5. Operating Instructions

Touchscreen Navigation:

- **Tap:** To select an item or open an app.
- **Swipe:** To scroll through pages or menus.

- **Pinch-to-Zoom:** Use two fingers to zoom in or out on images and web pages.
- **Long Press:** To access contextual menus or move app icons.

App Management:

- **Opening Apps:** Tap on the app icon from the home screen or app drawer.
- **Switching Apps:** Use the recent apps button (usually a square icon or three vertical lines) to view and switch between open applications.
- **Closing Apps:** Swipe up on an app in the recent apps view to close it. For apps running in the background, you may need to force stop them via Settings > Apps.

Camera Usage:

The tablet features dual cameras for photos and video calls.

- **Accessing Camera:** Tap the Camera app icon.
- **Permissions:** Ensure camera permissions are granted in Settings > Apps > Camera > Permissions if the camera is not functioning.
- **Modes:** Switch between Capture (photo), Video, Portrait, Pro, Slow Motion, and Time Lapse modes.
- **Front/Rear Camera:** Tap the camera switch icon to toggle between the front and rear cameras.

6. Maintenance

Battery Care:

- To prolong battery life, avoid fully discharging the tablet frequently.
- Charge the tablet using the provided USB-C cable and a compatible 18W PD fast charger for optimal charging speed.
- Avoid leaving the tablet connected to the charger for extended periods after it's fully charged.

Cleaning:

- Gently wipe the screen with a microfiber cloth to remove fingerprints and smudges.
- For stubborn marks, slightly dampen the cloth with water. Avoid excessive moisture.

Software Updates:

- Regularly check for system updates to ensure your tablet has the latest features, security patches, and performance improvements.
- Go to Settings > System > System update to check for and install updates.

7. Troubleshooting

Common Issues and Solutions:

- **Tablet is Slow/Lagging:**

- Close unused apps running in the background.
- Clear app caches (Settings > Apps > [App Name] > Storage & cache > Clear cache).
- Ensure sufficient storage space is available. Consider expanding storage with a Micro SD card.
- Restart the tablet.

- **Camera Not Working:**
  - Check camera permissions in Settings > Apps > Camera > Permissions.
  - Restart the tablet.
- **Wi-Fi Connectivity Issues:**
  - Toggle Wi-Fi off and on.
  - Forget the network and reconnect.
  - Restart your Wi-Fi router.
- **Bluetooth Audio Delay/Drops:**
  - Ensure the tablet is close to the Bluetooth device.
  - Disconnect and re-pair the Bluetooth device.
  - Minimize other active Bluetooth connections.
