HIFIT 112" U-Shaped Sectional Sleeper Sofa

HIFIT 112" U-Shaped Sectional Sleeper Sofa Instruction Manual

Brand: HIFIT | Model: 112" U-Shaped Sectional Sleeper Sofa

1. INTRODUCTION

Thank you for choosing the HIFIT 112" U-Shaped Sectional Sleeper Sofa. This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your new furniture. Please read it thoroughly before beginning assembly or use to ensure proper function and longevity of your sofa. This versatile sectional sofa is designed to enhance your living space with its multi-functional features, including a pull-out sleeper bed, smart LED lighting, integrated charging ports, and ample storage solutions.

2. SAFETY GUIDELINES

All foam and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources. Supervise children and pets to avoid entrapment risks.

Ensure all components are securely fastened before use. Do not stand or jump on the sofa. Avoid placing hot items directly on the fabric or armrests. Keep liquids away from electrical components like USB ports and LED lights.

3. PACKAGE CONTENTS

Your HIFIT 112" U-Shaped Sectional Sleeper Sofa is shipped in three separate packages. Please ensure all packages are received before beginning assembly.

- U-Shaped Sleeper Sofa Components (various sections)
- Necessary Assembly Hardware (screws, bolts, tools)
- Installation Instruction Manual

Note: The instruction manual and some hardware may be packed within the sofa components. Please check all compartments and packaging thoroughly.

4. ASSEMBLY INSTRUCTIONS

Assembly of the HIFIT 112" U-Shaped Sectional Sleeper Sofa typically takes approximately 35 minutes with two adults. No additional tools are required beyond those provided.

1. Unpack all components from the three packages. Lay out all parts and hardware, verifying against the parts list in the included instruction manual.
2. Begin by connecting the main sofa sections as per the diagrams in the manual. Ensure all connectors are securely engaged.
3. Attach the armrests, ensuring proper alignment for the integrated features like LED lights and charging ports.
4. Assemble the pull-out bed mechanism and integrate it into the main sofa frame.
5. Place the chaise lounge sections and connect them to the main sofa. The reversible chaise lounge can be flexibly placed on either the left or right side, or separated.
6. Insert the seat cushions and backrests.

5. OPERATING INSTRUCTIONS

5.1. Converting to Sleeper Bed

The U-shaped couch can be easily transformed into a sleeper sofa. Locate the pull-out strap on the front of the middle section. Gently pull the strap outwards, and the sleeper mechanism will smoothly extend on its wheels. The sturdy steel frame and solid wood slats ensure a stable sleeping surface.

5.2 Smart LED Light Operation

5.2. Smart LED Light Operation

The sofa features smart LED strips located under the armrests. These lights can be controlled via a dedicated remote control or a smartphone application. The LED system offers over 16 million colors and more than 20 light effects, allowing you to customize the ambiance. You can also synchronize the lights with music for an enhanced entertainment experience. The integrated LED lights can also function as a gentle nightlight when the sofa bed is extended.

6. CARE AND MAINTENANCE

To maintain the quality and appearance of your HIFIT sectional sofa, follow these care instructions:

- **General Cleaning:** Regular vacuuming is recommended to remove dust and debris from the linen fabric. Use a soft brush attachment to avoid damaging the fabric.
- **Spot Cleaning:** For spills or stains, address them quickly. Use a mild soap and water solution applied with a clean, soft cloth. Gently blot the stained area; do not rub vigorously.
- **Stubborn Stains:** For more persistent stains, it is advisable to use a professional sofa cleaner specifically designed for linen fabrics. Always test any cleaning solution on an inconspicuous area first.
- **Fabric Properties:** The high-quality linen fabric is breathable, skin-friendly, and resistant to wear and wrinkles.
- **Frame Care:** Wipe clean the wood and metal components with a dry cloth.

7. TROUBLESHOOTING

If you encounter any issues with your HIFIT sectional sofa, please refer to the following common solutions:

Problem	Possible Cause	Solution
Difficulty with assembly	Missing instructions or hardware; misaligned parts.	Ensure all three packages have been received. Check all sofa compartments and packaging for the instruction manual and hardware. Carefully review the assembly diagrams and ensure parts are correctly oriented before fastening. Two adults are recommended for assembly.
Pull-out bed mechanism is stiff or stuck	Obstruction under the bed; mechanism not aligned.	Clear any objects from under the sofa. Ensure the pull-out strap is pulled straight and evenly. Check that the wheels are free of debris.

Problem	Possible Cause	Solution
LED lights not working	Power connection issue; remote battery low; app connectivity problem.	Check that the LED power cable is securely connected. Replace remote control batteries if necessary. Ensure your smartphone is properly paired with the LED system via the app.
USB/Type-C ports not charging	Power connection issue; device compatibility.	Verify that the sofa's power connection for the charging ports is secure. Test with a different device or cable to rule out device-specific issues.

If the problem persists after attempting these solutions, please contact HIFIT customer support for further assistance.
