4.2. General Assembly Tips

- Lay out all parts on a soft, clean surface to prevent scratches.
- Identify all hardware and components before starting.
- Do not fully tighten all screws until the entire unit is assembled, then tighten them securely.
- If you encounter difficulties, refer to the detailed assembly manual or contact customer support.

5. Operating Instructions

5.1. LED Lighted Flip-Top Mirror

The vanity features a flip-up mirror with integrated LED lighting. To access the mirror and internal storage, gently lift the top panel. The LED lights offer three color modes (Cold White, Warm White, and Warm Yellow) which can be adjusted using the touch controls on the mirror surface.

6. Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the LED mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from entering the electrical components.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as necessary to maintain stability.
- **Electrical Components:** Ensure the charging station and LED mirror wiring are not pinched or damaged. Unplug the unit during cleaning or extended periods of non-use.

7. Troubleshooting

- **LED Mirror Not Lighting Up:**

- Ensure the vanity is properly plugged into a working power outlet.
- Check if the power switch for the LED mirror is turned on.
- Verify that the power cord is not damaged or loose.

- **Charging Station Not Working:**
  - Confirm the vanity's main power cord is plugged in.
  - Test the outlets and USB/Type-C ports with different devices to isolate the issue.
  - Ensure the device being charged is compatible with the charging station's output.

- **Drawers or Panels Sticking:**
  - Check for any obstructions within the drawer slides or hinges.
  - Ensure the vanity is on a level surface. Uneven surfaces can cause misalignment.
  - Verify that all assembly screws for drawers and panels are properly tightened.

If issues persist, please contact LUXOAK customer support for further assistance.
