Mirightone Twin Size Platform Bed User Manual

MODEL: BED WITH BOOKCASE AND STORAGE

Brand: Mirightone

Introduction

Welcome to the Mirightone Twin Size Platform Bed instruction manual. This guide provides detailed steps for assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information:

- Always handle components with care to avoid injury.
- Ensure all screws are tightened securely, but do not overtighten.
- Keep small parts and packaging materials away from children.
- Be careful around sharp edges during assembly.

Package Contents

Before assembly, verify that all components and hardware are present. Refer to the parts list in your included installation manual. If any parts are missing or damaged, please contact customer support.

Assembly Instructions

Assembly typically requires two adults. Do not fully tighten screws until all components are loosely assembled, then tighten them completely.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all parts and hardware.
2. **Assemble the Bed Frame:** Follow the step-by-step diagrams in your included manual to connect the main bed frame components. Ensure all connections are secure.
3. **Attach the Bookcase Headboard:** Secure the bookcase headboard to the main bed frame using the provided hardware. The headboard features multiple compartments for storage and display.
4. **Install Slats:** Place the wooden slats across the bed frame. Ensure they are evenly spaced and securely fastened to provide proper mattress support.
5. **Assemble Storage Drawers:** Assemble the two pull-out storage drawers. Attach the smooth casters to the bottom of each drawer for easy movement.

6. **Insert Drawers:** Slide the assembled drawers into the designated spaces beneath the bed frame. The flexible design allows placement on either side.

7. **Connect USB Charging Station and Downlight:** Integrate the USB charging station and downlight into the headboard as per the manual's instructions. Ensure proper power connection.

Operating Instructions

- **USB Charging Station:** Plug your electronic devices into the USB ports located on the headboard for convenient charging.
- **Built-in Downlight:** The downlight is touch-controlled. Simply touch the designated area on the headboard to turn the light on or off. It provides a warm color light.
- **Storage Drawers:** The two drawers beneath the bed can be easily pulled out and pushed in thanks to their smooth casters. They are not permanently attached to the bed frame, allowing for flexible placement.

Maintenance

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.

- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Wood Care:** Protect the pine wood from direct sunlight and extreme temperature changes to prevent warping or fading.

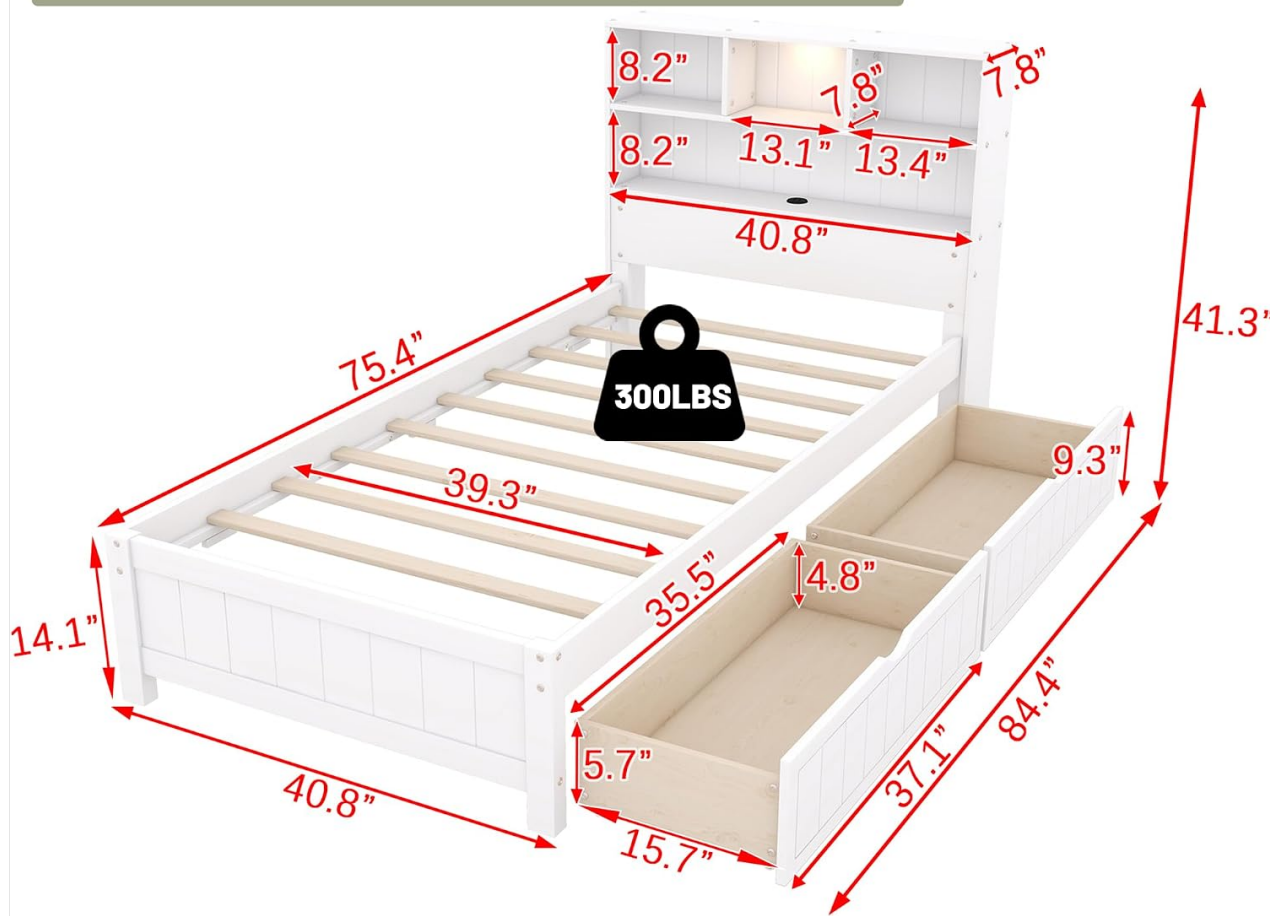

Troubleshooting

- **Assembly Difficulties:** If parts do not align, loosen all screws slightly, adjust the components, and then retighten. Ensure you are following the correct orientation for each piece as indicated in the manual.
- **Missing Parts:** If any parts are missing, do not proceed with assembly. Contact customer support immediately for assistance.
- **Drawers Not Sliding Smoothly:** Check the casters on the bottom of the drawers for any obstructions or damage. Ensure the drawers are properly aligned within their tracks.
- **Downlight/Charging Station Not Working:** Verify that the power cable is securely plugged into a functional outlet and properly connected to the headboard unit.
