Bruni Screen Protector for IPRO F189 User Manual

Crystal Clear Protective Film (2X)

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Bruni Screen Protector, specifically designed for the IPRO F189. This high-quality protective film offers superior clarity and protection for your device's display.

2. WHAT'S IN THE BOX

Your Bruni Screen Protector package includes the following items:

- Bruni Screen Protector Film (2 pieces)
- Mounting Aid
- Microfiber Cleaning Cloth
- Mounting Instructions (this manual)

Image: An overview of the package contents, including the display protective film, mounting aid, microfiber cloth, and mounting instructions.

3. SETUP (INSTALLATION GUIDE)

Follow these simple steps for a bubble-free installation:

1. **Clean the Screen:** Use the provided microfiber cloth to thoroughly clean your IPRO F189 screen. Ensure there is no dust, smudges, or fingerprints. For best results, use a screen cleaning solution (not included) if available.
2. **Align the Protector:** Carefully peel back a small portion of the protective layer from one end of the screen protector. Align the exposed edge of the screen protector with the corresponding edge of your device's screen. Pay close attention to cutouts for cameras or sensors.
3. **Apply Gradually:** Slowly peel off the rest of the protective layer while simultaneously applying the screen protector to the

device. Use the mounting aid (or a credit card wrapped in the microfiber cloth) to gently push out any air bubbles as you go, working from the applied edge towards the unapplied edge.

4. **Remove Bubbles:** If any small bubbles remain, gently push them towards the nearest edge using the mounting aid. Stubborn bubbles might require lifting a small section of the protector and reapplying it carefully.

SUPER EINFACHE MONTAGE

In nur 3 Schritten. Eine Anleitung liegt dem Lieferumfang bei.

4. OPERATING (FEATURES AND BENEFITS)

The Bruni Screen Protector is designed to enhance your device's durability and user experience without compromise.

- **Sensitive Touch:** Maintains the original touch sensitivity of your IPRO F189, ensuring smooth and precise interactions.
- **Crystal Clear Display:** Provides unadulterated display of screen contents with no color attenuation, preserving the true colors of your device.
- **Scratch Resistance:** Made from highly transparent PET material, it offers robust protection against scratches from daily use.
- **Impact Resistance:** Engineered to provide a degree of impact resistance, protecting your screen from minor drops.
- **Easy to Remove:** Can be removed or repositioned at any time without leaving residue.

Echte Farben

Klare Schutzfolie, keine Farbabschwächung

Image: A device screen displaying vibrant colors, demonstrating that the clear protective film maintains true color representation without deviation.

5. MAINTENANCE

To ensure the longevity and clarity of your Bruni Screen Protector, follow these simple maintenance tips:

- **Regular Cleaning:** Use the provided microfiber cloth to gently wipe the screen protector daily to remove dust and smudges.
- **Stubborn Marks:** For more stubborn marks, lightly dampen the microfiber cloth with water or a screen-safe cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Avoid Sharp Objects:** While the protector is scratch-resistant, avoid direct contact with sharp objects like keys or knives to prevent damage.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Bubbles After Installation:**

- **Small Bubbles:** Most small bubbles will disappear naturally within 24-48 hours.
- **Large Bubbles:** Gently lift the nearest edge of the screen protector and reapply, pushing the bubble out with the mounting aid.

- **Dust Particles Under Protector:**

- If dust is trapped, carefully lift the nearest edge of the protector. Use a piece of tape to dab the dust particle off both the screen and the adhesive side of the protector. Reapply carefully.

- **Misalignment:**

- If the protector is significantly misaligned, gently peel it off completely and re-attempt installation from step 1, ensuring proper alignment before full application.

7. SPECIFICATIONS

Brand	Bruni
Compatible Devices	IPro F189
Material	Polyethylenterephthalat (PET)
Item Hardness	4H
Product Dimensions	5 x 3.7 x 1.27 cm
Item Weight	6 g
