connect the provided USB charging cable to the charging port on the headphones.
2. Plug the other end of the USB cable into a compatible USB power source (e.g., computer, wall adapter).
3. The LED indicator will illuminate during charging and turn off or change color when fully charged.
4. A full charge provides up to 30 hours of playtime.

Pairing via Bluetooth

1. Ensure the headphones are fully charged.
2. Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "RadioShack BT Headphones" from the list of found devices.
5. Once connected, the LED indicator will show a solid blue light or flash blue slowly.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds until the LED indicator lights up.
- **Power Off:** Press and hold the Power button for approximately 3 seconds until the LED indicator turns off.

Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press and hold the Volume Up button.
- **Previous Track:** Press and hold the Volume Down button.

Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

Volume Control

- **Volume Up:** Press the Volume Up button.
- **Volume Down:** Press the Volume Down button.

MAINTENANCE

Cleaning

- Wipe the headphones with a soft, dry cloth.
- Do not use abrasive cleaners or solvents.
- Keep the charging port free of dust and debris.

Storage

- Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- When not in use for extended periods, charge the headphones at least once every three months to preserve battery life.

TROUBLESHOOTING

Issue	Possible Solution
Headphones do not power on	Ensure the headphones are charged. Connect to a power source and try again.

Issue	Possible Solution
Cannot pair with device	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Move closer to the device.
No sound or low volume	Check volume levels on both headphones and connected device. Ensure headphones are properly paired. Try reconnecting.
Intermittent connection	Reduce distance between headphones and device. Avoid obstacles. Ensure no other devices are interfering with the Bluetooth signal.
